Cultural Production and the Politics of Women's Work in American Literature and Film Polina Kroik,2019-01-21 Cultural Production and the Politics of Women s Work in American Literature and Film emphasizes the interrelation among women s workplace roles modes of authorship and processes of subject formation pointing to some of the reasons for the persistence of limiting gender roles and occupational hierarchies that arose during the first 60 years of the 20th century The book interrogates three common narratives The rise of Fordism as a masculine mode of production and the transition to an era of feminized work women s liberation through the sexual revolutions and the rise of a new form of literary authorship Conversely it suggests that women s labor was integral to the operations of the Fordist business sphere where unlike at the

factory the white collar office proletarian work was casualized and feminized This book argues that this workplace was an important site of subject formation affirming dominant ideologies through economic practices Analyzing work by Sinclair Lewis Nella Larsen Anita Loos and Sylvia Plath the book presents an alternative history of American modernism one that is more attuned to gendered discourses of labor and class By looking at the micropolitics of power within cultural institutions this study moves beyond the dichotomies of exclusion inclusion to interrogate the terms on which women and minorities worked as producers and the ideas and experiences that consequently entered the field of intelligibility **Women**

Adapting Bethany Wood,2019-05-29 When most of us hear the title Gentlemen Prefer Blondes we think of Marilyn Monroe and Jane Russell s iconic film performance Few however are aware that the movie was based on Anita Loos s 1925 comic novel by the same name What does it mean Women Adapting asks to translate a Jazz Age blockbuster from book to film or stage What adjustments are necessary and what if anything is lost Bethany Wood examines three well known stories that debuted as women s magazine serials Gentlemen Prefer Blondes Edith Wharton s The Age of Innocence and Edna Ferber s Show Boat and traces how each of these beloved narratives traveled across publishing theatre and film through adaptation She documents the formation of adaptation systems and how they involved women s voices and labor in modern entertainment in ways that have been previously underappreciated What emerges is a picture of a unique window of time in the early decades of the twentieth century when women in entertainment held influential positions in production and management These days when filmic adaptations seem endless and perhaps even unoriginal Women Adapting challenges us to rethink the popular platitude The book is always better than the movie **Encyclopedia of American Humorists**

Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature **Reclaiming the Archive** Vicki Callahan,2010 Illustrates the rich relationship between

film history and feminist theory Reclaiming the Archive Feminism and Film History brings together a diverse group of international feminist scholars to examine the intersections of feminism history and feminist theory in film Editor Vicki Callahan has assembled essays that reflect a range of methodological approaches including archival work visual culture reception studies biography ethno historical studies historiography and textual analysis by a diverse group of film and media studies scholars to prove that feminist theory film history and social practice are inevitably and productively intertwined

Essays in Reclaiming the Archive investigate the different models available in feminist film history and how those feminist strategies might serve as paradigmatic for other sites of feminist intervention Chapters have an international focus and range chronologically from early cinema to post feminist texts organized around the key areas of reception stars and authorship A final section examines the very definitions of feminism post feminism cinema transmedia and archives virtual and online in place today The essays in Reclaiming the Archive prove that a significant heritage of film studies lies in the study of feminism in film and feminist film theory Scholars of film history and feminist studies will appreciate the breadth of work in this volume

Paul Bern E.J. Fleming, 2009-03-23 Paul Bern known throughout the movie business as Hollywood's Father Confessor earned a reputation for being a loyal and supportive friend and for becoming one of MGM's most respected and creative directors After his death though he was said to have grown so depressed and despondent over his own apparent sexual inadequacies that he committed suicide and he would be denounced for attempting to rape his new bride Jean Harlow In this biography the author uncovers startling new facts and argues that MGM knew the real story of Bern's death that an estranged mentally ill common law wife murdered him MGM understood that the earlier spouse rendered Bern's marriage to Harlow its fastest rising star ambiguous if not bigamous so the studio staged a suicide and embarked on a very public tarnishing of his memory Included are 93 rare photos many lost for decades along with three appendices examining the handwriting on an alleged suicide note and Bern's will and estate

Louis B. Mayer and Irving Thalberg Kenneth Turan, 2025-02-04 Kenneth Turan brings to life the extraordinary partnership of Louis B Mayer and Irving Thalberg and their role in creating the film industry as we know it One was a tough junkman's son the other a cosseted mama's boy but they dreamed the same mighty dream that the right movies could make a profit and change both the culture and individual lives Sharing a religion and an evangelical zeal for film Louis B Mayer 1884-1957 and Irving Thalberg 1899-1936 were unlikely partners in one of the most significant collaborations in movie history Over the course of their decade long relationship as key players at Metro Goldwyn Mayer and major players in Hollywood they joined forces in redefining and mastering the template for the film industry Mayer older by more than a dozen years was the business minded face of the studio while Thalberg worked closely with the creative corps especially writers together they rarely set a foot wrong And while Mayer initially viewed Thalberg as the son he never had the two would go from passionate friends to near enemies before Thalberg's shocking death at the age of thirty seven In the first joint biography of the two men in fifty years film critic Kenneth Turan traces their fraught relationship while examining the complicated history of Jewish identity in Hollywood

Captain of Her Soul Lara Gabrielle, 2022-09-27 Northern California Book Awards Shortlist The comprehensive critical biography of silent screen star Marion Davies who fittingly referred to herself as the captain of my soul From Marion Davies's humble days in Brooklyn to her rise to fame alongside press baron William Randolph Hearst the public life story of the film star plays like a modern fairy tale shaped by gossip columnists fan magazines biopics and documentaries Yet the real Marion Davies

remained largely hidden from view as she was wary of interviews and trusted few with her true life story In Captain of Her Soul Lara Gabrielle pulls back layers of myth to show a complex and fiercely independent woman ahead of her time who carved her own path Through meticulous research unprecedented access to archives around the world and interviews with those who knew Davies Captain of Her Soul counters the public story This book reveals a woman who navigated disability and social stigma to rise to the top of a young Hollywood dominated by powerful men Davies took charge of her own career negotiating with studio heads and establishing herself as a top tier comedienne but her proudest achievement was her philanthropy and advocacy for children This biography brings Davies out of the shadows cast by the Hearst legacy shedding light on a dynamic woman who lived life on her own terms and declared that she was the captain of her soul What Happens Next Marc Norman,2008-09-30 Fascinating Los Angeles Times A brilliant wildly entertaining history of Hollywood from the screenwriters perspective In this truly fresh take on the movies veteran Oscar winning screenwriter Marc Norman gives us the first comprehensive history of the men and women who penned some of the greatest movies of all time Impeccably researched erudite and filled with unforgettable stories of the stars and scribes amateurs and auteurs directors producers and legendary moguls What Happens Next is a unique and engrossing narrative of the quintessential art form of our time Gloria Swanson Stephen Michael Shearer,2013-08-27 Gloria Swanson defined what it meant to be a movie star but her unforgettable role in Sunset Boulevard overshadowed the true story of her life Now Stephen Michael Shearer sets the record straight in the first in depth biography of the film legend Swanson was Hollywood s first successful glamour queen Her stardom as an actress in the mid 1920s earned her millions of fans and millions of dollars Realizing her box office value early in her career she took control of her life Soon she was not only producing her own films she was choosing her scripts selecting her leading men casting her projects creating her own fashions guiding her publicity and living an extravagant and sometimes extraordinary celebrity lifestyle She also collected a long line of lovers including Joseph P Kennedy and married men of her choosing including a French marquis thus becoming America s first member of nobility As a devoted and loving mother she managed a quiet success of raising three children Perhaps most important as a keen businesswoman she also was able to extend her career more than sixty years Her astounding comeback as Norma Desmond in Billy Wilder s Sunset Boulevard catapulted her back into the limelight But it also created her long misunderstood persona one that this meticulous biography shows was only part of this independent and unparalleled woman **Zelda Fitzgerald** Sally Cline,2013-07-04 Zelda Fitzgerald along with her husband F Scott Fitzgerald is remembered above all else as a personification of the style and glamour of the roaring twenties an age of carefree affluence such as the world has not seen since But along with the wealth and parties came a troubled mind at a time when a woman exploiting her freedom of expression was likely to attract accusations of insanity After 1934 Zelda spent most of her life in a mental institution outliving her husband by few years she died in a fire as she was awaiting electroconvulsive therapy in a sanatorium Zelda s story has often been told by detractors

who would cast her as a parasite in the marriage most famously Ernest Hemingway accused her of taking pleasure in blunting her husband's genius when she wrote her autobiographical novel Fitzgerald himself complained she had used his material But was this fair when Fitzgerald's novels were based on their life together Sally Cline's biography first published in 2003 makes use of letters journals and doctor's records to detail the development of their marriage and to show the collusion between husband and doctors in a misdirected attempt to cure Zelda's illness Their prescription no dancing no painting and above all no writing left her creative urges with no outlet and was bound to make matters worse for a woman who thrived on the expression of allure and wealth **Gentlemen Prefer Blondes and But Gentlemen Marry Brunettes** Anita

Kiss Hollywood Good By Introduction

In today's digital age, the availability of Kiss Hollywood Good By books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Kiss Hollywood Good By books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Kiss Hollywood Good By books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Kiss Hollywood Good By versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Kiss Hollywood Good By books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Kiss Hollywood Good By books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Kiss Hollywood Good By books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Kiss Hollywood Good By books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
