How To Prosper In Business Regardless Of The Economy:

How to Prosper in Business Regardless of the Economy Emmet Robinson,1996 **Handbook to a Happier Life** Jim Donovan,2010-09-07 When Jim Donovan's successful career in video and broadcast television led to a personal meltdown he went through rehab pulled himself up from the bottom and started his life over. He then began giving seminars on how to change your life based on the simple yet effective ideas that had worked for him in recovery. From these seminars evolved the stories and advice in this book. Don't make big changes; Donovan suggests just start slowly and move bit by bit toward your goal. In addition to goal setting and goal keeping, Donovan discusses writing personal affirmations that work, cultivating gratitude, disciplining the mind, and helping others to achieve their dreams. *Happy at Work* Jim Donovan,2014-03-15 Even in a tight economy job satisfaction isn't a luxury; fulfilled happy employees are productive, innovative, and loyal. And workplace fulfillment spills over into happier families and better communities. Jim Donovan, a small business owner, consultant, and speaker, has worked with employees and employers for twenty-five years. In that time he has tested and honed these shift-producing strategies on everything from managing time, making decisions, and marking milestones to breaking patterns, bouncing back, and becoming exceptional. Each tip's method and rationale are clearly explained. Real workplace vignettes demonstrate the benefits and results that can be gleaned from simple shifts and actions. These tools will empower you with the knowledge that no matter the circumstance you can think, act, and feel in ways that create purpose, success, and yes, happiness. The Adventures of Dave and Dani Emmet Robinson,2024-10-21 Emmet Robinson has been writing for publication since the 1970s with newsletters, articles, and editorials appearing in publications nationwide. His first book, *How to Prosper in Business Regardless of the Economy*, received excellent reviews as did his nationwide seminar series based on the book. Two more books followed, including *Coping with Competition*, *How to Tilt the Playing Field in Your Favor*, and *Little Boy Found*, a colorful and entertaining autobiography. After decades of writing for the small business arena, Emmet has turned to fiction with several short stories and now this novella. Emmet has loved the world of words since earliest childhood and, in addition to his own work, has made editing the work of other writers a successful part of his business. His most recent assignment has been editing an exciting science fiction novel that fascinates and frightens at the same time by describing the possible end of life on earth as a result of greed, stupidity, and the misuse of science. As a professional voice actor, he lends his flexible and expressive voice to the occasional audio book.
