**Kiss of the Cannibal** Lewis Carey, 1980-05-01      *The Cannibal Within* Mark Mirabello, 2005-02 They raped me and ate my friend alive Thus starts this work of erotic horror fiction filled with sacrilege blasphemy and crime written in a style that is part H P Lovecraft part Marquis de Sade and part Octave Mirbeau *The Cannibal Within* is literally wet with sin slippery with blood and slimy with fornication The novel's central character is part Lara Croft part Sarah Connor She We has a choice the evil may be patiently borne or savagely resisted We may think we are special holy honoured valued God's chosen primates but that is a fraud The dupes of superhuman forces we are misfits and abominations We have no higher purpose no saviour god died for our sins we exist only because our masters are infatuated with our meat      *Cannibal Killers* Moira Martingale, 1995-08-15 This chilling book takes a look at history's most repugnant criminals the monsters who murder mutilate and carry out the most gruesome unimaginable act of all eating the flesh of their victims of photos Reissue      *A History of Cannibalism* Nathan Constantine, 2006-06-26 Desperation duty and desire the three primary motives for breaking what is the oldest taboo in the Western world cannibalism This book investigates all three and presents startling evidence that will challenge cultural and moral perceptions as never before It explains how in some societies duty cannibalism has been integral to existence and viewed as both necessary and socially acceptable If most people find such a concept difficult to comprehend they might just be able to reserve judgement on those driven to eat companions out of sheer desperation in order to survive But by far the most disturbing of the three types is desire cannibalism practiced by men such as Albert Fish and Ed Gein who ate human flesh simply because they wanted to If the second type of cannibalism shows what we humans are capable of under extreme stress this third gives a chilling insight into what some of us require for emotional and sexual gratification *A History of Cannibalism* treats seriously and with great erudition and understanding a subject that causes many people to recoil in horror and disbelief It examines the various and sometime conflicting motives and assesses the background to many notorious cases It offers no easy answers but a fascinating insight into the forces that lie deep within the human psyche      **The Kiss of Death** Andrea Kitta, 2019-10-15 Disease is a social issue not just a medical issue Using examples of specific legends and rumors *The Kiss of Death* explores the beliefs and practices that permeate notions of contagion and contamination Author Andrea Kitta offers new insight into the nature of vernacular conceptions of health and sickness and how medical and scientific institutions can use cultural literacy to better meet their communities needs Using ethnographic media and narrative analysis this book explores the vernacular explanatory models used in decisions concerning contagion to better understand the real fears risks concerns and doubts of the public Kitta explores immigration and patient zero zombies and vampires Slender Man HPV and the kiss of death legend as well as systematic racism homophobia and misogyny in North American culture to examine the nature of contagion and contamination Conversations about health and risk cannot take place without considering positionality and intersectionality In *The Kiss of Death* Kitta

**Cannibal Kiss** Daniel Odier, 1989 *Interview with a Cannibal* Gunter Stampf, 2008 If you saw him in the street he wouldn't rate a second glance Armin Meiwes looks ordinary but he's not Meiwes is a cannibal In March 2001 he killed a man and ate him with a glass of fine red wine When a shocked worldwide public learned of this inconceivable crime they had one simple question Why In *Interview With A Cannibal* we begin to understand how two hitherto respectable and intelligent men Armin Meiwes and Bernd Brandes made an unwritten agreement in which one of them butchered the other at his request and consumed him piece by piece

**Dinner with a Cannibal** Carole A Travis-Henikoff, 2008-03-01 Presenting the history of cannibalism in concert with human evolution *Dinner with a Cannibal* takes its readers on an astonishing trip around the world and through history examining its subject from every angle in order to paint the incredible multifaceted panoply that is the reality of cannibalism At the heart of Carole A Travis Henikoff's book is the question of how cannibalism began with the human species and how it has become an unspeakable taboo today At a time when science is being battered by religions and failing teaching methods *Dinner with a Cannibal* presents slices of multiple sciences in a readable understandable form nested within a wealth of data With history paleoanthropology science gore sex murder war culinary tidbits medical facts and anthropology filling its pages *Dinner with a Cannibal* presents both the light and dark side of the human story the story of how we came to be all the things we are today

**Cannibal Metaphysics** Eduardo Viveiros de Castro, 2015-11-01 The iconoclastic Brazilian anthropologist and theoretician Eduardo Viveiros de Castro well known in his discipline for helping initiate its ontological turn offers a vision of anthropology as the practice of the permanent decolonization of thought After showing that Amazonian and other Amerindian groups inhabit a radically different conceptual universe than ours in which nature and culture human and nonhuman subject and object are conceived in terms that reverse our own he presents the case for anthropology as the study of such other metaphysical schemes and as the corresponding critique of the concepts imposed on them by the human sciences Along the way he spells out the consequences of this anthropology for thinking in general via a major reassessment of the work of Claude Lévi-Strauss arguments for the continued relevance of Deleuze and Guattari dialogues with the work of Philippe Descola Bruno Latour and Marilyn Strathern and inventive treatments of problems of ontology translation and transformation Bold unexpected and profound *Cannibal Metaphysics* is one of the chief works marking anthropology's current return to the theoretical center

stage     *Stanley* Tim Jeal, 2011-10-06 Henry Morton Stanley was a cruel imperialist a bad man of Africa Or so we think but as Tim Jeal brilliantly shows the reality of Stanley s life is yet more extraordinary Few people know of his dazzling trans Africa journey a heart breaking epic of human endurance which solved virtually every one of the continent s remaining geographical puzzles With new documentary evidence Jeal explores the very nature of exploration and reappraises a reputation in a way that is both moving and truly majestic     *Interdisciplinary Essays on Cannibalism* Giulia Champion, 2021-04-21 *Interdisciplinary Essays on Cannibalism* Bites Here and There brings together a range of works exploring the evolution of cannibalism literally and metaphorically diachronically and across disciplines This edited collection aims to promote a conversation on the evolution and the different uses of the tropes and figures of cannibalism in order to understand and deconstruct the fascination with anthropophagy its continued afterlife and its relation to different disciplines and spaces of discourse In order to do so the contributing authors shed a new light not only on the concept but also propose to explore cannibalism through new optics and theories Spanning 15 chapters the collection explores cannibalism across disciplines and fields from Antiquity to contemporary speculative fiction considering history anthropology visual and film studies philosophy feminist theories psychoanalysis and museum practices This collection of thoughtful and thought provoking scholarly contributions suggests the importance of cannibalism in understanding human history and social relations     **The Complete Short Stories of James Purdy** James Purdy, 2013-07-15 Collected here for the first time are the complete short stories of a singular American visionary New York Times The publication of *The Complete Short Stories of James Purdy* is a literary event that marks the first time all of James Purdy s short stories fifty six in number including seven drawn from his unpublished archives have been collected in a single volume As prolific as he was unclassifiable James Purdy was considered one of the greatest and most underappreciated writers in America in the latter half of the twentieth century Championed by writers as diverse as Dame Edith Sitwell Gore Vidal Paul Bowles Tennessee Williams Carl Van Vechten John Cowper Powys and Dorothy Parker Purdy s vast body of work has heretofore been relegated to the avant garde fringes of the American literary mainstream His unique form and variety of style made the Ohio born Purdy impossible to categorize in standard terms though his unique mercurial talent garnered him a following of loyal readers and made him in the words of Susan Sontag one of the half dozen or so living American writers worth taking seriously Purdy s journey to recognition came with as much outrage and condemnation as it did lavish praise and lasting admiration Some early assessments even dismissed his work as that of a disturbed mind while others acclaimed the very same work as healing and transformative Purdy s fiction was considered so uniquely unsettling that his first book *Don t Call Me by My Right Name* a collection of short stories all reprinted in this edition had to be printed privately in the United States in 1956 after first being published in England Best known for his novels *Malcolm Cabot* *Wright Begins* *Jeremy s Version* and *Eustace Chisholm* and the Works Purdy captured an America that was at once highly realistic and deeply symbolic a landscape filled with social outcasts living

in crisis and longing for love characterized by his dark sense of humor and unflinching eye Love disillusionment the collapse of the family ecstatic longing sharp inner pain and shocking eruptions of violence pervade the lives of his characters in stories that anticipate both David Lynch and *Desperate Housewives* *Guardian In Color of Darkness* for example a lonely child attempts to swallow his father's wedding ring in *Eventide* the anguish of two sisters over the loss of their sons is deeply felt in the summer heat and in the gothic horror of *Mr Evening* a young man is hypnotized and imprisoned by a predatory old woman These stories and many others both haunting and hilarious form a canvas of deep desperation and immanent sympathy as Purdy narrates the inexorable progress toward disaster in such a way that it's as satisfying and somehow life affirming as progress toward a happy ending Jonathan Franzen It may have taken over fifty years but American culture is finally in sync with James Purdy As John Waters writes in his introduction Purdy far from the fringe has been dead center in the black little hearts of provocateur hungry readers like myself right from the beginning

**The Solidarity of Kin** Kenneth M. Morrison, 2012-02-01 Arguing that Native Americans religious life and history have been misinterpreted author Kenneth M Morrison reconstructs the Eastern Algonkians world views and demonstrates the indigenous modes of rationality that shaped not only their encounter with the French but also their self directed process of religious change In reassessing controversial anthropological historical and ethnohistorical scholarship Morrison develops interpretive strategies that are more responsive to the religious world views of

the Eastern Algonkian peoples He concludes that the Eastern Algonkians did not convert to Catholicism but rather applied traditional knowledge and values to achieve a pragmatic and critical sense of Christianity and to preserve and extend kinship solidarity into the future The result was a remarkable intersection of Eastern Algonkian and missionary cosmologies     *The Autobiography of Edward Wortley Montagu* Edward Vaughan Kenealy, 188?     *The Refugees of Martinique* Eugène Sue, 1899
