**The Kindness of Strangers** Mary Mackey, 1990-01-01 The Kindness of Strangers Mike McIntyre, 1996 Stuck in a job he no longer found fulfilling journalist Mike McIntyre one day hit the road to trek from one end of the country to the other with little more than the clothes on his back and without a single penny in his pockets The Kindness of Strangers Susan Meier.2009 The Kindness of Strangers John Boswell, 1998-11 Using a wide variety of sources John Boswell examines the evidence that parents of all classes gave up unwanted children exposing them in public places donating them to the church or delivering them in later centuries to foundling hospitals He shows what happened to these children and he illuminates the moral codes that condoned abandonment **The Kindness of Strangers** John Boswell, 1997-06-01 Die Laughing Andy Weinberger, 2023-10-03 L As oldest and most unconventional Jewish gumshoe is back and more relentless than ever in the highly anticipated fourth Amos Parisman Mystery When a legend of late night comedy is found brutally murdered in his Hollywood home suspicions immediately fall on his former partner Benny Wolfe An unlikely killer old and frail Wolfe hasn t made a public appearance in years But after an impromptu visit from the police takes an unexpected turn focusing on the elderly comedian sunreliable memory even Wolfe can t say for sure whether or not he is to blame for his former partner's murder His paranoia soaring this once world renowned actor hires semi retired detective Amos Parisman to prove his innocence and track down the real murderer But can Amos be certain that this washed up comedian can be trusted Gripping enchanting and witty as ever Die Laughing shows the comedy business can be as deadly as it is funny The

Gonif Andy Weinberger, 2024-11-19 LAs oldest and most unconventional Jewish gumshoe has returned to stop a heist before it happens in the exciting fifth installment of the Amos Parisman Mystery series To escape the predations of the Nazis a rare two hundred year old Torah is quietly smuggled out of a doomed North African Jewish community in the dead of night and put aboard a ship Eventually it makes its way to safety across the Atlantic Generations after the war has ended it resides in obscurity in a small rundown Sephardic temple in Hollywood The peace is shattered however when suddenly someone tries to break in and abscond with it Amos Parisman a local agnostic aging gumshoe is recruited to thwart the would be burglar This sets him off on a madcap plunge into the world of international art and antiquities and the ruthless kind of people who will stop at nothing not even murder to own them The Gonif parses the difference between true wisdom and the coarse The Kindness of Strangers Tina Cox, 2015-08-10 The old adage What goes around comes around is at the very centre of this book It is essentially a story of hope and victory over a variety of problems and difficulties which have blighted the lives of our heroes and heroines for most if not all of their lives The first person we meet is Lizzie a young girl forced to run away from home to escape the consequences of her abusive step father s not so veiled threats Having managed to get a job and bedsit she has just been surviving until she loses her job Despite selling everything she can the threat of eviction hangs over her Knowing she will never be safe at home and with nowhere else to go she is driven through desperation hunger and cold to contemplate suicide Just one misdialled phone call one which results in an act of supreme kindness and generosity is sufficient to turn her life around giving it both direction and promise This one event is the catalyst which starts a chain reaction as kindnesses empathies and favours are passed baton like between the central characters in the book Some of their troubles and traumas have been so severe that they have shaped their whole lives Others have problems which are more short lived but all have suffered loss grief or fractured family relationships as a result of them All it takes is a little interest and a fresh perspective to give hope and solutions Amazingly the book ends where it began with Lizzie as the kindnesses come full circle In a world where people are all too concerned with self and the only news we hear is depressing or downright terrifying this book brings with it a ray of sunshine It proves without being overly sentimental or mawkish that kindness passed around brings many positive outcomes The simplest act of generosity can have far reaching effects for both the giver and the receiver NB by J.
