Hurricane Heart Poems Thoughts:

Hurricane Heart Carla Diane Wood,2005-11-01 Come take my hand walk beside me and listen to all the thoughts that lay in the depths of my soul Dream with me a dream of love so pure so true and so real that the taste lingers in your mind for hours Recall memories of past experiences that are locked away in the depths of the heart Allow your mind to open dreams of days to come Let me take you to the far reaches of my deepest emotions and let them spill over you Take a deep breath as you descend into the woes of life and then soar to unreachable heights through my words as I reveal to you sensations that only true lovers have ever achieved Feel the wave after wave of passion as if you were standing in the mist of my hurricane heart leaving you to ponder what is truly important in life

Poems from the Heart Deborah Erlichson,2012-11 To Jacob From Deborah Erlichson From a mother to her son You are my first born My son who I have sworn to love When you smiled at me for the first time No doubt you are a part of me Can t you see My unconditional love for you is immeasurable Yet it was and is so pleasurable I fed you bathed you and took care of you when you were sick You were and still are my heart and soul you loved lollipops favored every lick You are my inspiration and my joy So why displace it with a ploy You are married now and have your own life Please don t disregard me and give me strife When you don t call me to ask me how I feel It makes me sick like a sunburn getting ready to peel You are a great father and good husband And so glad and so proud of you All of my eternal Love Mom

Incredible Love Poems and Other Passionate Writings Thomas Joe Franks Ph.D.,2019-07-18 This is no ordinary book of poetry It s about two people in love who later got married and continued to share their thoughts and emotions with us I appreciate so many of you sharing your thoughts with me The possibilities are limitless I thank God for my lovely wife companion and best friend Karen Many of the poems are about her Beware some of the poems may contain adult language but not like TV or the movies All the poems were written before and after our marriage For several years I have wanted to write a book of poetry I think you will be intrigued by the simplicity of these poems Part 1 deals with poems that I have written to Karen over the past seventeen years and some other inspirational poems as well Part 2 deals with motivational poems and passionate writings that I think you will enjoy Some of the poems may be a little risqu but nothing like TV or movies of today Having written fictional books inspirational books religious books motivational books this was a real challenge But I love poetry and classical prose Hopefully you will find a favorite poem that you like This book is filled with passion energy and vitality Enjoy

Empathy in Contemporary Poetry after Crisis Anna Veprinska,2019-12-31 This book examines the representation of empathy in contemporary poetry after crisis specifically poetry after the Holocaust the September 11 2001 terrorist attacks and Hurricane Katrina The text argues that recognizing both the possibilities and dangers of empathy the poems under consideration variously invite and refuse empathy thus displaying what Anna Veprinska terms empathetic dissonance Veprinska proposes that empathetic dissonance reflects the texts struggle with the question of the value and possibility of empathy in the face of the crises to which these texts respond Examining poems from Charlotte Delbo Dionne Brand Niyi Osundare Charles Reznikoff Robert Fitterman Wisawa Szymborska Cynthia Hogue Claudia Rankine Paul Celan Dan Pagis Lucille Clifton and Katie Ford among others Veprinska considers empathetic dissonance through language witnessing and theology Merging comparative close readings with interdisciplinary theory from philosophy psychology cultural theory history and literary theory and trauma studies this book juxtaposes a genocide a terrorist act and a natural disaster amplified by racial politics and human disregard in order to consider what happens to empathy in poetry after events at the limits of empathy

poetry I hope it grabs you and takes you away to the many enchanted lands that this book was meant for you to see **The Love Archetype** Javier Angola, 2020-09-03 Literature and philosophy what are these magical fantasies so superior and everlasting Without love or being loved what could be its discipline Everything has roots for such a strong word and what are roots if they don't create something new and particular something like a whole new topic or maybe a story a tale whatever you want to call it But if we look deeper we also know we can name it like most things around us we want to feel that patronage that ownership possession we want it all and all at once Like music poetry is really alike it connects us and even if we weren't to meet each other face to face we might touch the lyrics of a track that will somewhat be said or expressed the same exact way How crazy is to feel that we are able to do that and not crossing our minds in such well coexisting thought Everybody has a story to tell at the end of the day to be exact but I hope you all really make it a legend at the moment of relating it To me this is my art and like I said it my coffee and creamer but when you get such feeling as the one most people say I feel like there is butterflies in my stomach is exactly how I truly felt at the moment I laid eyes on whom I believe is my soulmate The joy pride and dime of my days besides the other ones we get daily and of course differently Showing me that miracles do exist and being a representation of love at first sight You all might think I'm crazy and since I've known her for a year or even more but once you get a hold of what bathing and drowning in a sea of love is it takes you to higher heights and it stands it up high being held by a strong branch just with such background as philosophy and literature are revolutionizing a new concept art Personally I've come to the understanding at such age that we all not love the same way but when we do something for somebody and I don't know maybe feel perhaps differently after doing so how did the impact of that person impacted you In reality there is questions that we will never have meaning to but know that love always answers over anything Well that if legitimately and sincere will adhere to such scenario I don't wanna make a scene I wanna make a show that helps you reconstruct in your mind and heart as you read something vivid that perhaps when you are done reading you didn't expect to gain cuz at the end every book read will be undertaken by its raw meaning the one the author needed you to see and not seek That's how poetry I think it's influenced my life it got me closer to appreciate what I have more than anything in the world and if I was to let go I'll make a fool of myself so it's not a test it's a re-attempt to build that lost trust you've lost in many and will make you a true believer that there is people eloquent enough to look for you even at the distance of a page connecting us no matter how much time might roll by and leaving a legacy that I've been attempting to leave behind ever since the moment of my very birth We're On: A June Jordan Reader Christoph Keller, Jan Heller Levi, 2017-09-01 June Jordan was not the blacksmith's daughter June Jordan was the blacksmith She never waited around not for anyone's permission to write or act or be For this book to have its birth now in the lopsided moment when we need it most is no chance occurrence This great woman blacksmith is still sweetly hammering us on Nikky Finney Poet activist and essayist June Jordan is a prolific significant American writer who pushed the limits of political vision and moral witness

traversing a career of over forty years With poetry prose letters and more this reader is a key resource for understanding the scope complexity and novelty of this pioneering Black American writer From Poem about Police Violence Tell me something what you think would happen if everytime they kill a black boy then we kill a cop everytime they kill a black man then we kill a cop you think the accident rate would lower subsequently I lose consciousness of ugly bestial rabid and repetitive affront as when they tell me 18 cops in order to subdue one man 18 strangled him to death in the ensuing scuffle don t you idolize the diction of the powerful subdue and scuffle my oh my and that the murder that the killing of Arthur Miller on a Brooklyn street was just a justifiable accident again again People been having accidents all over the globe so long like that I reckon that the only suitable insurance is a gun
