God's Lifetime Warranty in Your Marriage Dr. Amos Adeniyi,2014-08-28 The idea to write fictional letters to marital couples on how to use Gods lifetime warranty in their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in November 2011 I prayed about which message to deliver for many days About two days before Sunday I had a dream that a young lady participated during my sermon After the service her family thanked me and said I made her speak in public for the first time and I gave her the encouragement that she needs for the rest of her life Then I woke up On the actual Sunday service during the sermon I asked the congregation how many of them had a dog or a cat A young lady a 17 year old said she had a cat I asked if she ever took her cat for a walk she said no I asked why not She replied Nobody does Then I said people take their dogs for walks but this does not mean that dogs are more important or better than cats Cats have their own usefulness God who created us knows that we are not the same and that we cannot function in the same way One should not be boasting that s he is better than the other After the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly When I was praying at home after the sermon I had the feeling that God wanted me to tell people to try out what seems to be unusual for them It has been my concern for many years that many couples dont take their wedding vows seriously It is affecting children a great deal many children have two or three stepparents Those children without stepparents seem to be the odd ones among their peers In Canada about 50% of first marriages may likely end up in divorce One may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72% while third marriages have the highest divorce rate of 85% Comparative Annual Divorce Rate in Canada Similarly in America the first marriages divorce rate ranges from 41 50% second marriages divorce rate is between 60 67% and third marriages is between 73 74% Information on Divorce Rate and

Statistics This book is fictional The stories are not real stories They are about my past experiences with heterosexual couples in my counseling or pastoral care I do not have a particular person or couple in mind No names in the book are real names If anybody's name or any couples have the same names as used in the book I would like them to know that I am not telling their particular story or using them as an example The Holy Spirit inspired the writers of the bible stories vii instructions messages and the same Holy Spirit is still talking to us today I believe I was inspired to write the book I will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which God is speaking to them to change No marriage is too bad that God cannot change for better Don't fold your arms and accept your troubled marriage as a done deal I will advise the readers to call upon the author of marriage God through Jesus Christ to fix their marriages He is able *The Future of Marriage* Jessie Bernard, 1982-01-01 Dr Bernard examines recent research findings on the present nature of the marriage commitment and predicts a less restrictive role for women in future marriages Christian Marriage David Ayers, 2019-02-06 Why should we care about marriage There is a lot of confusion about the purpose of marriage today outside the church as well as within it Written by a distinguished Christian sociologist Christian Marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage Drawing on recent social science research empirical data and social history Ayers paints a picture of marriage as an institution meant for human flourishing Along the way Ayers addresses such topics as Dating and selection of a spouse The importance of premarital counseling Sex and procreation Mentoring and supporting unmarried believers Divorce and remarriage And current controversies surrounding premarital sex and same sex marriage Though the book is academically and theologically informed it is written with a pastoral heart It seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society Eight Practical Principles of Making a Marriage Work Brett Keller, 2017-12-04 No institution has ever been misunderstood as marriage people often misunderstand marriage they thought it is not possible to live a happy married life and often elect to divorce therefore understanding the concept of marriage and making it work is the focus of this book It will help you to understand the meaning of marriage and solve the most difficult problems in marriage for you You will understand why it is difficult for you to have blissful marital relationship and how to make amends People tend to believe they will never have a wonderful marriage no matter how hard they try People have written so many books about marriage but often leave out the root cause of marital crisis that is temperament whatever happens in marriage is a direct result of the temperament of the couples therefore understanding your personality traits will solve over half of your problem How to Save Your Marriage Bisma Basma, 2020-05-28 If your spouse has gone from being your best friend to feeling like a total stranger you may wonder if your marriage is on the outs But getting a divorce is a huge decision especially if there's a chance you can rebuild what's been lost We asked the experts for their advice on how to save a marriage so you can stop googling signs you're in a loveless relationship and start trying to
