Lets Stop Beating Around The Bush More Political Subversion:

Let's Stop Beating Around the Bush Jim Hightower, 2004-07-15 America in 2004 is color coded and it s not just a matter of red white and blue The terror alert bounces from yellow to orange The economy offers up a hundred shades of red ink The environment is turning brown National security is cloaked in gray shadows And Jim Hightower covers it all with uncommon insight political fearlessness and laugh out loud humor America s 1 populist gives us Let s Stop Beating Around the Bush a hard hitting fact filled review of the real state of the union that you won t get from the establishment media With his daily radio commentaries and award winning monthly newsletter no one has chronicled the madness of King George the W the wimpiness of corporate Democrats and the aggressive avarice of Wall Street with the thoroughness and tenacity of Hightower Now he brings that investigative punch into this wild and woolly book of fiery essays With his satirical Six Perfectly Good Reasons to Re elect George W Bush his mix of damning indictments and uplifting stories and side bars cartoons games and puzzles Hightower has done the impossible He has created a subversive read that makes politics fun again

Conversations with Texas Writers Frances Leonard, Ramona Cearley, 2010-01-01 Larry McMurtry declares Texas itself doesn t have anything to do with why I write It never did Horton Foote on the other hand says I ve just never had a desire to write about any place else In between those figurative bookends are hundreds of other writers some internationally recognized others just becoming known who draw inspiration and often subject matter from the unique places and people that are Texas To give everyone who is interested in Texas writing a representative sampling of the breadth and vitality of the state s current literary production this volume features conversations with fifty of Texas s most notable established writers and emerging talents The writers included here work in a wide variety of genres novels short stories poetry plays screenplays essays nonfiction and magazine journalism In their conversations with interviewers from the Writers League of Texas and other authors organizations the writers speak of their apprenticeships literary influences working habits connections with their readers and the domestic and public events that have shaped their writing Accompanying the interviews are excerpts from the writers work as well as their photographs biographies and bibliographies Joe Holley s introductory essay an overview of Texas writing from Cabeza de Vaca s 1542 Relaci n to the work of today s generation of writers who are equally at home in Hollywood as in Texas provides the necessary context to appreciate such a diverse collection of literary voices A sampling from the book This land has been my subject matter One thing that distinguishes me from the true naturalist is that I ve never been able to look at land without thinking of the people who ve been on it It s fundamental to me John Graves Writing is a way to keep ourselves more in touch with everything we experience It seems the best gifts and thoughts are given to us when we pause take a deep breath look around see what s there and return to where we were revived Naomi Shihab Nye I ve said this many times in print the novel is the middle age genre Very few people have written really good novels when they are young and few people have written really good novels when they are old You just

tail off and lose a certain level of concentration Your imaginative energy begins to lag I feel like I m repeating myself and most writers do repeat themselves Larry McMurtry I was a pretty poor cowhand I grew up on the Macaraw Ranch east of Crane Texas My father tried very hard to make a cowboy out of me but in my case it never seemed to work too well I had more of a literary bent I loved to read and very early on I began to write small stories short stories out of the things I liked to read Elmer Kelton **Multinational Monitor** ,2004 Mother Jones ,2004 **Divine Destruction** Stephenie Hendricks,2005 A simple investigation into environmental policy in the Sierra Nevadas turned out to be a far bigger story Bush s environmental policy is being driven by biblical fundamentalists who believe exhausting natural resources will hasten the Second Coming of Jesus Christ **You Call this a Democracy?** Paul Kivel,2004 Arguing that the United States has always had a ruling class this book does not focus on the current administration or rogue corporations but presents a deeper longer term analysis of how the ruling class has created and uses the Constitution corporations and the courts as well as a host of other mechanisms such as tax laws wars buffer zones and distractions to dominate our society and accumulate wealth publisher web site **Book Review Index Cumulation** Dana Ferguson,2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year *Congressional Record* United States.
