Dear Mrs. Roosevelt:

Thank you for your 1st letter. I have now written for the first time a rather whimsical essay about one of the children's happenings and have sent it off. Maybe I should let the famous express opinions.

If you will be in Hyde Park Thursday evening or Friday morning the 17th or 18th I would be near enough enroute back to Pittsburgh to just say 'hello' and ask you to write in the book. Now please don't make any effort to arrange your plans for me. I only write ahead because if you would not be there we would not go quite that way as we are going to New London and New Haven. And I may be in New York in the fall. However, I know when you are there you are just too busy with important things to be interrupted with casual matters. If you could drop me a card here ~~before~~ which would arrive before next Wednesday, I would appreciate it.

Hastily but always cordially yours,

Emmaline Dumars

Letter To Mrs Roosevelt:

A Letter to Mrs. Roosevelt C. Coco De Young, 2008-12-18 Eleven year old Margo Bandini has never been afraid of anything Her life in Johnstown Pennsylvania with Mama and Papa and her little brother Charlie has always felt secure But it s 1933 and the Great Depression is changing things for families all across America One day the impossible happens Papa cannot make the payments for their house and the Sheriff Sale sign goes up on their door They have two weeks to pay the bank or leave their home forever Now Margo is afraid but she s also determined to find a way to help Papa save their home

Dear Mrs. Roosevelt Robert Cohen, 2003-10-16 Impoverished young Americans had no greater champion during the Depression than Eleanor Roosevelt As First Lady Mrs Roosevelt used her newspaper columns and radio broadcasts to crusade for expanded federal aid to poor children and teens She was the most visible spokesperson for the National Youth Administration the New Deal s central agency for aiding needy youths and she was adamant in insisting that federal aid to young people be administered without discrimination so that it reached blacks as well as whites girls as well as boys This activism made Mrs Roosevelt a beloved figure among poor teens and children who between 1933 and 1941 wrote her thousands of letters describing their problems and requesting her help Dear Mrs Roosevelt presents nearly 200 of these extraordinary documents to open a window into the lives of the Depression s youngest victims In their own words the letter writers confide what it was like to be needy and young during the worst economic crisis in American history Revealing both the strengths and the limitations of New Deal liberalism this book depicts an administration concerned and caring enough to elicit such moving appeals for help yet unable to respond in the very personal ways the letter writers hoped

Letters to Eleanor Paul Bernstein, Eleanor Roosevelt, 2004 Letters to Eleanor Voices of the Great Depression examines how the flood of letters from ordinary Americans to the First Lady established a bond of hope and trust Through this paper trail Eleanor Roosevelt was able to help many petitioners find jobs food housing and clothes To others she offered the encouragement and support many needed in the bleak Thirties Through it all Eleanor Roosevelt exhibited a traditionalist social outlook by her support of homemakers and opposition to the Equal Rights Amendment But as the New Deal matured she became an ardent reformer who fought for an anti lynching law and job opportunity for women in the federal service But beneath her incessant activity to help others there was an inner Eleanor who constantly sought emotional support from female colleagues or her distant correspondents a support she did not receive from FDR or her family
