Gething, Edoardo Albert, 2012-10-01 Northumbria was one of the great kingdoms of Britain in the Dark Ages enduring longer than the Roman Empire Yet it has been all but forgotten This book puts Northumbria back in its rightful place at the heart of British history From the impregnable fastness of Bamburgh Castle the kings of Northumbria ruled a vast area and held sway as High Kings of Britain From the tidal island of Lindisfarne extraordinary saints and learned scholars brought Christianity and civilization to the rest of the country Now thanks to the ongoing work of a dedicated team of archaeologists this story is

slowly being brought to light The excavations at Bamburgh Castle have revealed a society of unsuspected sophistication and elegance capable of creating swords and jewellery unparalleled before or since and works of art and devotion that still fill the beholder with wonder

Kingdom Challenges Hope for the Disquieted Soul Rhoda Benjamin,2020 Kingdom Challenges Hope for the Disquieted Soul is the second of The Kingdom Books collection comprising poetry with an underlying religious element The Kingdom concept implies God is ultimately the inspiration behind the book designed to bring hope comfort and peace to people currently experiencing challenging life events or who may have experienced such in the past There is an interactive segment for devotional purposes to address needs and help bring relief to readers in an individual or group context Some poems help bring awareness to the disturbing political culture that currently exists in the USA Today we find ourselves entangled in a political web where science is being sacrificed democracy is being destabilized truth is being traumatized COVID 19 is being politicized and organizations that once were respected and trustworthy have lost credibility for being manipulated and under the influence of political drama Unfortunately the integrity of the voting process has also been brutalized with lies by individuals in top positions It is my desire and expectation that this book will powerfully serve the purpose for which it was written to present a brighter future of hope for those who have and are experiencing soul trauma to enable them to live a holistic and fulfilled life not only in this world but also in the world to come in God s kingdom
