

Kings Theatre 1704 1867 Londons First Opera House

Thomas McGeary

Kings Theatre 1704-1867 London's First Opera House:

The King's Theatre, 1704-1867 Daniel Nalbach, 1972

London Opera Observed 1711-1844 Michael

Burden, 2024-07-31 The thrust of these five volumes is contained in their title London Opera Observed It takes its cue from the numerous texts and volumes which during the seventeenth eighteenth and nineteenth centuries used the concept of spying or observing by a narrator or rambler as a means of establishing a discourse on aspects of London life The material in this five volume reset edition examines opera not simply as a genre of performance but as a wider topic of comment and debate The stories that surrounded the Italian opera singers illuminate contemporary British attitudes towards performance sexuality and national identity The collection includes only complete published material organised chronologically so as to accurately retain the contexts in which the original readers encountered them placing an emphasis on rare texts that have not been reproduced in modern editions The aim of this collection is not to provide a history of opera in England but to facilitate the writing of them or to assist those wishing to study topics within the field Headnotes and footnotes establish the publication information and provide an introduction to the piece its author and the events surrounding it or which caused its publication The notes concentrate on attempting to identify those figures mentioned within the texts The approach is one of presentation not interpretation ensuring that the collection occupies a position that is neutral rather than polemical

London Opera Observed 1711-1844, Volume I Michael Burden, 2024-08-23 The thrust of these five volumes is contained in their title London Opera Observed It takes its cue from the numerous texts and volumes which during the seventeenth eighteenth and nineteenth centuries used the concept of spying or observing by a narrator or rambler as a means of establishing a discourse on aspects of London life The material in this five volume reset edition examines opera not simply as a genre of performance but as a wider topic of comment and debate The stories that surrounded the Italian opera singers illuminate contemporary British attitudes towards performance sexuality and national identity The collection includes only complete published material organised chronologically so as to accurately retain the contexts in which the original readers encountered them placing an emphasis on rare texts that have not been reproduced in modern editions The aim of this collection is not to provide a history of opera in England but to facilitate the writing of them or to assist those wishing to study topics within the field Headnotes and footnotes establish the publication information and provide an introduction to the piece its author and the events surrounding it or which caused its publication The notes concentrate on attempting to identify those figures mentioned within the texts The approach is one of presentation not interpretation ensuring that the collection occupies a position that is neutral rather than polemical

The Cambridge History of British Theatre Jane Milling, Peter

Thomson, Joseph Walter Donohue (Jr.), 2004 Publisher Description

First Nights at the Opera Thomas Forrest

Kelly, 2006-05-01 A renowned music scholar narrates the social history of European opera during its golden age in the 18th and 19th centuries by taking readers behind the scenes at the premiere performances of five extraordinary and influential

operas 88 illustrations *Opera and Politics in Queen Anne's Britain, 1705-1714* Thomas McGeary, 2022 Explores the political meanings that Italian opera its composers agents and institutions had for audiences in eighteenth century Britain The reign of Queen Anne 1702 1714 was pivotal for both politics and opera in Britain In this study Thomas McGeary brings together a wide range of sources to show how the worlds of politics and opera were entwined The associations that Italian singing and singers acquired by the 1690s were used in partisan Whig Tory writings Rather than a foreign invasion McGeary shows how the introduction of Italian style opera was a native product that grew out of plans for a new theatre in the Haymarket A crucial event for opera was Handel s arrival in London in 1710 While the criticism of opera by Whig writers such as Richard Steele and Joseph Addison is well known McGeary uncovers how the early promotion and sponsorship of opera was in fact largely a Whig enterprise and cultural program Indeed major political figures mostly Whigs participated in the support and patronage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period nage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period nage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period nage of opera Opera and Politics in Queen Anne s Britain will be required reading for opera scholars and cultural and political historians of eighteenth century Britain as well those interested in the vibrant literature culture of the period Romantic and Revolutionary Theatre, 1789-1860 Donald Roy, 2003-06-05 Taking as notional parameters the upheaval of the French Revolution and the events leading up to the Unification of Italy this volume charts a period of political and social turbulence in Europe and its reflection in theatrical life Apart from considering external factors like censorship and legal sanctions on theatrical activity the volume examines the effects of prevailing operational conditions on the internal organization of companies their repertoire acting stage presentation playhouse architecture and the relationship with audiences Also covered are technical advances in stage machinery scenography and lighting the changing position of the playwright and the continuing importance of various street entertainments particularly in Italy where dramatic theatre remained the poor relation of the operatic and itinerant acting troupes still constituted the norm The 460 documents many of them illustrated have been drawn from sources in Britain France and Italy and have been annotated and translated where appropriate

Opera and British Print Culture in the Long Nineteenth Century Christina Fuhrmann, 2023-02-16 Winner of the 2024 H Robert Cohen RIPM Award from the American Musicological Society Recently studies of opera of print culture and of music in Britain in the long nineteenth century have proliferated This essay collection explores the multiple point of interaction among these fields Past scholarship often used print as a simple conduit for information about opera in Britain but these

essays demonstrate that print and opera existed in a more complex symbiosis This collection embeds opera within the culture of Britain in the long nineteenth century a culture inundated by print The essays explore how print culture both disseminated and shaped operatic culture how the businesses of opera production and publishing intertwined how performers and impresarios used print culture to cultivate their public persona how issues of nationalism class and gender impacted reception in the periodical press and how opera intertwined with literature not only drawing source material from novels and plays but also as a plot element in literary works or as a point of friction in literary circles As the growth of digital humanities increases access to print sources and as opera scholars move away from a focus on operas as isolated works this study points the way forward to a richer understanding of the intersections between opera and print culture *Samuel Wesley Philip*

Olleson,2003 This book draws on letters family papers and other contemporary documents to offer a full study of Wesley his music and his life and times Jacket **Opera as Anthropology** Vlado Kotnik,2016-09-23 This book contemplates the relationship between opera and anthropology It rests on the following central arguments on the one hand opera is quite a new and exotic topic for anthropologists while on the other anthropology is still perceived as an unusual approach to opera Both initial arguments are indicative of the current situation of the relationship between anthropological discipline and opera research The book introduces the work of anthropologists and ethnographers whose personal and professional affinity for opera has been explicated in their academic and biographical accounts Anthropological ethnological ethnographic and semiotic accounts of opera by Claude L vi Strauss Michel Leiris William O Beeman Denis Laborde Paul Atkinson and Philippe Joseph Salazar establish that opera can be a pertinent object of anthropological interest ethnographic investigation cultural analysis and historical reflection By touching on opera not merely as a musical aesthetic or artistic category but as a social cultural historical and transnational phenomenon that over the last four centuries has significantly influenced and reflected the identity of Western culture and society this monograph suggests that opera and anthropology no longer need be alien to one another *Domenico Dragonetti in England (1794-1846)* Fiona M. Palmer,1997-11-13 Dragonetti devoted his life to the double bass His career in England 1794 1846 is one of the most remarkable success stories in the annals of musical history His unprecedented virtuosity elevated the double bass to a new status In combination with his charismatic personality his musical talent dominated the English cultural world for more than fifty years As performer composer collector and friend he exposed the unforeseen potential of the double bass His formidable talent as a musician and businessman provides an unusual insight into nineteenth century entrepreneurship This first substantial biography and assessment of Dragonetti s career allows us to understand his importance in the history of music in general and of double bass performance in particular

The French Revolution and the London Stage, 1789-1805 George Taylor,2000 This 2001 book looks at how British drama and popular entertainment were affected by the French Revolution and Napoleonic Wars *Reader's Guide to British History* David Loades,2020-12-17 The Reader sGuide to British History is the essential source to secondary material on

British history This resource contains over 1 000 A Z entries on the history of Britain from ancient and Roman Britain to the present day Each entry lists 6 12 of the best known books on the subject then discusses those works in an essay of 800 to 1 000 words prepared by an expert in the field The essays provide advice on the range and depth of coverage as well as the emphasis and point of view espoused in each publication

London Opera Observed 1711-1844, Volume IV Michael Burden, 2024-08-01 The thrust of these five volumes is contained in their title London Opera Observed It takes its cue from the numerous texts and volumes which during the seventeenth eighteenth and nineteenth centuries used the concept of spying or observing by a narrator or Rambler as a means of establishing a discourse on aspects of London life The material in this five volume reset edition examines opera not simply as a genre of performance but as a wider topic of comment and debate The stories that surrounded the Italian opera singers illuminate contemporary British attitudes towards performance sexuality and national identity The collection includes only complete published material organised chronologically so as to accurately retain the contexts in which the original readers encountered them placing an emphasis on rare texts that have not been reproduced in modern editions The aim of this collection is not to provide a history of opera in England but to facilitate the writing of them or to assist those wishing to study topics within the field Headnotes and footnotes establish the publication information and provide an introduction to the piece its author and the events surrounding it or which caused its publication The notes concentrate on attempting to identify those figures mentioned within the texts The approach is one of presentation not interpretation ensuring that the collection occupies a position that is neutral rather than polemical

Vincent Novello (1781-1861) Fiona M. Palmer, 2017-02-10 Today Vincent Novello 1781 1861 is remembered as the father of the music publishing firm Fiona Palmer's evaluation of Novello the man and the musician in the marketplace draws on rich primary sources It is the first to provide a rounded view of his life and work and the nature of his importance both in his own time and to posterity Novello's early musical training particularly his experience of music making in London's embassy chapels influenced him profoundly His practical experience as director of music at the Portuguese Embassy Chapel in Mayfair informed his approach to editing and arranging Fundamental moral and social attitudes underpinned Novello's progress Ideas on religion education and the function of family and friendship within society shaped his life choices The Novello family lived in turbulent times and was widely read discussing politics and religion and not only the arts at its social gatherings Within Vincent and Mary Novello's close circle were radical thinkers with republican views such as Leigh Hunt and Charles Cowden Clarke who saw sociability as a means of reorganizing society Thematic studies focus on Novello as practical musician and educator as editor and as composer His connections with institutions such as the Covent Garden and Pantheon Theatres the Philharmonic Society and Moorfields Chapel together with his adjudicating and teaching activities are examined In his wide ranging editorial work Novello found his true vocation positioning himself as preservationist pioneer and philanthropist His work as composer though unremarkable in quality mirrored the demands and expectations of his

consumers Novello emerges from this study as a visionary who single mindedly pursued greater musical knowledge for the benefit of everyone

Chopin in Britain Peter Willis, 2017-12-14 In 1848 the penultimate year of his life Chopin visited England and Scotland at the instigation of his aristocratic Scots pupil Jane Stirling In the autumn of that year he returned to Paris The following autumn he was dead Despite the fascination the composer continues to hold for scholars this brief but important period and his previous visit to London in 1837 remain little known In this richly illustrated study Peter Willis draws on extensive original documentary evidence as well as cultural artefacts to tell the story of these two visits and to place them into aristocratic and artistic life in mid nineteenth century England and Scotland In addition to filling a significant hole in our knowledge of the composer's life the book adds to our understanding of a number of important figures including Jane Stirling and the painter Ary Scheffer The social and artistic milieu of London Manchester Glasgow and Edinburgh are brought to vivid life

Before the Baton Peter Holman, 2020 This book investigates the ways large scale music was directed or conducted in Britain before baton conducting took hold in the 1830s After surveying practice in Italy Germany and France from Antiquity to the eighteenth century the focus is on direction in two strands of music making in Stuart and Georgian Britain choral music from Restoration cathedrals to the oratorio tradition deriving from Handel and music in the theatre from the Jacobean masque to nineteenth century opera ending with an account of how modern baton conducting spread in the 1830s from the pit of the Haymarket Theatre to the Philharmonic Society and to large scale choral music Part social and musical history based on new research into surviving performing material documentary sources and visual evidence and part polemic intended to question the use of modern baton conducting in pre nineteenth century music Before the Baton throws new light on many hitherto dark areas though the heart of the book is an extended discussion of the evidence relating to Handel's operas oratorios and choral music Contrary to near universal modern practice he mostly preferred to play rather than beat time PETER HOLMAN is Emeritus Professor of Historical Musicology at Leeds University When not occupied with writing and research he organises performances of seventeenth and eighteenth century music mostly directing them from the keyboard He is director of The Parley of Instruments Leeds Baroque the Suffolk Villages Festival and the annual Baroque Summer School run by Cambridge Early Music

British Theatre and the Other Arts, 1660-1800 Shirley Strum Kenny, 1984 Fifteen outstanding scholars of theater music art and literature explore the interrelations of eighteenth century British theater and the various art forms that it incorporated into itself The essays examine the theater's increasing reliance on set designers costumers musicians and composers poets dramatists and librettists focusing on the ways in which this dependence fundamentally changed the theater Illustrated

Operatic Migrations Downing A. Thomas, 2017-07-05 This volume takes an interdisciplinary approach to studying a wide range of subjects associated with the creation performance and reception of opera in varying social and historical contexts from the eighteenth to the twentieth centuries Each essay addresses migrations between genres cultures literary and musical works

modes of expression media of presentation and aesthetics Although the directions the contributions take are diverse they converge in significant ways particularly with the rebuttal of the notion of the singular nature of the operatic work The volume strongly asserts that works are meaningfully transformed by the manifold circumstances of their creation and reception and that these circumstances have an impact on the life of those works in their many transformations and on a given audience's experience of them Topics covered include transformations of literary sources and their migration into the operatic genre works that move across geographical and social boundaries into different cultural contexts movements between media and or genre as well as alterations through interpretation and performance of the composer's creation the translation of spoken theatre to lyric theatre the theoretical issues contingent on the rendering of speech into song and the transforming effects of aesthetic considerations as they bear on opera Crossing over disciplinary boundaries between music literary studies history cultural studies and art history the volume enriches our knowledge and understanding of the operatic experience and the works The book will therefore appeal to those working in the field of music literary and cultural studies and to those with a particular interest in opera and musical theatre

Culture in Eighteenth-Century England Jeremy Black, 2007-02-01 He also shows the different currents at work belying any simple picture of England and the English as confident and self-assured

Kings Theatre1704 1867 Londons First Opera House Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Kings Theatre1704 1867 Londons First Opera House, especially related to Kings Theatre1704 1867 Londons First Opera House, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Kings Theatre1704 1867 Londons First Opera House, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Kings Theatre1704 1867 Londons First Opera House books or magazines might include. Look for these in online stores or libraries. Remember that while Kings Theatre1704 1867 Londons First Opera House, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Kings Theatre1704 1867 Londons First Opera House eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While

this might not be the Kings Theatre1704 1867 Londons First Opera House full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Kings Theatre1704 1867 Londons First Opera House eBooks, including some popular titles.

FAQs About Kings Theatre1704 1867 Londons First Opera House Books

What is a Kings Theatre1704 1867 Londons First Opera House PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Kings Theatre1704 1867 Londons First Opera House PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Kings Theatre1704 1867 Londons First Opera House PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Kings Theatre1704 1867 Londons First Opera House PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Kings Theatre1704 1867 Londons First Opera House PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
