How To Marry Super Rich Or Love Money And The Morning After:

How to Marry Super Rich Sheilah Graham, 1974 *The Fortune Hunters* Charlotte Hays, 2007-08-07 From Madame de Pompadour the famed mistress of Louis XV to Pamela Harriman who married into the English aristocracy and the American plutocracy there is a rich history of women who have found glamour and wealth in the arms of a billionaire But contrary to what you may think fortune hunting is no idle pursuit Like diving for treasure it s a real job Some women strive to be CEOs others prefer to wed them You ll meet today s dazzling successes in this book What kind of woman does it take to make the Midas marriage Exploring the lives of the great fortune hunters of our day reporter and former gossip columnist Charlotte Hays answers this tantalizing question You ll learn about the South Carolina woman who took a trip around the world with a shadowy shipping magnate only to meet and marry a philandering marquis You ll see what methods these women use to lure their powerful men including one playful fortune seeker who at a very high society soir e hurled a piece of bread at her intended beau starting a food fight You ll meet the New York socialite who remarried so quickly after a divorce her ex claimed she was a bigamist What are their recipes for riches Can a genuinely nice woman pursue this career What does love have to do with it With original interviews and photos Hays casts a light on the determination skill and yes sometimes ruthlessness that have shaped some of the most successful and lucrative unions of our time Chuck Palahniuk, Parodist David McCracken, 2016-07-12 Chuck Palahniuk America s premier transgressive novelist enjoys a tremendous readership Yet he has not necessarily been embraced by critics or academics His prose is considered vulgar by some but his body of work addresses a core motivation of 21st century life individual self empowerment Palahniuk writes about what it means to be on the outside looking in revising familiar narratives for a contemporary audience to get at the heart of the human condition everyone wants a chance to win his or her fair share no matter the cost In *Haunted Snuff* *Pygmy Tell All* *Damned* and *Invisible Monsters* *Remix* he confronts marginalization and disenfranchisement through parodies of various works *The Decameron* *The Inferno* *Are You There God It s Me Margaret* *The Elephant Man* as well as Hollywood history 1970s karate films and the porn industry This comprehensive study of six novels refutes criticism that Palahniuk s goals are to shock and sensationalize **How to Marry Super Rich** Sheilah Graham, 1975 Capote Gerald Clarke, 2013-04-25 The national bestselling biography and the basis for the film *Capote* starring Philip Seymour Hoffman in an Academy Award winning turn One of the strongest fiction writers of his generation Truman Capote became a literary star while still in his teens His most phenomenal successes include *Breakfast at Tiffany s* *In Cold Blood* and *Other Voices Other Rooms* Even while his literary achievements were setting the standards that other fiction and nonfiction writers would follow for generations Capote descended into a spiral of self destruction and despair This biography by Gerald Clarke was first published in 1988 just four years after Capote s death In it Clarke paints a vivid behind the scenes picture of the author s life based on hundreds of hours of in depth interviews with the man himself and the people close to him From the glittering heights of notoriety and

parties with the rich and famous to his later struggles with addiction Capote emerges as a richly multidimensional person both brilliant and flawed A book of extraordinary substance a study rich in intelligence and compassion To read Capote is to have the sense that someone has put together all the important pieces of this consummate artist s life has given everything its due emphasis and comprehended its ultimate meaning Bruce Bawer The Wall Street Journal Mesmerising Capote reads as if it had been written alongside his life rather than after it Molly Haskell The New York Times Book Review *The Very Rich Book* Jacqueline Thompson,1981 LITTLE GLORIA Barbara Goldsmith,2011-08-24 This is a story of money glamour and scandal on the highest level a story of American society and of European royalty a story of family strife exploding into one of the most dramatic and publicized court battles of the century the battle for a solemn ten year old child little Gloria Vanderbilt who in 1934 was the object of the epic custody suit between her mother the beautiful and penniless Vanderbilt widow and her aunt the famous Gertrude Vanderbilt Whitney whose 78 million could buy her anything she wanted And what she wanted was little Gloria The leading characters Gloria Morgan who was one of the fabled Morgan Twins invented by society reporter Cholly Knickerbocker as the quintessential Caf Society beauties and who as a shy stammering eighteen year old living on nothing a year did what she was raised to do becoming the wife of Reggie Vanderbilt at forty three a worn out alcoholic who had managed to go through almost 25 million in fourteen years and who died only two years after his marriage to Gloria leaving his beautiful young widow nothing but their baby their baby s untouchable trust fund and the Vanderbilt name Gloria Morgan s twin Thelma who as Lady Furness was for years the mistress of the Prince of Wales until she introduced him to her best friend Wallis Simpson Gertrude Vanderbilt Whitney Reginald s sister a formidable Society woman a sculptor and the founder of the Whitney Museum of American Art a woman who conformed on the surface to everything expected of American royalty and yet lived a hidden second life as a passionate bohemian And the child little Gloria herself shunted out of her mother s life carted around Europe depending for her existence on her neurotically overprotective nurse Dodo who never left her for a single day and her mad Morgan grandmother who insisted that her own daughter might murder the child for the Vanderbilt millions Deserted dressed in rags neglected she became an almost mythic incarnation of the poor little rich girl This child who was to grow up to become a world famous fashion designer her name Gloria Vanderbilt a household word We come to understand and care about this child as we observe close up the astonishing lives and intrigues surrounding her We see her at the age of ten brought to the courthouse rushed through mobs of spectators reporters photographers We follow a courtroom drama of sensation after sensation the judge ultimately banning both public and press the final scandalous testimony reaching to the heart of the English royal family We listen to the parade of witnesses servants millionaires society celebrities aristocrats family retainers We watch the judge himself a classic Tammany pol becoming another of the many victims of the case reviled on all sides And finally we see little Gloria pushed to choose between her mother and her aunt making the decision that will affect her whole life with nobody ever asking her the basic question Why are you afraid For the
