**Husbands, Wives, Parents, Children** Ralph Martin, 1978      Colossians and Philemon Michael F Bird, 2011-05-26

Michael Bird's commentary on Colossians and Philemon in the New Covenant Commentary Series pays close attention to the socio-historical context, the flow and dynamics of the text, their argumentative strategy, theological message, and the meaning of Colossians and Philemon for the contemporary church today. Bird situates Colossians in the context of Paul's Ephesian ministry and describes how Paul attempts to persuade a congregation in the Lycus Valley to remain firm in the gospel and to grasp the cosmic majesty of Jesus Christ over and against the views of certain Jewish mystics who have thrown the Colossians into confusion. He shows how in the letter to Philemon Paul intercedes for a slave estranged from his master through a carefully crafted feat of pastoral persuasion from a missionary friend of Philemon. The commentary combines exegetical insight, rhetorical analysis, theological exposition, and practical application all in one short volume. Bird shows Paul at work as a theologian, pastor, and missionary in his letters to the Colossians and Philemon.

Childhood in History Reidar Aasgaard, Cornelia Horn, 2017-07-20. Inquiring into childhood is one of the most appropriate ways to address the perennial and essential question of what it is that makes human beings each of us human. In *Childhood in History: Perceptions of Children in the Ancient and Medieval Worlds*, Aasgaard, Horn, and Cojocarú bring together the groundbreaking work of nineteen leading scholars in order to advance interdisciplinary historical research into ideas about children and childhood in the premodern history of European civilization. The volume gathers rich insights from fields as varied as pedagogy and medicine and literature and history. Drawing on a range of sources in genres that extend from philosophical, theological, and educational treatises to law, art, and poetry, from hagiography and autobiography to school lessons and sagas, these studies aim to bring together these diverse fields and source materials and to allow the development of new conversations. This book will have fulfilled its unifying and explicit goal if it provides an impetus to further research in social and intellectual history and if it prompts both researchers and the interested wider public to ask new questions about the experiences of children and to listen to their voices.

**Free to Run the Race** Gary V. Ventimiglia, 2016-09-22 Free to Run the Race describes the living out of our life in Christ Hebrews 12:1 It speaks of running with endurance the race that is set before us This can be done by fixing our eyes on Jesus Undoing the Burden of Parental Disregard speaks to a specific encumbrance that weighs the runner down making it harder to keep focus and finish the race The burden is called parental disregard It is not being allowed to be oneself to pursue one's inner direction or natural proclivity in one's life It is the experience of developmental woundedness that says being oneself in temperament aptitudes natural talents and the expressing of this is prohibited Prov 22:6 says train up a child according to his own way The burden of parental disregard is the emotional pain in living out an identity that is not based on any expression of one's natural way(s) or bent(s) This makes the development of trust in a heavenly Father parent difficult The relieving of this burden takes a ruthlessly honest focus on this woundedness and its working out its implications honestly that allows a more truthful understanding of God's love for our lives
