A Quail Hunter's Odyssey Joseph C. Greenfield,2009-07-16 A Quail Hunter's Odyssey begins with the initiation of a ten year old boy into the magic of bobwhite quail hunting His father handed him his grandfather's 20 gauge Parker shotgun the quail flushed flying toward the sun and fell when he shot This picture made such an indelible impression that Dr Greenfield has

pursued his quail hunting passion for over sixty years He obtained his first pointer bird dog in 1951 and his long standing fascination with these quail hunting machines and one setter has continued until the present During this period he has traveled to many venues within the Southeastern United States In the 1980s he began a 25 year hunting partnership with Joey O Bannon and J R Outfitters in Indiantown Florida Currently he hunts quail with Joey in this venue at least thirty days a year The initial chapters contain a description of his quail hunting in various venues in the Old South These are followed by sections that address specific aspects of quail hunting There are several stories that deal with individual experiences involving bird dogs The chapter entitled Covey Call is a poignant reminder of the Civil War During this odyssey he has used several vintage double barrel shotguns including the Parker and a gauge Purdey Anyone interested in the grand sport especially in its evolution over the past sixty years will both be entertained and enlightened by the account of his experiences
