Hunting The Yahoos:

Hunting the Yahoos Gregory Fitz Gerald,1982-07 **The yahoo! A satirical rhapsody** Yahoo,1842 *Political Philosophy in Gulliver's Travels* Lloyd W. Robertson,2022-07-01 This book analyzes Jonathan Swift's Gulliver's Travels from a political philosophy perspective When authors have focused on politics in Swift's writings this has usually meant a study of how Swift located himself on issues of his day such as church and state and Ireland Robertson claims by contrast that Gulliver's Travels is fundamentally a book about the ancients e g Plato Aristotle and the moderns science and technology and their contrasting views about the human condition The claim that the Travels is a kind of prolegomena to political philosophy leaves open the possibility that it does not achieve or seek to achieve a fusion of various teachings but rather uses the device of alien societies to point us to uncomfortable aspects of political philosophy's larger questions we are prone to ignore Swift Robertson argues draws our attention to some version of the classical republic as idealized in Aristotle's political writings and in Plato's Republic as opposed to a modern regime which at its best or most intellectual emphasizes modern science and technology in combination as a way to improve the human condition **A Political Biography of Jonathan Swift** David Oakleaf,2015-10-06 Most famous as the author of Gulliver's Travels Jonathan Swift 1667-1745 was one of the most important propagandists and satirists of his day This study seeks to contextualize Swift within the political arena of his day
