Vanderhaar,2013-09-01 Apocalyptic voices grow louder as we enter the new Millennium promising dire consequences for the fate of humanity our planet and our civilization But theirs are not the only voices around There are voices that are equally strong and full of hope courage and conviction Gerard Vanderhaar s voice is not apocalyptic but prophetic and full of passion He proposes a new direction one that will lead to a more workable world that of the Nonviolent Christ Vanderhaar shows how figures like Mahatma Gandhi Martin Luther King Dorothy Day and others have taken the example of the Nonviolent Christ as their guide for living and working justly and courageously in the world He then offers suggestions for incorporating gestures of peace and words of compassion and justice into our daily dealings at home at work with difficult people and as part of the political process He also shows how our attitudes toward money time and people can deeply influence our effectiveness in working for a better future Spirituality and Psychological Health Richard H. Cox,Betty Ervin-Cox,Louis Hoffman,2005 **Moses** Maurice D. Harris,2012-03-01 In Moses A Stranger among Us Rabbi Maurice Harris leads us to

look beyond familiar and popular portrayals of Moses so that we can discover the Moses whose lesser known attributes and experiences provide us with surprisingly fresh ethical and spiritual guidance Harris offers many angles on his subject interweaving traditional religious interpretations academic Bible scholarship psychological and sociological analysis feminist readings and more Combining deep respect for the biblical text with a willingness to question received tradition Harris reveals a complex Moses whose life story gives us important tools for better understanding issues like religious fundamentalism intermarriage identity confusion civil disobedience gay and lesbian equality and the nature of sacred mythic storytelling Written in a refreshing plainspoken voice for people of all faiths or none the result is a volume of creative thought provoking and exciting readings of the Bible **The Fear Problematique** R. Michael Fisher,2023-11-01 The author with

over three decades of focused research on fear and fearlessness and 45 years as an emancipatory educator argues that philosophy and philosophy of education have missed several great opportunities to help bring about theoretical and meta perspectival clarity wisdom compassion and practical ways to the sphere of fear management education FME throughout history FME is not simple nor a luxury it is complex It s foundational to good curriculum but it requires careful philosophical critique This book embarks on a unique transdisciplinary understanding of The Fear Problematique and how it can be integrated as a pivotal contextual reference for assessing the best way to go in Education today and tomorrow Educational philosophy is examined and shown to have largely missed the boat in terms of responding critically and ethically to the insidious demand of having to truly educate ourselves when we are so scared stiff Such a state of growing chronic fear of morphing types of fear and a culture of fear ought to be central in shaping a philosophy of fear ism for education The book

challenges all leaders but especially philosophers and educators to upgrade their own fear imaginary and fear education for the 21st century a century of terror likely to grow in the cascading global crises

Callings Gregg Michael Levoy, 1998-09-08 How do we know if we are following our true callings How do we sharpen our senses to cut through the distractions of everyday reality and hear the calls that are beckoning us is the first book to examine the many kinds of calls we receive and the great variety of channels through which they come to us A calling may be to do something change careers go back to school have a child or to be something more creative less judgmental more loving While honoring a calling's essential mystery this book also guides readers to ask and answer the fundamental questions that arise from any calling How do we recognize it How do we distinguish the true call from the siren song How do we handle our resistance to a call What happens when we say yes What happens when we say no Drawing on the hard won wisdom and powerful stories of people who have followed their own calls Gregg Levoy shows us the many ways to translate a calling into action In a style that is poetic exuberant and keenly insightful he presents an illuminating and ultimately practical inquiry into how we listen and respond to our calls whether at work or at home in our relationships or in service Callings is a compassionate guide to discovering your own callings and negotiating the tight passages to personal power and authenticity

A Marriage of Philosophy and Music Erich Welling, 2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in A Marriage of Philosophy and Music It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides

the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art

Autobiography and the Psychological Study of Religious Lives ,2008-01-01 This volume positions itself on the cutting edge of two fields in psychology that enjoy rapidly increasing attention both the study of human lives and some core domains of such lives as religion and spirituality are high on the agenda of current research and teaching Biographies and autobiographies are being approached in new ways and have become central to the study of human lives as an object of research and a preferred method for obtaining unique data about subjective human experiences Ever since the beginning of the psychology of religion autobiographies have also been pointed out as an important source of information about psychic processes involved in religiosity In this volume a number of leading theoreticians and researchers from Europe and the USA try to bring them back to this field by drawing on new insights and latest developments in psychological theory
