My Dad was The King of Clubs Scott Stringfellow, 2020-11-03 Scott Stringfellow never had breakfast with the King of Clubs That was okay because the Peter Stringfellow worked at night As a young man Scott understood little more than that But his father was always there for him Over the years Peter Stringfellow went from being a nightclub owner who

signed great acts to the King of Clubs an international businessman From acting to lighting the way Peter Stringfellow supported his son and his dreams After a brief stab at acting Scott worked in his father s club the Hippodrome and learned to be a lighting technician When an opportunity presented itself and Scott went into his dream of motorsport racing His sponsor His father and his clubs which were taking the world by storm Things came full circle A racing career turned into over two decades of motorsport instruction for Scott while Peter Stringfellow grew from a nightclub owner in both America and the United Kingdom to a London legend Tiring of the daily grind of instructing Scott once again joined his father in the nightlife working in his clubs for over a decade before his father passed away in 2018 The Write thing to do Those events inspired Scott to write the story of his relationship with his father At first it was simply a way of dealing with the pain of losing his father but as the story took shape this book was born This is the story of a son and his father a man he shared with the world For Scott Stringfellow the King of Clubs was simply dad **The Herd Register of the American Guernsey Cattle Club**

,1929 **The History of Live Music in Britain, Volume I: 1950-1967** Dr Matt Brennan,Ms Emma Webster,Professor Martin Cloonan,Professor Simon Frith,2013-04-28 The social history of music in Britain since 1950 has long been the subject of nostalgic articles in newspapers and magazines nostalgic programmes on radio and television and collective memories on music websites but to date there has been no proper scholarly study The three volumes of The History of Live Music in Britain address this gap and do so from the unique perspective of the music promoter the key theme is the changing nature of the live music industry The books are focused upon popular music but cover all musical genres and the authors offer new insights into a variety of issues including changes in musical fashions and tastes the impact of developing technologies the balance of power between live and recorded music businesses the role of the state as regulator and promoter the effects of demographic and other social changes on music culture and the continuing importance of do it yourself enthusiasts Drawing on archival research a wide range of academic and non academic secondary sources participant observation and industry interviews the books are likely to become landmark works within Popular Music Studies and broader cultural history
