Kingdom And The Power The Theology Of Juergen Moltmann:

The Kingdom and the Power Geiko Müller-Fahrenholz, 2000 Here a former pupil surveys Jurgen Moltmann's work sketching out the personal ecumenical and political background against which his books have been written [A Trinitarian Theology of Law](#) David H. McIlroy, 2009-07-01 This book explores the neglected significance of the doctrine of the Trinity for the understanding of human law Through interaction with the thought of Jurgen Moltmann Oliver O Donovan and Thomas Aquinas it argues that human law is called to play a positive but limited role in maintaining shallow justice and relative peace Human law is overshadowed by the work of the Son included in the purposes of the Father and used as an instrument by the Holy Spirit However the Spirit works in those who are in Christ to effect deep justice a work of sanctification which culminates in glorification the experience of perfect free willing obedience in heaven Thinking about law in the light of the Trinity enables us to understand its role its purposes and its limits **Jurgen Moltmann and Evangelical Theology** Sung Wook Chung, 2012-04-23 Jurgen Moltmann is now regarded as one of the most influential theologians since Karl Barth However evangelical engagement with Moltmann has been hesitant and deficient This book fills the gap Ten respected evangelical theologians engage with Moltmann's theology in a mature dynamic and critical manner seeking to appropriate from it in a discerning manner The contributors include Sung Wook Chung Kurt Anders Richardson Veli Matti Karkainen Stephen N Williams and Timothy Bradshaw This book is an excellent demonstration of intellectual confidence and respectability of robust evangelical theology [The Annihilation of Hell](#) Nik Ansell, 2013-10-01 For Jurgen Moltmann Hell is the nemesis of Hope The annihilation of Hell thus refers both to Hell's annihilative power in history and to the overcoming of that power as envisioned by Moltmann's distinctive theology of the cross in which God becomes all in all through Christ's descent into Godforsakenness The negation of Hell and the fulfillment of history are inseparable Attentive to the overall contours and dynamics of Moltmann's thinking especially his *zimzum* doctrine of creation his eschatologically oriented philosophy of time and his expanded understanding of the nature-grace relationship this study asks whether the universal salvation that he proposes can honor human freedom promise vindication for those who suffer and do justice to biblical revelation As well as providing an in-depth exposition of Moltmann's ideas *The Annihilation of Hell* also explores how a covenantal universalism might revitalize our web of beliefs in a way that is attuned to the authorizing of Scripture and the spirituality of existence If divine and human freedom are to be reconciled as Moltmann believes the confrontation between Hell and Hope will entail rethinking issues that are not only at the center of theology but at the heart of life itself

Theology of Jürgen Moltmann Richard Bauckham, 1995-01-06 The most comprehensive study available of one of the most influential of German Protestant theologians [Ecology in Jurgen Moltmann's Theology](#) Celia E. Deane-Drummond, 2016-09-01 This book offers a critical and constructive analysis of the contribution of Jurgen Moltmann to the field of ecotheology Moltmann is one of the foremost and influential contemporary theologians of our time but his specific

contribution to ecotheology has received relatively scant attention in the secondary literature The author deals sensitively with the relevant scientific aspects necessary in order to develop an adequate theology of the natural world She also offers a careful and constructive analysis of the specific systematic theologies of creation humanity eschatology and Trinity that are woven into Moltmann's rich interpretation of the relationship between God and creation

Church, Community and Power Roy Kearsley, 2016-05-23 In the era of post Christendom how can church as a sociological reality be switched on to the destructive dangers yet constructive possibilities of power flowing in and around its community Attuned to the current distrust of church power this book creatively works out responses that could turn painful censure into a re-visioning of church power relations helped by neglected critical studies The approach exposes a complexity to power and filters that insight into a theology of church The book shows how lessons are available for a religious community from post modern philosopher Michel Foucault and from recent feminism The topic of power has universal importance in the study of religion though the response to analysis and critique in this book is drawn specifically from Christian sources Kearsley concludes with an exploration for a future renovated self-critical authentic and growing community sensitive to power while remaining in line with classic Christianity

Theology as Hope Ryan A. Neal, 2009-01-01 Hope is the leitmotiv of Jürgen Moltmann's theology Not merely one aspect of his project hope is the whole of it the supreme doctrine interpenetrating all others Indeed hope is his method The present study is both historical and developmental while also being analytical and interrogative This chronological exploration seeks to show the nature composition and development of Moltmann's doctrine of hope as the distinctive doctrine of his theology implicating all others Part I establishes Moltmann's doctrine of hope as grounded in God's faithfulness in the cross and resurrection Part II investigates major doctrines in his project in light of this ground This design seeks to take advantage of the chronological approach while also integrating the best elements of a topical approach

Indwelling the Forsaken Other J. Matthew Bonzo, 2009-02-01 Indwelling the Forsaken Other is a critical reading of Jürgen Moltmann's ethics of discipleship While Moltmann's notable turn to the inner life of the Trinity as a source for his reflections on the life of the church is influential it is not without problems The call emerging from Moltmann's reflection upon Trinitarian life to copy God in our relationships may offer some general direction for our actions however it also raises several questions Two important questions for this work are In what way are we to copy God and What conditions make it possible to copy God Moltmann's answers to these questions are insufficient and consequently he fails to protect the difference between Creator and creation in his analogia relationis As a result the ethical direction of Moltmann's work seems to be increasingly muddled and at best paradoxical

Exodus Church and Civil Society Scott R. Paeth, 2016-04-15 This book investigates the intersection of theology and social theory in the work of Jürgen Moltmann In particular it examines the way in which his concept of the Exodus Church can illuminate the importance of the idea of civil society for a Christian public theology The concept of civil society can aid in moving from the narrower category of political theology a term used

frequently by Moltmann to emphasize the church's public commitment to a broader understanding of theology's public task which takes into account the plurality of ends and institutions within society. The idea of the Exodus Church enables deeper understanding of Christian ethical participation within a complex modern society.

Leaning into the Future Poul F Gutesen, 2011-05-26 *Leaning into the Future* seeks to explore what it may mean to believe in the Kingship of God and wait for his Kingdom by considering the fundamental role the Kingdom of God plays in the theology of Jurgen Moltmann and in the book of Revelation. Part one is devoted to how Moltmann understands The Kingdom of God as the fundamental symbol of hope for humanity and how he sees the presence of God's reign and kingdom in history as hidden and paradoxical. Part two turns to the way the Book of Revelation uses royal and other political language in its portrait of the future and God's presence in history. In this second part the book also seeks to explore how Moltmann and the Apocalypse may mutually inform each other how Moltmann may help us read this biblical book today and how it in turn may overcome some of the weaknesses in Moltmann's proposal.

The Way of the Kenotic Christ Samuel J. Youngs, 2019-10-25 Despite his vast importance to twentieth century theology, Jurgen Moltmann's Christology has yet to receive the same level of in depth exploration as other topics in his thought. Samuel Youngs addresses this lacuna providing the first exhaustive analysis of Moltmann's doctrine of Christ including its key developments and controversial elements. Youngs argues that Moltmann's doctrine of Christ is best understood as a unique variation of kenotic Christology. This vision of Christ encapsulates not only a series of vibrant ethical and eschatological points but also serves Moltmann's overarching theological goal of empowering a church that lives and ministers under the cross. Part I highlights key facets of Moltmann's theological method before unfolding the range of diverse themes that characterize his Christology. Part II explores Moltmann's use of the kenosis hymn of Philippians 2 before interrogating Moltmann's relationship to christological tradition. Part III engages in an original systematization of Moltmann's Christology centered on the theme of manifold relational kenosis.

Theology in a Global Context Hans Schwarz, 2005-11 In this book Hans Schwarz leads us into the web of Christian theology's recent past from Kant and Schleiermacher to Mbiti and Zizoulas pointing out all the theologians of the last two hundred years who have had a major impact beyond their own context. He begins with the Apostle Paul identifying in Paul's letters to his congregations the core tasks of the teaching ministry.

All Things New Brock Bingaman, 2015-04-30 For both Maximus the Confessor c. 580-662 and Jurgen Moltmann b. 1926 understanding what it means to be human springs from a contemplative vision of God. This comparative study explores surprising parallels between the theological anthropology of

theseventh century Byzantine monk and the contemporary German Protestant theologian shows that Maximus and Moltmann root their understanding of the human calling in their Trinitarian and christological reflection in contrast to many modern theologies that tend to devise an account of human being first and then try to find ways in which Christ and the Trinity are somehow relevant to this human being In this constructive work Moltmann demonstrates the intrinsic connection between Maximus and Moltmann's views of human being Christ and the Trinity the church and the human calling in creation Illustrating the richness of these ancient and postmodern theologies in conversation *All Things New* lays out future trajectories in theological anthropology patristic ressourcement ecologically attuned theology and spirituality and Orthodox Protestant dialogue

Modern Trinitarian Perspectives John Thompson, 1994-09-15

One of the more important developments in the field of theology in the past two decades has been a gradual but genuine revival of interest in the doctrine of the Trinity. This fundamental Christian doctrine had been neglected by theologians who saw it as isolated from practical Christian faith and life. Recently, however, feminist and liberationist as well as more traditional Catholic and Protestant theologians have come to see the Trinity not as an abstract doctrine but instead as dealing with the living and dynamic being and acts of God and closely related to Jesus Christ and the resurrection as the mystery of salvation. This insight has in many ways become one of the central themes of contemporary theology. In this study, Irish Presbyterian theologian John Thompson provides a survey of the wide variety of modern thought on this important theme, examining the work of figures like Karl Barth, Karl Rahner, Wolfhart Pannenberg, and Jürgen Moltmann, and their views on such issues as the relationship of the trinitarian doctrine to Scripture, the Church, philosophy, politics, and society.
