Kingdom Of God Our Best Hope:

The Winning of the Best Ralph Waldo Trine, 2025-07-04 An uplifting book on achieving life's highest ideals through faith, personal integrity, inner power, and alignment with spiritual law Kingdom First Robert Roxburgh, 2025-03-27 We live in difficult times for both the culture and the church. Believers can find fulfillment and assurance by endeavoring to follow the call of Jesus in Matt 6:33 to seek first God's Kingdom and His righteousness. This book is full of stories that indicate ways in which believers can be helped to live as Jesus proposes. Such a life is not easy and everyone faces struggles, but it is worthwhile. In God's kingdom, believers experience new values, caring community, vibrant worship, and leadership in various forms which grow out of Christian character. Whatever the chaos of the present world, believers can live truthfully, hopefully, compassionately, and with a listening ear to the needs of the world around us **Faith, Hope, and Love in the Kingdom**

of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges. The three graces can almost be seen as motors for Christian life in today's world, but the words faith, hope, and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate. Modern life also leaves many yearning for authenticity and meaning. Many religions have answered that need by calling to mind the image of a path. Always profound progressions, religious paths tend to be motivated either by practices, the act of walking the path, or focal points. Christianity has a focal point, an object, and it sees the three graces as distinctively content-filled. The heart of this book is about helping people find the Christian path and their intellectual, emotional, and spiritual balance, an equilibrium that is sustained by a strong personal faith, an enduring hope for the future, and genuine love that will withstand the worst of times. It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre.

Prayers ... Horatio Stebbins,1903 *Tears of Love* Wilfred Oyem,2022-05-30 Everybody wants freedom Every nation wants freedom Every organisation wants freedom The press wants freedom From the Garden of Eden to the present day the quest for freedom continues unabated Yet no one has been able to define what freedom really is That makes freedom subjective to individual or societal perception The British Press one of the freest and most powerful in the world has its own perception of freedom And when professed press freedom colludes with perceived society freedom in the climate of political correctness there can only be one result The result is what this book is all about and makes it a must read book for everyone because the British media has the power to influence and alter your perception We know that today s world thrives on information And the speed of information flow is what makes today s world a global village The British media has been at the forefront of global information and has its tentacles spread all over the world However its world view is solely a reflection of British society Thus a globalised world is cocooned into British societal values and norms So somehow you are affected by the freedom experiment originating from Britain

Freedom for Obedience Donald G. Bloesch,2002-04-15 The Christian ethic is an ethic that cannot be assimilated into the moral consensus of the wider community The way of the cross cannot be reconciled with the way of the world just as the gospel cannot be conjoined with the laws that gave stability to social order The thesis of this book is that human justice can never be a substitute for divine justification but it can be a sign and witness to the justifying grace of God in Jesus Christ Humanitarian works can never reach the heights of deeds of sacrificial love and mercy but they can point to this higher righteousness and awaken a thirst for it We must always be on guard against two perils the Scylla of legalism and rigorism and Charybdis of antinomianism An ethics of the divine commandment by uniting law and grace the imperative and the indicative shows how we can live the authentic Christian life in obedience to the highest which is not a law but a person not an ideal but the reality of the New Being the power of crucified love as we see this in Jesus Christ from Freedom for Obedience
