Kissing Through a Pane of Glass Peter Michael Rosenberg, 1993      **Holding the Word** Bill Mowry, 2025-04-08 Watch the Bible come alive in your life like never before Many Christians long for a deeper more meaningful relationship with God's Word but engaging on our own with the Scriptures can be intimidating We rely on the writings of others to help us understand what it says or we read simply to gain information without allowing it to personally touch our lives But the Bible is a living breathing life changing book and God wants you to have a first hand encounter with Him through its pages In **Holding the Word** Bill Mowry offers good news you don't need a theological education to engage with Scripture Mowry unpacks five spiritual practices hearing reading studying memorizing and meditating that will help you personally encounter God every time you open your Bible This multi sensory relationally rich Bible reading and discipleship tool will transform your relationship with the Author of Scripture Discover a whole body experience of the Bible using your senses Learn from contemporary teaching and brain theory on why relational connection is so important for your walk with God Develop a lifestyle of integrating the Bible into every aspect of your daily life leading to personal transformation and spiritual growth and maturity Let God's Word saturate every aspect of your being Immerse yourself in the timeless truths of the Bible and discover the abundant life that comes from living and loving God's Word      **Short Stories Volume 4: 2015-2016** Matthew
