King Me What Every Son Wants And Needs From His Father:

King Me Steve Farrar, 2006-02-01 Using kings of the Old Testament as character studies Steve Farrar examines the critical role a father plays in preparing his son to become a godly man What separated the good kings from the bad kings was a father who made time commitments to mentor his son by modeling biblical manhood Do you want your son to become a man of regal character Then this book is for you Dear Papa Danita Whyte, Daniella Whyte, Daniel Whyte, IV, 2009-07 the glory of children are their fathers Proverbs 17 6 Father s Day is a very special day for fathers and their children Unfortunately it only comes around once a year On this day fathers are recognized and honored by those who love them the most their children However in my opinion fathers should be honored and celebrated every day of the year Fathers who choose to stay in the lives of their children and who help to improve the lives of their children should not just be honored on one day but on every day May I encourage you not to take your father for granted Show love and appreciation to him while you are together And remember that father s day is not just one day out of the year but should be celebrated every day Daniella Whyte from the Introduction **How to Ruin Your Life By 40** Steve Farrar, 2006-08 Everyone has an internal alarm clock that goes off when they re about to make a bad decision Some men and women spend their 20s hitting the snooze button Steve Farrar gives them the wake up call that they can t escape so they can avoid the life shattering consequences of foolish choices Upon speaking at Biola University Steve Farrar made an instant connection with the students generating tremendous response This book springs out of their burning questions and struggles It helps young men and women fix their mistakes before they make them but it also can help readers recover from poor choices before it s too late *Dad The Missing Link* Darryl Husband, 2012-06-11 Broken generations are nothing new Many of us are the healed product of broken parenting Dysfunctional families are not a new phenomenon just a new word to describe an old issue Perched on the periphery of our ideals as believers has always been the pain of brokenness dysfunction and the God that calls chaos into order Between these pages you will hear the pains of broken people and the plans and possibilities of a better posterity We can make a difference *Faith Reads* David Rainey, 2008-07-30 At last a resource for librarians who wish to build or develop their nonfiction collection and use it to better serve the needs of adult Christian readers Covering the three major branches of Christianity Roman Catholic Protestant and Orthodox the author organizes more than 600 titles into subject categories ranging from biography the arts and education to theology devotion and spiritual warfare Award winning classics are noted Introductory narrative frames the literature and helps librarians better understand Christian literature and learn how to establish selection criteria for building a Christian nonfiction collection **Mansfield's Book of Manly Men** Stephen Mansfield, 2013-11-26 Witty compelling and shrewd Mansfield s Book of Manly Men is about resurrecting your inborn timeless essential masculine self The Western world is in a crisis of discarded honor dubious integrity and faux manliness It is time to recover what we have lost Stephen Mansfield shows us the way Working with timeless maxims and

Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The paradigm influencing book Christianity Today that is fundamentally transforming our understanding of white evangelicalism in America Jesus and John Wayne is a sweeping revisionist history of the last seventy five years of white evangelicalism revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism or in the words of one modern chaplain with a spiritual badass As acclaimed scholar Kristin Du Mez explains the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism Many of today's evangelicals might not be theologically astute but they know their VeggieTales they've read John Eldredge's Wild at Heart and they learned about purity before they learned about sex and they have a silver ring to prove it Evangelical books films music clothing and merchandise shape the beliefs of millions And evangelical culture is teeming with muscular heroes mythical warriors and rugged soldiers men like Oliver North Ronald Reagan Mel Gibson and the Duck Dynasty clan who assert white masculine power in defense of Christian America Chief among these evangelical legends is John Wayne an icon of a lost time when men were uncowed by political correctness unafraid to tell it like it was and did what needed to be done Challenging the commonly held assumption that the moral majority backed Donald Trump in 2016 and 2020 for purely pragmatic reasons Du Mez reveals that Trump in fact represented the fulfillment rather than the betrayal of white evangelicals most deeply held values patriarchy authoritarian rule aggressive foreign policy fear of Islam ambivalence toward MeToo and opposition to Black Lives Matter and the LGBTQ community A much needed reexamination of perhaps the most influential subculture in this country Jesus and John Wayne shows that far from adhering to biblical principles modern white evangelicals have remade their faith with enduring consequences for all Americans

NRB ,2005 **Becoming Globally Competitive in Software** Matthew D. Edwards,2006-04-28 This book will teach you the software student practitioner and or manager how to become competitive in the global resource pool in which we reside In sometimes humorous mostly direct conversation this book discusses understanding the customer serving the customer and learning to discern what really matters along the way by exploring some difficult and often unpopular subjects The professional software talent pool is truly global and we are only grains of sand on a world beach There is more value in seeing the forest than worshipping the tree Know when to solve a problem when to simplify and when to be quiet Delivering a technical solution is a social problem Overpay the right people for the right reasons Serve the customer and provide immediate value or someone else will **Masturbation in Pop Culture** Lauren Rosewarne,2014-10-15 Through reference to over six hundred scenes from film and television as well as a diverse and cross disciplinary academic bibliography Masturbation in Pop Culture investigates the role that masturbation serves within narratives while simultaneously mirroring our complicated relationship with the practice in real life and sparking discussions about a broad range of hot button sexual subjects From sitcoms to horror movies teen comedies to erotic thrillers autoeroticism is easily detected on screen The portrayal however is not a simple one Just as in real life a paradox exists where most of us masturbate and accept it as normal and natural there simultaneously exists a silence about it that we do it but we don t talk about it that we enjoy it but we laugh about it The screen reflects this conflicted relationship It is there hundreds and hundreds of times but it is routinely whispered about mocked and presented as a punchline and is inevitably portrayed as controversial at the very least Masturbation in Pop Culture investigates the embarrassment and squeamishness sexiness and inappropriateness of masturbation showcasing and analyzing how our complex off screen relationship is mirrored in film and television
