*United by Their Royal Baby* Therese Beharrie, 2018-01-01 A baby to heal their countries and their hearts When Queen Leyna of Aidara took the throne she walked away from her first love King Xavier of Mattan putting duty first Now their kingdoms are under threat and the only way to bring stability is with a royal union Leyna knows the man she loved has barriers around his heart but she can't deny the glimmer of hope she still sees in his eyes And knowing only an heir will save their countries they must fight to find a way back to each other
