him as the primary source of his own spiritual life Louis Bouyer the greatest living Newman scholar says of these Newman quite believed that in these exercises of Andrewes he had discovered that form of prayer which springs directly from the word of God and leads to a life fully lived in Christ Not only as a priest but later on as a cardinal of the Roman church he would keep the Preces privatae on his kneeler for his daily preparation and thanksgiving before and after Mass and for his most personal meditations      **Church Music Review and Official Bulletin of the American Guild of Organists ,1920**
