## **How To Perform The Great Mitzvah Of Bikur Cholim Visiting The Sick:**

**A Code of Jewish Ethics, Volume 2** Rabbi Joseph Telushkin, 2009-02-10 Jewish thinkers don't talk all that much about love. All too often we leave that to Christian theologians. But in this excellent volume Rabbi Joseph Telushkin puts the commandment to love at the center of Jewish theology and experience. This is a book that will change the way you think about and practice Judaism. Professor Ari L. Goldman, Columbia University and author of *The Search for God at Harvard*. Love your neighbor as yourself is the best known commandment in the Bible. Yet we rarely hear anyone talk about how to apply these words in daily life. In this landmark work Rabbi Joseph Telushkin, one of the premier scholars and thinkers of our time, gives both Jews and non-Jews an extraordinary summation of what Jewish tradition teaches about putting these words into practice. Writing with great clarity and simplicity as well as with deep wisdom, Telushkin covers topics such as love and kindness, hospitality, visiting the sick, comforting mourners, charity, relations between Jews and non-Jews, compassion for animals, tolerance, self-defense, and end-of-life issues. This second volume of the first major code of Jewish ethics written in the English language is breathtaking in its scope and will undoubtedly influence readers for generations to come. It offers hundreds of practical examples from the Torah, the Talmud, the Midrash, and both ancient and modern rabbinic commentaries, as well as contemporary anecdotes, all teaching us how to care for one another each and every day. **A Code of Jewish Ethics Volume 2: Love Your Neighbor as Yourself** is a consummate work of scholarship. Like its acclaimed predecessor, which received the National Jewish Book Award, it is rich with ideas to contemplate and discuss while being primarily a book to live by. Nothing could be more important in these strife-torn times than learning how to love our neighbors as ourselves. The message of this book is as vital and timely now as it has been since time immemorial.
