El-Hi Textbooks in Print ,1984 *Transforming Pastoral Leadership* Quentin P. Kinnison,2016-05-20 For many congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views the pastor as responsible for maintaining the status quo *Transforming Pastoral Leadership* responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ s preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations *Transforming Pastoral Leadership* suggests two processes that might help congregations discern God s missional promptings as they move forward into God s future and experience conflict as opportunities for transformation *King Henry VI Part 1* William Shakespeare,2014-09-25 A fresh look at a play usually regarded as the first component of a three part historical epic this edition argues that *Henry VI Part 1* is a prequel a freestanding piece that returns for ironic and dramatic effect to a story already familiar to its audience The play s ingenious use of stage space is closely analysed as is its manipulation of a series of setpiece combats to give a coherent syntax of action Discussion of the dramatic structure created by the opposing figures of Talbot and Jeanne la Pucelle and exploration of the critical controversies surrounding the figure of Jeanne lead to a reflection on the nature of the history play as genre in the 1590s *Empowering Memory and Movement* Elisabeth Schussler Fioenza,2014-05-01 With *Empowering Memory and Movement* Elisabeth Sch ssler Fiorenza completes a three volume look across her influential work and career In *Transforming Vision* 2011 she drew from decades of pioneering scholarship to offer the contours of a critical feminist hermeneutic The chapters in *Changing Horizons* 2013 sketched out a theory of liberation Now the consequences for a liberating praxis are elaborated in interviews and essays that chart Sch ssler Fiorenza s own personal and professional history as these are intertwined with the history of the worldwide movement for emancipation and full equality *Empowering Memory and Movement* looks back but also looks around at challenges and potentialities on the global scene and looks ahead to an emancipatory future with a critical and wise engagement with scripture and the interpretive tradition always at the center *The Gospel of John : 2 Volumes* Craig S. Keener,2010-03-01 Keener s commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature *Revelations from Revelation* Patrick M. Jones,2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful

jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you Thrice Trumpeted Truths J. Mark Holland,2012-11 Question Why three Answer Curiosity My curiosity was generated by numerous multiple repeats in the Scriptures See Genesis 6 7 8 Appendix A The list is fascinating The search began with a question Are there any significant uniquely stated triples We found that triples reverberate throughout the Scripture More than 100 are identified in this study It is as if the Lord is saying to the hard of heeding Did you not hear me I said it three times J Mark Holland An interesting and compelling study Once one starts looking for and finding triplets in God s Word their importance and significance is magnified Bruce Etcheson This is a book that accomplishes two things First it challenges a reader to seriously consider God s use of repetition in His Word to reinforce His truth second it leads the reader into knowing why obedience is a proper choice when confronted with God s repeated truths David White The strong foundational truths of this study have not only taken me on a jet tour through the birth death burial and resurrection of Jesus Christ but it has also been an adventure to search out the golden nuggets of God s precious Word in triplets I trust that you will be thrice blessed as well as you see the powerful Gospel of Jesus Christ interwoven throughout its pages Sandy Lange member of the original study group
