(pen-name), 1996 **I Am Not Going to Read Or Write Today!** Dr. Seuss, 2007 [The Giant Book of Children's Sermons](#) Wesley T. Runk, 2003-03 Here at last is the comprehensive collection you've been searching for to minister effectively to your children during worship. Drawn from every book of the New Testament, *The Giant Book Of Children's Sermons* (Matthew to Revelation) contains five full years' worth of material you can share with your young disciples. Each of the 260 talks teaches children God's Word through the use of common objects that illustrate an important concept in the scriptures. The messages come from Wesley Runk, a pastor and master communicator with kids who has written over 30 best-selling collections of children's sermons and object lessons. Runk uses a warm and often humorous approach to take on even the tough topics of the New Testament, and the analogies he creates with the use of such simple objects as bananas, clocks, puzzles, and funnels add visual focus for the kids and help them grasp the point on a level suitable for their age. Now, whether you are preaching from the Gospels, Acts, the letters of Paul, the general Epistles, or even Revelation, you are sure to find an appropriate related talk for the children. And with convenient features like scripture and object indexes for quickly locating material, as well as a CD with text files that lets you easily adapt the messages to your specific circumstances, *The Giant Book Of Children's Sermons* may be the last children's collection you ever need. **Redemption from Addiction** Gerard Jerry

Egan, 2011-12-27 There are awesome and powerful creative forces that can be fully tapped that will absolutely unleash our dreams and hopes, transforming them into a desired reality; or these very same forces will send us into the deepest, darkest Hell we have ever known. If a person fails to understand that they have a huge responsibility to take full possession and control of this great creative power, then that failure to take this responsibility will always lead to these forces taking control of the person in an undesirable, destructive, and potentially deadly manner. In other words, opportunities and temptations to use drugs or alcohol will present themselves as a direct result of failing to take control of these forces or misusing their power. All addictions are a manifestation caused by the poor or improper use of these forces and powers.
