Psalms and Hymns for public and private worship, collected from Dr. Watts and other authors. ... Second edition, with additions, etc Thomas WILLCOCKS, 1838 *The Master's Plan* Ameet Guha, 2020-08-25 IMAGINATION shall give you power He said to his people They imagined themselves to be more powerful than him He realised that his master plan failed when his people used him yet ignored him He thought it was a master plan a plan that would improve lives of his people and at the same time establish himself as the all powerful The Master However he did not expect his master plan to make his people as dangerously ambitious as himself and imitate his own ways His plan creates a chaotic and an undesirable world And instead of being seen by his people as powerful they use him for their personal gains and then ignore him He feels cheated He is determined to get his world back He designs yet another plan This time he picks three people a brilliant scientist a religious leader and a politician each more ambitious than himself He monitors their behavior and dramatically intertwines their lives to reset his world through them Set in the spiritual land of India and in lives of 4 metaphorical characters The Master's Plan is a fast paced riveting fiction of how the Master resets his plan using three characters whose lust for power takes each of them to the top beyond which they see only death and destruction Will the Master finally get his world back **Hymns of the Christian Life** Milton Smith Littlefield, 1925 *Hymns for the Master* Hal Leonard Corp, Stan Pethel, 1997-07
