**UNVEILING THE KINGDOM OF GOD** Professor Solomon Hailu, Our Lord Jesus Christ came to re establish his kingdom on earth His greatest mission was to establish the lost kingdom of God on earth To that end he taught and preached exclusively about the kingdom of God more than about anything else through his parables sermons and miracles The subject of the kingdom dominated Jesus message from the first days of his ministry to the last The book presents scriptural evidences to show that the kingdom of God was on top agenda of Christ s mission to earth Jesus never called us to be healed or delivered he called us to first enter God s kingdom He performed healing and deliverance only after preaching the Kingdom

as those things manifest themselves normally after the Kingdom comes into our lives When you have Jesus and his Kingdom in your life you will have everything God wants to give you his greatest gift first which is His Kingdom     **The Kingdom of God Is at Hand** Theodore Kallman,2021-04-15 In Kingdom of God Theodore Kallman illuminates the brief life of a Christian Socialist community founded by four men a minister and editor a professor and an engineer on a worn out cotton plantation just outside of Columbus Georgia in 1896 While Christian Commonwealth only lasted until 1900 its combination of religious communitarianism and socialist ideology proved attractive to many It was a place where women enjoyed a sort of political equality and where its school open to all white students of Muscogee County emphasized a critique of private property Kallman explains how particular brand of Tolstoyan anarchism inspired by the Russian novelist s philosophical treatise The Kingdom of God is Within You 1894 and Christ s Sermon on the Mount took root in west central Georgia and attracted attention from famous onlookers Leo Tolstoy and Jane Addams included In Kallman s capable hands what appears to be merely a blip barely worth mentioning for historians of Georgia and the larger United States instead emerges as a story that has much to teach us about Gilded Age American and provides necessary context for the surging interest in America s socialist past     **Seeing the Unseen** John Collins, Abandoning at age 30 what promised to be a lucrative law practice John Collins escaped to Spain for a three year sabbatical to search for the meaning of life In SEEING THE UNSEEN Opening the Closed Circuit of Everyday Consciousness he relates his fi ndings in maxims and identi fi es seven impediments that commonly hinder our capacity to render our everyday experience of people places and things intelligible meaningful and joyful Collins believes the greatest obstacle to realizing personal fulfilment or salvation or the Kingdom of God is psychological Living our lives almost entirely on the conscious surface of Self we neglect the unconscious core of our being resulting in the inability of the whole Self to truly see and know reality Collins suggests that religion s fi nest hour may come when it assumes responsibility for healing this rupture in our innermost being allowing us to achieve greater understanding of ourselves of the world and ultimately of God     *The Whole Gospel for the Whole World* Rick Nutt,1997     Speaking in Tongues Mark J. Cartledge,2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues     **Preaching the Light of the**

God's Word and Our Words W. Hulitt Gloer, Shawn E. Boyd, 2019-09-18 Written by nationally and internationally known homiletics and preachers this book offers a fascinating survey of the significant developments in preaching beginning with the Old Testament moving through the history of preaching and concluding with a look into the future all while offering practical suggestions for meeting the challenges that lie ahead In a unique way it addresses both the academic issues raised during each period and the practical implications for preaching today and in the future

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos, 2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre

**America and the Kingdom of God** Richard T. Hughes,Christina Littlefield,2025-03-11 The myth of a Christian America

fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda Richard T Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible s words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work *Christian America and the Kingdom of God* spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation

The Coming of God Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jurgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God s promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann s novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann s comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God
