I Am A Lesbian:

I Am a Lesbian Lee Chapman, 1962 *Ebony*, 2001-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine I Am Your Sister Rudolph P. Byrd, Johnnetta Betsch Cole, Beverly Guy-Sheftall, 2009-04-21 Audre Lorde was not only a famous poet she was also one of the most important radical black feminists of the past century Her writings and speeches grappled with an impressive broad list of topics including sexuality race gender class disease the arts parenting and resistance and they have served as a transformative and important foundation for theorists and activists in considering questions of power and social justice Lorde embraced difference and at each turn she emphasized the importance of using it to build shared strength among marginalized communities *I Am Your Sister* is a collection of Lorde's non fiction prose written between 1976 and 1990 and it introduces new perspectives on the depth and range of Lorde's intellectual interests and her commitments to progressive social change Presented here for the first time in print is a major body of Lorde's speeches and essays along with the complete text of *A Burst of Light* and Lorde's landmark prose works *Sister Outsider* and *The Cancer Journals* Together these writings reveal Lorde's commitment to a radical course of thought and action situating her works within the women's gay and lesbian and African American Civil Rights movements They also place her within a continuum of black feminists from Sojourner Truth to Anna Julia Cooper Amy Jacques Garvey Lorraine Hansberry and Patricia Hill Collins *I Am Your Sister* concludes with personal reflections from Alice Walker Gloria Joseph Johnnetta Betsch Cole Beverly Guy Sheftall and bell hooks on Lorde's political and social commitments and the indelibility of her writings for all who are committed to a more equitable society *Lesbian Motherhood* Amy Hequembourg, 2013-01-11 A unique practical application of poststructuralist theory to lesbian mothers narratives *Lesbian Motherhood Stories of Becoming* analyzes the personal stories of 40 lesbian mothers to discover the complex ways their sense of self is constructed in the current legal political and social climate These intimate narratives are examined by using Gilles Deleuze and Felix Guattari's conceptual framework to understand subjectivities by focusing on the many flexible lines of movement that constitute subjectivities or becomings This unique source reveals deep insight into a lesbian's construction of self through her stories about her own sexuality parenting and other experiences in becoming a mother *Lesbian Motherhood Stories of Becoming* challenges the assimilation resistance perspective typically expressed by scholars of lesbian motherhood Qualitative interviews reveal startling new perspectives to lesbian mother subjectivities viewed within the context of the legal political and social areas that seek to define and regulate contemporary family life This powerful source explores in detail the discursive strategies through which lesbian subjectivities are created and recreated Deleuze and Guattari's concept of becoming provides a valuable framework for analyzing the discursive strategies employed by those participating in this study *Lesbian Motherhood Stories of Becoming* offers insightful powerful information that is indispensable to GLBT scholars and social theorists **Lesbians and White Privilege** Andrea

L. Dottolo, 2021-03-31 There are three overarching themes that connect the chapters: interdisciplinarity, intersectionality, and identity. This interdisciplinary compilation includes contributions from scholars in cultural studies, social work, English, psychology, anthropology, and education. Essays include empirical research making use of both quantitative and qualitative methods, as well as personal reflections and interpretation. Each chapter makes central the critical significance of intersectionality, locating privilege and oppression within larger social systems and institutional structures as an interlocking matrix of relationships. These chapters challenge, recognize, and question whiteness with the intention that they encourage us to do the same in our own lives, practices, behaviors, and disciplines. By taking whiteness seriously, we might begin to move toward explicit antiracist efforts dismantling those structures and hierarchies that enable only some to speak as just humans. The chapters in this book were originally published as a special issue of the *Journal of Lesbian Studies*. *I Am Who I Am* Holly Simon, 2016-02-15 Holly Simon is a woman of individuality, authenticity, and determination. Married to a Chicago cop and a fiercely loyal mother, Simon's life was on a comfortable trajectory. Then her fifth baby, Nate, was born with Down Syndrome. Things could have changed with a simple "Congratulations." Instead, the medical staff made the mistake of saying, "I'm sorry." Since the day Nate arrived, Simon has been working to change the world's sorries to congratulations, advocating for all people who have special needs. As founder and executive director of the I Am Who I Am Foundation, Simon has touched thousands of lives with the simple message of acceptance through awareness. It hasn't always been easy. The challenges of raising a child with special needs and facing her own serious health issues taught Simon how to be the change she wanted to see. By sharing her story in *I Am Who I Am*, she invites readers to make important changes in their own lives. Read. Be inspired. Write yourself a new life story. **I Am of Ireland** Elizabeth Shannon, 1997 Available for the first time in paperback, this book provides an intimate look at the troubles in Northern Ireland. In a moving collection of interviews with Irish women, Elizabeth Shannon reveals them to be as diverse, charming, maddening, and contradictory as the country itself. This new edition, expanded and updated, contains follow-up interviews with many of the same Catholic and Protestant women who were featured in the original edition, as well as an analysis of the new women's political movement in Northern Ireland. *Outing Yourself* Michelangelo Signorile, 2012-07-11 Magnificent, interesting, and clear, Signorile takes your hand and gently guides you through the entire self-outing process. Chaz Bono, *The Advocate*. From the author of *Queer in America* comes a complete step-by-step guide to coming out of the closet, the first coming-out guide to the 90s. Signorile's pull-no-punches style gives this book a Susan Powter-ish, "Stop the Insanity" approach to a difficult and often mishandled experience. Signorile's book does a service simply by updating the crucial coming-out issue and analyzing, demystifying, and reframing it in a contemporary way appropriate to these complex times. Torie Osborn, *The Los Angeles Times Book Review*. *I Am a Lesbian* Lora Sela, 1958 **Queer South Rising** Reta Ugena Whitlock, 2013-03-01 *Queer South Rising: Voices of a Contested Place* is a collection of essays about the South by people who identify as both Southern and queer. The collection's name hints at the provocative

nature of its contents placing Queer and South side by side challenges readers to think about each word differently The idea that a queer South might rise undermines the Battle Cry of The South s Gonna rise Again embedded in the collective memory of a conservative South This rising does not refer to a kind of Enlightenment transcendence where the region achieves some sort of distinctive prominence It suggests instead ruptures like furrows in a plowed field where seeds are sown The rising Whitlock envisions is akin to breaking and turning over meanings of Southern place The title further serves to remind readers of the complexities of the place as it calls into question notions of a universal homogenous LGBT queer identity Queer South Rising is the first truly interdisciplinary collection of essays on the South and queerness that deliberately aims for multiple approaches to the topics This collection is intended for a wide audience of regular folks Essays explore multiple intersections of Southern place religion politics sexuality race education that transcend regional boundaries This book counters conventional scholarly texts it invites all readers interested in the South and queer themes to engage with the narratives it holds and perhaps question their assumptions Whitlock has sought in collecting these essays to seek out a diverse group of authors across disciplines professions and interests to shatter perceptions about a nostalgic romanticized Southern culture in general *i too was a child...* , *Lesbians, Women & Society* E M Ettorre,2022-09-01 First published in 1980 *Lesbians Women and Society* presents an analysis of lesbianism as a phenomenon that developed from a personal problem or individual deviance to a social movement with political ambitions Social lesbianism an important concept introduced in the text refers to the emergence of a public expression of lesbianism and is a stage in the process of establishing a lesbian group identity It thrusts the issue into the public eye and lends vitality to society s awareness Two groups of social lesbians are visible those fearful of change who cling to traditional and social views sick but not sorry and those who wish to challenge such traditional views in favour of a more public approach sorry but we re not sick But regardless of their relationships to the dominant sexual ideology as a group social lesbians threaten the structure of power in society This critical analysis thus challenges many people s views of lesbianism and points out to the uninformed observer the complexities which are involved in the contemporary lesbian experience This book will be of interest to students of sociology gender studies feminist theory and sexuality studies **What a Lesbian Looks Like** National Lesbian and Gay Survey (Organization),1992 The National Lesbian and Gay Survey is a mass observation project set up in 1985 to record the experience of lesbians and gay men This work draws on that material to provide an anthology of personal writings from lesbians from all walks of life which offers a picture of lesbian life in general *Lesbians in Academia* Beth Mintz,Esther D. Rothblum,2013-10-31 How can being closeted or out affect the personal and professional life of a lesbian in academia This volume a collection of over thirty personal narratives explores what it s like to be a lesbian working in a college or university setting Along with the stories are in depth analyses of the narratives by other academics Issues such as race class and age and how these factors distinguish each individual s place in the academy are examined The contributors have written from a

wide range of experiences different degrees of outness various academic disciplines many geographic locations and several types of academic settings
