Orson Pratt

Kingdom Of God:

The Gospel of the Kingdom George Eldon Ladd, 1959 Ladd whose work has included much technical study of the doctrine of the kingdom here presents a practical and devotional scriptural study of the many aspects of the kingdom based on the parables the Sermon on the Mount and other key passages

The Kingdom of God John Bright, 2010-09-01 This book traces the history of the biblical idea of the Kingdom of God and suggests its contemporary relevance To grasp what is meant by the Kingdom of God is to come very close to the heart of the Bible's gospel of salvation from the Preface

The Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

INSIGHTS INTO THE KINGDOM OF GOD Professor Solomon Hailu, Insights into the kingdom of God helps readers to understand that the Kingdom of God transcends all earthly kingdoms and yet is among us at our deepest levels of need This book is for anyone interested in how the person and work of Jesus Christ has been revealed through the eternal Kingdom of God The book will clarify much confusion among believers regarding their understanding of the Kingdom of God and how to prepare themselves better before the arrival of our soon coming King of kings

The Kingdom of God in Working Clothes R. Paul Stevens, 2022-08-05 Work occupies most of our waking time whether it is in a factory office school or at home But unfortunately most people of faith separate their working life from their worshipping life Dualism is a pernicious heresy that has infected believers worldwide namely that church work and missionary service are holy and our everyday work is secular In this timely volume Stevens explores the connection of the kingdom of God the master thought of Jesus with the marketplace Traditionally people have either related the kingdom of God God's new world coming either exclusively for the

present or only for the distant future But it is both now and coming This gives meaning hope and endurance to our work in the world So daily labor in the marketplace gets reoriented through salty values and ingrained virtues We become double agent spies exploring the new world coming in everyday life We can also grapple helpfully with the resistance we face daily in the workplace There are many books on the kingdom of God and many on work Few have brought these two vital arenas of everyday service together It is indeed part of the good news **How to Live in the Kingdom of God** Richard

Rundell,2001-04-16 Confusion abounds among Christians today because so many believe they must postpone the reality of the Kingdom of God until some distant future or that they must wait until they die How to Live in the Kingdom of God addresses the questions of what where when and even why with regards to the Kingdom of God Believers today as they enter the millennium hunger for the deeper understandings about the Kingdom that this book offers The Scriptures declare the Kingdom of God is a present reality in which we can partake Readers of this book will learn the three levels of Christian maturity how they relate to the three feasts and how to apply them to their daily Christian walk **The Kingdom of God ,**

The Kingdom of God Christopher W. Morgan,Robert A. Peterson,2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series The Kingdom of God Biblically and Historically Considered James Stuart Candlish,1884

The Secret of the Kingdom of God John H. Hatton,2017-10-11 The Secret of the Kingdom of God is a systematic and comprehensive view of the Kingdom of God which introduces a coherent and unifying model organized around the aspects of the Kingdom found in Scripture It provides a working definition of the Kingdom and offers abundant cross referencing of Bible verses throughout This is not just another book on the Kingdom of God How is it different Most Christian books on the Kingdom focus on a particular aspect such as the Millennium or on a certain portion of the Kingdom as seen in the Gospel of Matthew for example Authors who do cover more ground usually fail to present a systematic and more comprehensive view The reader generally comes away with a handful of confusing loose ends and without a working knowledge of how it all comes together The Secret of the Kingdom of God answers questions about the nature of the Kingdom how to enter the Kingdom why studying this subject is so important and much more Finally a book about the Kingdom of God that brings all the different aspects together in one volume A book that helps the reader fit the pieces together stand back and see the big picture It s time every believer become well acquainted with this subject since the Kingdom of God is the central theme of

the Bible and has everything to do with who we are where we came from and where we are going **The Kingdom of God** Alexander Balmain Bruce,1889 **The Kingdom of God** , The Kingdom of God Martyn Lloyd-Jones,2010 In a world that has completely misunderstood Christianity Martyn Lloyd Jones calls Christians back to what the kingdom of God is truly about a blessed Savior and wondrous forgiveness God's Kingdom For Today Peter Toon,2018-02-16 What is the kingdom of God When will it or did it come What does it have to do with the Old Testament Israel With the Christian Church With present day society These and many other questions are brilliantly addressed in God s Kingdom for Today As in his other books Peter Toon uses an extensive knowledge of the Scriptures to construct a thoroughly biblical approach which is then applied to daily life The result is a truly significant study Among the topics discussed are the kingdom of God in the Old Testament with special emphasis on God as King of Israel and Jesus teaching on the subject pointing out that He not only taught about the kingdom He personified it Toon also focuses upon the practical implications of the kingdom especially as it bears upon the related topics of the church personal ethics and social responsibility A proper understanding of God s kingdom is central to the Christian faith God s Kingdom for Today brings much needed clarity to this often misunderstood subject **The Kingdom of God** Alexander Balmain Bruce,1889 *The Kingdom of God and the Glory of the Cross* Patrick Schreiner,2018 *What on Earth Is the Kingdom of God?* W. A. Young, Jr.,2002-04 **The Kingdom of God, part 1** Orson Pratt,2015-07-22 Dear reader your future well being in all time to come depends upon your rightly understanding these seven subjects Read therefore with serious attention and your mind shall be opened to see things that you never saw before things too of infinite importance without which you can in no wise be saved Orson Pratt This book by Orson Pratt brother to Parley P Pratt and Apostle examines two of seven topics in detail the true nature of God and qualifications of an apostle *A Journey Through the Kingdom of God* Noah Pervis Wiggins, Sr.,2006-11 A Journey through the Kingdom of God was written to give God s people the proper teaching resources and a true sword to fight a good fight of faith to win spiritual warfare Rev Wiggins found that most of God s people were suffering because of lack of knowledge so he went into God s Pharmacy the Bible and wrote a very powerful prescription This formula will cure all of God s people from this disgraceful disease In an effort to make the learning process easier the author scripturally defines and describes the path that leads to external life and the one that leads to external death He outlines salvation how to develop a spiritual life how to live holy how to pray and how to continue down the path of righteousness as a knowledgeable Christian *The Kingdom of God* Austin R. Dayal,2018-11-20 After proclaiming that God s Kingdom had come near Jesus died on the cross This is hard to reconcile with what Jesus announced at the start of his ministry It can only be understood when we realize the relationship between the Kingdom of God and his death Jesus said flesh and blood can t inherit the Kingdom of God but only those who are born of the Sprit and for this reason Jesus had to die on the cross Jesus explained this to Nicodemus that only those who are born of the Holy Spirit can enter into the Kingdom of God He came into the world to make it happen because without the cross of Jesus

there is no fulfillment of the Kingdom The proclamation of Jesus his works and his life have strong bearing on his mission Jesus proclaimed that the Kingdom of God had come near He healed the sick fed the hungry and gave hope to the poor He lived a very basic life with his disciples and had no earthly possessions This was the Kingdom that Jesus proclaimed It gave the power back to the people it gave them dignity and a life of joy and contentment It was about the wellbeing of the whole community and where the leaders served others Jesus explained the mysteries of his Kingdom through many parables which turned the whole concept of the kingdom on its head and only a few were able to understand it then as it is now It was a new and unique concept for the disciples to grasp but after his resurrection when he was with them for forty days Jesus explained everything to them as recorded in the book of Acts He instructed them to remain in Jerusalem till they were baptized by the Holy Spirit Their empowerment which is usually understood in terms of Peter's bold preaching of the gospel was in fact more than that It was to give them the courage to leave their earthly possessions and relationships and accept the other believers as their new family where God lived with them and looked after their daily needs spiritual as well as material This was a very bold step for them to take It was more daring than standing up to preach before a large crowd on the day of the Pentecost The first church in Jerusalem became a place where God's Kingdom had come They rejoiced together as they shared everything and God did mighty works among them This would not have been possible if they hadn't left their own families and possessions to join the new community of God's people The church lost the initial impetus that the early Christians had in the way they lived and preached the good news of the Kingdom especially during the post Constantine period when the church leaders were seduced by the wealth that came from the state treasury The way Jesus the apostles and the early Christians had lived was completely forgotten or overlooked The sixteenth century reformation tried to recover some of the important aspects of Christianity but it did not go far enough At present the church has become its own worst enemy Some churches are trying to destroy the very foundation of our salvation by denying the existence of historical Jesus In others the faith in Jesus has failed to translate into a living reality It judges the world harshly and does not reflect the values of God's Kingdom in its daily life We need to reaffirm the apostolic faith and the community life of the early church And become a community of God's redeemed people who follow the principles of his Kingdom This is the true life and witness of the church
