How To Raise Parents

Alice “Nikki” Johnson-Muhammad

How To Raise Parents:

How Children Raise Parents Dan B. Allender, 2005-02-15 Parenting with Humility We often realize that we learn as much from our children as they learn from us So why don t parents approach the task of child rearing as a learning experience rather than a mandate to make sure their kids succeed in life To reduce the pressure and enjoy greater closeness in your family turn your parenting upside down by allowing God to use your children to help you grow up Imagine what would happen if you began to prize what you re being taught by your children s quirks failures and normal childhood dilemmas rather than worrying about whether you re doing everything right as a parent Now you can let go of the pressure to make sure your children succeed and instead learn to grow into spiritual maturity by listening to your children **How to Raise Your Parents** Sarah O'Leary Burningham, 2011-04-29 Being a teen or the parent of a teen doesn t have to be so hard How to Raise Your Parents will help teens and their parents navigate those years between training bras and keys to the family car In a voice teens will relate to and parents will appreciate author Sarah O Leary Burningham offers smart advice about negotiation and parental hot buttons and a little insight about what the world looks like from a parent s point of view

Mama Nikki's Guide for Parents: "How to Raise a Healthy Sane Child" Alice "Nikki"

Johnson-Muhammad, 2006-10-29 There is no available information at this time **Raising Parents** Patricia M. Crittenden, 2013-04-03 This book provides a systematic account of parental behaviour and the means of identifying and addressing inadequate parenting It is intended for professionals who work with children or adults who were harmed as children and its central concern is with parents who endanger their children or whose children may endanger themselves or others Understanding and helping troubled parents to become secure and balanced people is of crucial importance for the parents themselves for their children and for society at large This book is a guide to understanding parents as people who have children as opposed to seeing them as existing solely in terms of their ability to fulfill their children s needs The book shares equally a respect for theory empirical science and social values and applications It aims to provide a springboard for new lines of research e g around the role of danger in eliciting inadequate parental behavior and the interdependency of parent and child behaviour as well as a guide for clinicians and professionals who must protect both disturbed individuals and the public to understand their clients patients better both parents and children Raising Parents will be essential reading for professionals and practitioners in the field including psychologists psychotherapists psychiatrists and social workers as well as those taking courses in attachment and psychopathology developmental psychology clinical psychology and behavioural courses in psychiatry *Raising Parents* Patricia Crittenden, 2017-09-19 Helping troubled parents to raise their children adequately is of crucial importance for parents their children and society at large Distressed parents have themselves often been endangered and as a consequence sometimes endanger their children either through maltreatment or through the effects of parental psychiatric disorder Raising Parents explains how that happens and clusters parents in terms

of the psychological processes that result in maladaptive childrearing The book then delineates DMM Integrative Treatment in terms of assessment formulation and treatment New formulations are offered for problems that have resisted treatment and cases demonstrate how the ideas can be applied in real treatment settings The book closes with 10 suggestions for improving professionals responses to troubled families and endangered children This edition of Raising Parents introduces DMM Integrative Treatment and demonstrates how to use it with vulnerable families DMM Integrative Treatment is an interpersonal process and this book will be essential reading for clinicians from all disciplines including psychiatry and psychology social work nursing and all types of psychotherapy

Raising Parents Louisa Ch'ng, 2020-11-09 We all have our own parenting journeys full of laughter and tears late night snuggling and early morning trainings exam prep and fun musicals Along this journey we as parents face so many questions How do we raise our girls to be strong guilt free women How to raise visionary ambitious respectful boys How to be a mum and still have a life This collection of stories tries to capture perspectives from Stay at Home Mums vs Career Mums perspectives from the West vs the East perspectives from Tiger Mums vs the more chilled Mums Women who have scaled the heights in the academia and the corporate worlds only to face the challenge of putting a baby to sleep and teaching an 8 year old Singapore maths Ranging in age from early thirties to mid fifties and scattered across the globe from Singapore to London to Silicon Valley and to Queenstown these mums reflect a spectrum of different upbringing from Malaysian Peranakan roots to British boarding schools with voices from Chinese French American and Russian families The result is an honest and heartfelt glimpse of parenthood today Special section included on the parenting journeys of dads

How to Raise Your Parents Marshieh Johnson, 2018-01-24 Are you cute and loveable Well if you are between the ages of zero to six you are You know the pure honest smiles and the touch tears words and body language that bring joy to any parent s heart Children force you to tap into these same child like actions and learn to approach each moment of your life with an open mind That is what Marshieh has done for us he is the glue that put the pieces back together again in our lives and mends our wounds This book is about how our kids raise us one day at a time inch by inch second by second minute by minute hour by hour until the end of the day

How to Raise a Man Megan de Beyer, 2020-02-01 In *How to Raise a Man* as you learn more about the development of masculinity identify your parenting style and familiarise yourself with the issues facing parenthood today you will become a more compassionate centred and effective parent In this era of metoo and allmenaretrash it s evident that something is going wrong with the way men progress from childhood into adulthood and few realise how critical the role of the purposeful and emotionally empowered mother is in a boy s journey to maturity So what does all this mean for you as the mother of an adolescent boy Like it or not mom your son is Generation Z He has been adored and treasured photo graphed and recorded Many of his generation of adolescents are outwardly assertive and outspoken and have good boundaries yet inwardly they are full of paradoxes And they are confusing to manage your GenZ rules you They are clever But as a mother you need to be smarter Teenagers need

centred adults to guide them Confident capable adults should never overreact sulk withdraw or blame and if you find yourself resorting to this behaviour it is time to reset your parenting methods If you are confused or irritated by your pre teen or teenage son or feel bewildered and hurt by his behaviour this book will guide you to a clear understanding of teenagers in general and teenage boys in particular Written by a parenting expert and drawing on Western psychology as well as Eastern philosophy the processes and ideas in this practical guide will help you raise the man you want your son to be *A Practical Guide for Raising a Self-Directed and Caring Child* Louis J. Lichtman,2011-04-29 Countering the Tiger Mother parenting style this research based practical guide provides an excellent framework for raising competent and compassionate children In an era of helicopter parents moms and dads who constantly hover over their children to monitor and manage their lives and our cultures focus on personal gain and corporate greed there is great need for a parenting guide that outlines how to raise children who are well adjusted *A Practical Guide for Raising a Self Directed and Caring Child* fills that void In response to Amy Chua's recent bestseller *Battle Hymn of the Tiger Mother* psychologist Louis J Lichtman PhD presents a compelling case for the notion that children will be more successful if they are self directed rather than parent controlled Through anecdotes and research studies Lichtman illustrates how to build a child's self esteem and delves into how parenting styles and disciplinary practices influence a child's behavior and character Lichtman also gives special attention to the topics of achievement parenting during the adolescent years and how family structure impacts children In addition Lichtman discusses how to avoid common parenting mistakes issues to consider before deciding to become a parent and how to give children the best possible start in life Designed to help parents develop a set of guiding parenting principles this guide is applicable to all situations and to children of all ages *A Practical Guide for Raising a Self Directed and Caring Child* offers a solid comprehensive resource for today's parents *How to Raise Boys' Achievement* Colin Noble, Jerry Brown, Jane Murphy,2013-01-11 This book gives practical help to anybody who wishes to learn anything about the practical and accessible ways to raise boys' achievement in primary and secondary schools Its down to earth language easy style and rational sequencing of actions will appeal to all readers This is essentially a handbook that can be used for reference background reading planning preparing arguments essays or as a general introduction to one of the most pressing issues in education today The authoritative case studies and clear explanations of what to do and how to do it will be a boon to all readers It discusses why some boys underachieve what can be done to raise achievement and how current national strategies aim to address the problem It is aimed at headteachers heads of department ITT students governors and parents in all phases of education **Permission to Parent** MD Berman, Robin,2014-04-29 Parental anxiety is at an all time high and with parenting styles swinging from attachment parenting to that of Tiger Moms Robin Berman MD inspires mothers and fathers to find a graceful place in the middle Children used to be seen and not heard but now they are at the center of their parents' universe Parents today seem skittish about asserting their authority They indulge in their children's demands and tantrums

and enter into endless negotiations all for fear of hurting their children's feelings. Sadly, this indulgence is creating a generation of psychologically fragile individuals and it undermines the very self-esteem it seeks to build. In between these parenting extremes lies a better way to raise thriving, well-adjusted children. Parents need to know that it is not only OK but essential to be in charge. Children with too much power often become anxious and not allowing children to work through negative emotions leads to a lack of resilience later in their lives. **Permission to Parent** teaches parents to be comfortable setting boundaries while maintaining a loving connection, fostering self-esteem, respect, and emotional maturity. Children need limits more than they need indulgences, time more than schedules, and love more than stuff. Robin Berman MD provides the tools for great parenting by drawing from her extensive clinical experience and wisdom collected from seasoned therapists, revered teachers, and role model parents. **Permission to Parent** strikes the perfect balance of advice, anecdote, and research to be an essential parenting guide.

How to Raise a Drug-Free Kid Joseph A. Califano, 2014-09-09. Nearly every child will be offered drugs or alcohol before graduating high school. The good news is that a child who gets to age twenty-one without smoking, using drugs, or abusing alcohol is virtually certain never to do so, and informed parents have the power to influence their kids to choose not to use. This gives parents a realistic picture of the world their teens confront and the tools to help them get through adolescence healthy and drug-free. Based on research at the National Center on Addiction and Substance Abuse at Columbia University, this book answers the daunting questions parents across the country have repeatedly asked.

How to Raise a Citizen (And Why It's Up to You to Do It) Lindsey Cormack, 2025-07-29. An essential guide to nurturing the next generation of responsible, informed citizens. Lindsey Cormack's book **How to Raise a Citizen And Why It's Up to You to Do It** speaks directly to an America in which civic knowledge is alarmingly sparse and many people dread politics. It's a tool for parents, educators, and anyone eager to fill this gap. In the book, Cormack offers an engaging and practical approach to discussing political issues and the inner workings of the U.S. government with children. She explains why our schools can no longer be the sites of civic education that they used to be and provides parents with strategies and necessary know-how to be able to impart these lessons to their children. From the intricacies of the voting process to the foundational principles of democracy and the significance of key government documents like the Constitution, the author demystifies complex topics with clarity and insight. You'll also find data about the current state of the American citizenry, our educational approaches to civics, and the risks of civic disengagement. A framework for starting important political discussions at home. Comprehensive explanations of American federalism and how different branches of government are responsible for different functions. Strategies for navigating federal, state, and local elections. **How to Raise a Citizen** is a roadmap to a future where political dialogue and civic engagement are not just encouraged but celebrated in our homes. With actionable advice and easy-to-understand explanations, it empowers readers to instill a sense of civic responsibility and curiosity in the young minds they influence. Perfect for parents, caregivers, educators, and anyone committed to cultivating an

informed and active citizenry this book is an indispensable resource for guiding children to understand appreciate and participate in the democratic process Equip yourself with the knowledge and strategies to raise engaged citizens in today's politically charged world by adding **How to Raise a Citizen** to your library

How to Raise an Adult Julie Lythcott-Haims, 2015-06-09 New York Times Bestseller A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self-sufficient young adulthood Julie Lythcott-Haims is a national treasure A must-read for every parent who senses that there is a healthier and saner way to raise our children Madeline Levine author of the New York Times bestsellers *The Price of Privilege* and *Teach Your Children Well* In **How to Raise an Adult** Julie Lythcott-Haims draws on research on conversations with admissions officers educators and employers and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children their stressed-out parents and society at large While empathizing with the parental hopes and especially fears that lead to overhelping Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience resourcefulness and inner determination necessary for success Relevant to parents of toddlers as well as of tweens and of special value to parents of teens this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence For parents who want to foster hearty self-reliance instead of hollow self-esteem **How to Raise an Adult** is the right book at the right time Daniel H. Pink author of the New York Times bestsellers *Drive* and *A Whole New Mind*

It Takes a Child to Raise a Parent Janis Clark Johnston, 2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day-to-day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we're unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about who we are We re-negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self-aware parent focuses on creative problem-solving by focusing on one interaction at a time **It Takes a Child to Raise a Parent** offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step-by-step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head-on and to explore new ways

of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children **Raising Godly Children: How to Parent with Purpose and Love** Margaret

Light,2025-03-29 Raising Godly Children How to Parent with Purpose and Love offers practical biblically based guidance for parents seeking to nurture their children in faith love and wisdom This book explores how to create a spiritually grounded home model godly behaviour and teach responsibility accountability and respect With insights on instilling moral values fostering emotional and spiritual health and preparing children to navigate the challenges of the world it equips parents with the tools to raise the next generation of believers Through intentional parenting readers are encouraged to embrace their calling raising children who will impact the world for God s kingdom **How to Raise a Jewish Child** Anita Diamant,Karen

Kushner,2008-08-26 From the New York Times bestselling author of The Red Tent a classic parenting book that combines insights from Jewish tradition with contemporary thinking about how children learn and grow In this updated edition you will discover the practices customs and values that go into creating a Jewish home and raising joyful children within the rich traditions of Judaism **How to Raise an Intuitive Eater** Sumner Brooks,Amee Severson,2022-01-04 With the wisdom of

Intuitive Eating a manifesto for parents to help them reject diet culture and raise the next generation to have a healthy relationship with food and their bodies Kids are born intuitive eaters Well meaning parents influenced by the diet culture that surrounds us all are often concerned about how to best feed their children Nearly everyone is talking about what to do about the childhood obesity epidemic Meanwhile every proposed solution for how to feed kids to promote health and prevent weight related health concerns don t mention the importance of one thing a healthy relationship with food The consequences can be disastrous and are indistinguishable from the predictable and well researched impact that dieting has on adults Weight cycling low self esteem deviations from normal growth and eating disorders are just some of the negative health effects children can experience from the fear based approach to food and eating that has become the norm in our culture Sumner Brooks and Amee Severson believe that parents want the best for their kids and know a parent s job is to make them feel safe in the world and their bodies They want them to grow up to be competent healthy eaters living their best lives in the bodies they were born to have Intuitive Eating is more talked about than ever and the time is now to make sure parents truly understand what it means to raise an intuitive eater With a compassionate and relatable voice How to Raise an Intuitive Eater is the only book of its kind to teach parents what they need to know to improve health happiness and wellbeing for the littlest among us **How to Avoid Being Fired as a Parent** Jenny Bailey,2015-08-13 How to avoid being fired as a parent

Building respectful relationships to secure your family s success and happiness is for parents wishing to build strong loving and trusting relationships with their children It is for parents who want to raise their children without relying on threats

bribes rewards and punishment all of which have a negative impact on your relationship with your children and your family It is for parents who are challenged by defiant and difficult children If you are seeking more pleasure in your role as a parent and wish to enjoy deeper and more intimate relationships with your children the skills and ideas described within this book will secure your success This book will provide you with a positive and constructive way of raising your children to have high emotional intelligence and exceptional communication skills while you will enjoy an enhanced opportunity to influence your children

Parents Rising Arlene Pellicane, 2018-04-03 How to raise godly children in a godless world Do you feel like you're fighting a losing battle Against the culture against the busyness sometimes even against your spouse and kids Often it seems like everything is against you as a parent and your everyday life can feel far from joy filled But it doesn't need to be that way Parents Rising will show you eight cultural trends that parents are up against today and what you can do to claim victory This book is about growth not guilt It's not a pep talk or a try harder speech This is real help for real problems that every parent faces It's a way to focus your efforts so that they'll be more effective and you'll be less exhausted
