Kingdom Sayings Of Jesus:

The Kingdom Sayings of Jesus Denise L. Stringer, 2003 Small group study explores the historical social and religious contexts for the Kingdom teachings of Jesus The Kingdom Within John A. Sanford, 2010-09-07 A psychoanalyst and episcopal priest presents a Jungian understanding of Christ's teaching in this revised edition of a spiritual classic By showing how Jesus teachings relate to our inner depths The Kingdom Within guides us toward a more conscious and creative life John A Sanford explores the significance of Jesus teachings for our interior life that inner reality that Jesus called the kingdom of God It is Sanford's conviction that contemporary Christianity has overlooked this inner dimension of Jesus teachings and so has lost touch with the human soul Illustrated with case histories and dream material drawn from the author's work as a psychotherapist The Kingdom Within examines such characteristics as extroversion and introversion masculinity and femininity thinking and feeling and sensation and intuition to show how Jesus met the criteria of wholeness or fullness of personhood Step by step Sanford helps us to shed the outer mask to eschew sin which means living in enslavement to what we don't know about ourselves and to follow the road of consciousness which leads to a great treasure waiting only to be discovered The Coming Age , 1899 **The Expository Times** James Hastings, Ann Wilson Hastings, Edward Hastings, 1903 The Sayings of Jesus , 1975 **Jesus and the Kingdom of God** George Raymond Beasley-Murray, 1986

Spirit and Kingdom in the Writings of Luke and Paul Youngmo Cho, 2007-01-01 The relationship between Spirit and Kingdom is a relatively unexplored area in Lukan or Pauline studies This book offers a fresh perspective of two different biblical writers on the subject It explores the difference between Luke and Paul's understanding of the Spirit by examining the specific question of the relationship of the concept of the Spirit to the concept of the Kingdom of God in each writer

The Long Pilgrimage Thomas Edmund Harvey, 1921 **The Kingdom of God** Orson Pratt, 1848 **Going Global** Gary V Nelson, Gordon W. King, Terry Smith, 2011-05-01 The ways to be effective in global missions have changed The authors believe that content and values must undergird the North American local church's approach to global mission It is not enough to do something It is in fact possible to do all of the right things in all of the wrong ways with negative results It is also possible that mission over there can have as much or more on the church at home This book discusses common principles and practices that inform and energize local churches as they enter the global ministry arena This book will assist church leadership as they look for resources to help them balance the agenda of short term versus long term mission fund raising and the tension between evangelism and compassionate social ministry The King and the Kingdom , 1893 The Authenticity of the Parable of the Wheat and the Tares and Its Interpretation Ramesh Khatri, 2000-07 This thesis seeks to demonstrate the authenticity as dominical teaching of the parable of the darnel Mt 13 24 30 and its interpretation Mt 13 36 43 The interpretation in particular is almost universally regarded as non dominical notably by J Jeremias and his followers My thesis argues that the whole of Mt 13 36 43 and Mt 13 24 30 should be seen as dominical The introduction gives a brief

survey of parabolic studies and outlines the case against the authenticity of Mt 13 24 30 36 43 Chapter AI defends the authenticity of the parable Mt 13 24 30 The following chapters do the same for the interpretation Mt 13 36 43 looking at the Son of Man and related teaching chapter BI the kingdom of God BII righteousness and lawlessness BIII and other motifs BIV and finally the question of the coherence of the parable and its interpretation BV My approach has been negatively to demonstrate the weakness of the scholarly arguments against authenticity and positively to offer a case for authenticity via a study of background including special study of the rural Palestinian practices and of relevant Jewish theological ideas and a careful use of the criterion of multiple attestation which demonstrates that our material is linguistically and theologically coherent with other well attested Jesus tradition The originality of the work lies apart from anything else in the fact that a full length defence of the authenticity of Mt 13 24 30 36 43 has not been attempted before But we have also brought to bear various insights canvassed in other contexts but not specifically in connexion with Mt 13 24 30 36 43 e g suggesting a background to the Son of Man tradition in Ezekiel and the Similitudes of Enoch making use of the Old Testament concept of God as farmer explaining the agricultural background to the parable and interpretation **The Quest for Plausible**

Christian Discourse in a World of Pluralities Younhee Kim,2008 This book critically examines David Tracy s well known methodology of fundamental theology namely his revisionist model as developed in his *Blessed Rage for Order* 1975 together with his methodological shifts through the 1980s 1990s and early 2000s It explores how successful he has been in constructing a methodology for the public theological discourse that he deems so necessary More particularly this book asks how serviceable this methodology is for articulating Christian discourse in an intelligible and public way in the contemporary context of religious plurality The Kingdom of God, Or, Christ's Teaching According to the Synoptical Gospels Alexander

Balmain Bruce,1891 **Kingdom of God in 20th-Century Interpretation** Wendell Willis,2020-10-23 Wendell Willis The Discovery of the Eschatological Kingdom Johannes Weiss and Albert Schweitzer Richard H Hiers Jr Pivotal Reactions to the Eschatological Interpretations Rudolf Bultmann and C H Dodd Eldon Jay Epp Mediating Approaches to the Kingdom Werner Georg K mmel and George Eldon Ladd W Emory Elmore Linguistic Approaches to the Kingdom Amos Wilder and Norman Perrin Dale Patrick The Kingdom of God in the Old Testament John J Collins The Kingdom of God in the Apocrypha and Pseudepigrapha B T Viviano OP The Kingdom of God in the Qumran Literature J Ramsay Michaels The Kingdom of God and the Historical Jesus Ron Farmer The Kingdom of God in the Gospel of Matthew M Eugene Boring The Kingdom of God in Mark Robert O Toole SJ The Kingdom of God in Luke Acts Robert Hodgson Jr The Kingdom of God in the School of St John Karl Paul Donfried The Kingdom of God in Paul Everett Ferguson The Kingdom of God In Early Patristic Literature

Loyalty to the Kingdom of Christ Sven Pearl Johanson,2004 The strength of this book lies in the fact that Johanson concretely discusses issues involving conflict of loyalty facing Christians today in society and in politics **The Expository Times** ,1894 **Baptist Traditions and Q** Clare K. Rothschild,2005 Clare K Rothschild offers the first comprehensive

examination of why current models of Q feature traditions concerning John the Baptist both prominently and favorably A close hermeneutical investigation of the NT Gospels including literary phenomena such as the double attribution of sayings to John and to Jesus contradictions among sayings of Jesus and significant thematic continuities between Baptist traditions and Q sayings on topics such as the Son of Man and Kingdom of God support the argument that at some point in the undoubtedly complex pre history of its redactions Q existed as a source of Baptist traditions exclusively This study also includes an important new interpretation of the Markan transfiguration narrative BOOK JACKET Friends' Intelligencer,1905 *Knowledge and the Coming Kingdom* Jonathan Schwiebert,2008-10-01 Schwiebert expertly examines the relationship between the Didache s meal ritual and the well known tradition of Jesus final meal
