the Church of England In common with most other translations of the period the New Testament was translated from Greek the Old Testament was translated from Hebrew text while the Apocrypha were translated from the Greek and Latin In the Book of Common Prayer 1662 the text of the Authorized Version replaced the text of the Great Bible for Epistle and Gospel readings and as such was authorized by Act of Parliament By the first half of the 18th century the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches Over the course of the 18th century the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars Today the most used edition of the King James Bible and often identified as plainly the King James Version especially in the United States closely follows the standard text of 1769 edited by Benjamin Blayney at Oxford Corrected King James Version Shaun C Kennedy, 2020-05 Corrected King James VersionComplete New TestamentThere is a legend that Thomas Jefferson used to take a knife and cut out verses of the Bible that he didn t like The results of his labor are known through the Smithsonian Museum He doubted the veracity of the biblical authors even though he believed Christ to be a great moral teacher Jefferson was not the only one to cut things out of his Bible that caused him problems Martin Luther was famous for wanting to relocate the epistle of James to an appendix He did manage to find grounded logic by which the could remove the books of the Maccabees from his Old Testament when they were invoked against his problems with indulgences Most of protestantism has followed him in maintaining Bibles with an Old Testament handed over strictly by Jewish scribes While I admire Jefferson s and Luther s sincerity I disagree with their premise Jefferson and Luther decided what God must have said then shaped their canon to match I would rather determine what the canon is and use that to determine what God must have said I believe that The Holy Spirit has aided and guided the process of biblical development I m uncomfortable with some images of inspiration in the popular sphere The best description I ve heard for how inspiration works comes from Plato s dialog Ion In that Plato through the caricature of Socrates explains that inspiration is like a magnet and that once it touches a ring of iron the ring becomes magnetic as well I believe that God through the course of living events touches some of us When some particularly the Apostles and Prophets are in their closest communication with God their thoughts become divine When those thoughts come out on ink and paper that ink and paper becomes in a sense embedded with divine thoughts To borrow an analogy from another great thinker it is like a map of a great idea. The map is not the ocean It can t get me wet I can t sail my boat on it But if I want to know the safest and best places to get wet or the most efficient way to sail my boat the map is a better guide than a swimming pool I really understand where Jefferson and Luther were coming from I really like bacon with my breakfast and there was a point in my life that I really had to take some time and put the study in on that issue After all the Bible does say And the swine though he divide the hoof and be clovenfooted yet he cheweth not the cud he is unclean to you Leviticus 11 7 and unlike Jefferson I was unwilling to just cut that verse out because it was inconvenient I wanted to know what God actually said not what I wanted God to have said I hope this dispels the fear that some could have

regarding my project My aim is more in line with Erasmus than Jefferson However poorly he got started Erasmus set out to understand what the Bible said in the original language So if I still end up having texts that are difficult for me and not having the clarity of text I might hope for what is the point of creating a Corrected King James Bible The point is to get just a little bit closer to the magnet of Christ and the Prophets and the Apostles The point is the bring my ear just a few inches closer to God's lips so I can hear him that much more clearly I think that the King James translators got it wrong in 1 John 5 7 8 I think that they put words in the Bible that were never supposed to be there no matter how convenient they are for me So I m taking those words out so that I can more clearly hear the words that God has placed in the Bible My goal is to provide a single translation of God's Word according to the sources that prayer and study has convinced me is the best primary source Ultimately I would like to translate all of these myself as well but in the meantime The Corrected King James gives me a standardized English text to read and study from The Holy Bible Hendrickson Bibles, 2009 Bible, 2021-05-31 The King James Version KJV also known as the King James Bible KJB sometimes as the English version of 1611 or simply the Authorized Version AV is an English translation of the Christian Bible for the Church of England commissioned in 1604 and completed as well as published in 1611 under the sponsorship of James VI and I The books of the King James Version include the 39 books of the Old Testament and the 27 books of the New Testament Noted for its majesty of style the King James Version has been described as one of the most important books in English culture and a driving force in the shaping of the English speaking world The Holy Bible, King James Version (Optimized for Mobile) King James Version, Bold Rain, 2016-03-24 The Holy Bible King James Version KJV is an English translation of the Christian Bible for the Church of England that began in 1604 and was completed in 1611 It is also known as the Authorized Version AV or King James Bible KJB The King James Version has been called the most influential version of the most influential book in the world in what is now its most influential language This translation and its subsequent distribution was instrumental in opening the door to the spread of the truth It is an excellent resource for bible study and spiritual fellowship Optimized for Mobile this book is optimized for reading on Kindle iPhone iPad Android Phones and other digital devices It contains enhanced typesetting features and a comprehensive and smart Book Navigation system For more books published by Bold Rain please visit Bold Rain Books Facebook page https www facebook com BoldRainBooks The Bible: King James Version (KJV) ,2022-09-07 This full text edition of the ever popular Authorised King James Version Bible includes both the Old and New Testaments with all its literary beauty and poetic grandeur Presented in a white and de bossed foil cover it is the cornerstone of the William Collins 200 year anniversary celebration William Collins began his publishing business in Glasgow City Centre in 1819 and then gained the licence to print the KJV in 1839 A popular best seller for centuries Collins has sold over 1 million gift Bibles of this version alone The KJV has been entwined with our language and culture for decades and remains a powerful foundation of the Church today connecting us to our past as we bring the word of God to life in the present and for
