descriptions of the path to enlightenment the argument for kindness and mindfulness has never been stronger Join Mr Apple in welcoming others and wisdom into his life IIMA-Why I Am Paying More Satish Y Deodhar,2016-10-25 Why is it that airline tickets booked well in advance are always cheaper How would Phoolan Devi and Veerappan react to a case of Prisoners Dilemma Professor Satish Y Deodhar explains the dynamics of pricing with respect to demand and supply and the various market structures like perfect competition monopoly monopolistic competition and oligarchy through everyday examples and case studies **The Apple Cart** George Bernard Shaw,2024-04-17 The Apple Cart is a satirical play written by George Bernard Shaw first performed in 1929 It presents a humorous and critical look at politics power and the role of monarchy in society Set in a fictional country called England in the Future the play revolves around King Magnus a progressive and charismatic monarch who seeks to modernize and democratize the monarchy However his plans are met with opposition from his Prime Minister the aristocracy and other members of the establishment who fear losing their privileges The central conflict arises when King Magnus decides to marry a commoner the beautiful and intelligent Orinthia against the wishes of his advisors This decision triggers a political crisis with various factions plotting to undermine the king's authority and maintain the status quo **The Apple Cart, Too True to Be Good, on the Rocks, and Millionairess** Bernard Shaw,2021 The four dramas in this volume are some of George Bernard Shaw's most interesting plays They stretch from 1929 to 1935 and coincide with the Great Depression the intensification of the crisis of democracy that began after the war and the rise of totalitarianism all of which find expression in these plays They also signal the beginning of an important new phase in Shaw's writing one marked especially by the development of two new Shaw genres the political extravaganza and the political allegory The Apple Cart 1929 marked Shaw's return to playwriting after the long hiatus that followed Saint Joan 1923 The Apple Cart is perhaps the most pointed critique of parliamentary democracy in the entire Shavian canon Too True to Be Good 1931 is another political extravaganza with the opening stage direction The patient is sleeping heavily Near her in the easy chair sits a Monster signaling that Shaw is advancing further into uncharted dramaturgical territory He began writing shortly before his trip to the Soviet Union and finished the play and wrote the preface after his return In the preface Shaw asserts that the USSR is a new Catholic church The dark mood continues in Shaw's next play On the Rocks 1933 which Shaw subtitled a political comedy It is reminiscent of The Apple Cart in that it is sharply focused on British politics and set in the Cabinet Room at 10 Downing Street during the economic depression of the 1930s Shaw started writing The Millionairess in 1934 and finished it in 1935 On the surface it is a simple comedy and if not for the preface we might acquiesce to Shaw's assessment that the play does not pretend to be anything more than a comedy of humorous and curious contemporary characters such as Ben Jonson might write Yet the preface appended to the play is entirely about leadership and declaims at great length on Mussolini and Hitler *Apple Cores* Angie Dilaj,2014-10-30 Lunarbre a lonely eighteenth century Louisiana island has been blessed with the gift of resurrection after death bestowed by the lovely spirit Lorelei The
