ORGANIZED AND A CLUTTER FREE LIFE WITHIN A WEEK OR YOUR MONEY BACK. Do you find yourself jumping over a pile of clothes in your home? Do you look back and wonder where the hours in your day disappeared to? Worry not, nobody is born organized and organization is not inherited either. It is a skill that is learned and though daunting at first, once you know what to do, the process becomes much more straightforward. This book offers you the help you need to get organized in a simple manner with step-by-step guides that even the absolute beginner can understand. Before you dive into your closet and start tidying up, the thing you need to do first is understanding the organizing principles. All of us are different and no two people can organize a space the same way.
