Hyde Park Swan Theatre Plays:

Hyde Park James Shirley, 1987 Thought to have been written to mark the annual opening of the park Th plot foreshadows many Restoration comedies concerning the return in disguise of a long lost husband Also the story of the courtship of the witty Carol and her noless witty suitor Fairfield Reinventing the Renaissance S. Brown, R. Lublin, L. McCulloch, 2013-05-12 The plays of Shakespeare and his contemporaries has inspired interpretations in every genre and medium This book offers perspectives on the ways in which practitioners have used Renaissance drama to address contemporary concerns and reach new audiences It provides a resource for those interested in the creative reception of Renaissance drama *New Directions in Early Modern English Drama* Aidan Norrie, Mark Houlahan, 2020-07-06 This collection examines some of the people places and plays at the edge of early modern English drama Recent scholarship has begun to think more critically about the edge particularly in relation to the canon and canonicity This book demonstrates that the people and concepts long seen as on the edge of early modern English drama made vital contributions both within the fictive worlds of early modern plays and without in the real worlds of playwrights theaters and audiences The book engages with topics such as child actors alterity sexuality foreignness and locality to acknowledge and extend the rich sense of playmaking and all its ancillary activities that have emerged over the last decade The essays by a global team of scholars bring to life people and practices that flourished on the edge manifesting their importance to both early modern audiences and to current readers and performers **Performing Early Modern Drama Today** Pascale Aebischer, Kathryn Prince, 2012-10-11 While much attention has been devoted to performances of Shakespeare s plays today little has been focused on modern productions of the plays of his contemporaries such as Marlowe Webster and Jonson **Performing Early Modern Drama Today** offers an overview of early modern performance featuring chapters by academics teachers and practitioners incorporating a variety of approaches The book examines modern performances in both Britain and America and includes interviews with influential directors close analysis of particular stage and screen adaptations and detailed appendices of professional and amateur productions Chapters examine intellectual and practical opportunities to analyse what is at stake when the plays of Shakespeare s contemporaries are performed by ours Whether experimenting with original performance practices or contemporary theatrical and cinematic ones productions of early modern drama offer an inspiring sometimes unusual always interesting perspective on the plays they interpret for modern audiences **Theatre on the Edge** Mel Gussow, 1998 Applause Books Compiled by Mel Gussow this collection of sideshow American and international theatre includes *Deeply American Roots* Sam Shepard *The Man Who Made Theatre Ridiculous* Charles Ludlam *From the City Streets a Poet of the Stage* Miguel Pinero *The Clark Kent of Modern Theatre* Robert Wilson *Speaks the Language of Illusion* Martha Clarke *The Lonely World of Displaced Persons* Lanford Wilson *A Virtuoso Who Specializes in Everything* Michael Gambon *Actress Clown and Social Critic* Whoopi Goldberg *Comedy Tragedy and Mystical Fantasy* Peter Brook *Celebrating*

the Fallen World Richard Foreman *The Revenger's Tragedy* Cyril Tourneur, 1987 Locating the play in relation to the best recent criticism and exploring its complexities with a contemporary eye furthurs the reputation of these marvellous student editions The Continuum Companion to Twentieth Century Theatre Colin Chambers, 2006-05-14 International in scope this book is designed to be the pre eminent reference work on the English speaking theatre in the twentieth century Arranged alphabetically it consists of some 2500 entries written by 280 contributors from 20 countries which include not only top level experts but uniquely leading professionals from the world of theatre A fascinating resource for anyone interested in theatre it includes Overviews of major concepts topics and issues Surveys of theatre institutions countries and genres Biographical entries on key performers playwrights directors designers choreographers and composers Articles by leading professionals on crafts skills and disciplines including acting design directing lighting sound and voice *Drama and Theatre Studies* Sally Mackey, Simon Cooper, 2000 Revised and expanded edition for use with all Drama and Theatre Studies A AS specifications **Dr Faustus** Christopher Marlowe, Simon Trussler, 1989 Doctor Faustus is a classic its imaginative boldness and vertiginous ironies have fascinated readers and playgoers alike But the fact that this play exists in two early versions printed in 1604 and 1616 has posed formidable problems for critics How much of either version was written by Marlowe and which is the more authentic Is the play orthodox or radically interrogative Michael Keefer s early work helped to establish the current consensus that the 1604 version best preserves Doctor Faustus s original form and that the 1616 text was censored and revised the first Broadview edition praised for its lucid introduction and scholarship was the first to restore two displaced scenes to their correct place All competing editions presume that the 1604 text was printed from authorial manuscript and that the 1616 text is of little substantive value But in 2006 Keefer s fresh analysis of the evidence showed that the 1604 quarto s Marlovian scenes were printed from a corrupted manuscript and that the 1616 quarto though indeed censored and revised preserves some readings earlier than those of the 1604 text This revised and updated Broadview edition offers the best available text of Doctor Faustus Keefer s critical introduction reconstructs the ideological contexts that shaped and deformed the play and the text is accompanied by textual and explanatory notes and excerpts from sources
