synonymous with Count Dracula Since the publication of Bram Stoker s famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania s unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania s self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania s dilemma with Dracula remains unresolved   CD-ROMs in Print ,2002   **Let's Go** Kayla Alpert,1993   Subject Guide to Books in Print ,2001   **Index to American Reference Books Annual 1985-1989** ,1989 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering   *Hitchhiking in America: Using the Golden Thumb* Dale Carpenter,2013-08-31 Though it tends to be looked down upon as a trivial activity confined to vagrants the feeble minded sex maniacs and serial killers hitchhiking needs to be re valued as a means to an end transportation and self education and as an end in itself as suggested by Jack London s wonderful paragraphs quoted at the top of p 35 This is a source book not just a casual handbook and by its appeal to a long tradition it gives hitchhiking well deserved stature People have been hitchhiking since the first vehicle probably a raft was invented Odysseus hitchhiked St Paul hitchhiked anyone who hitchhikes today is keeping alive an ancient and honorable tradition and your book will help readers put modern hitchhiking into its particularly American context Prof Daniel H GarrisonDepartment of Classics Northwestern University Presenter of a lecture that students refer to as Hitchhiking as an Art Form   **The Publishers Weekly** ,1988
