

Kinship And Marriage In Genesis A Household Economics Perspective

Carol Meyers, Toni Craven, Ross S. Kraemer

Kinship And Marriage In Genesis A Household Economics Perspective:

The Cambridge Companion to Genesis Bill T. **Kinship and Marriage in Genesis** Naomi A. Steinberg, 1993 Arnold, 2022-05-12 The Cambridge Companion to Genesis explores the first book of the Bible the book that serves as the foundation for the rest of the Hebrew Scriptures Recognizing its unique position in world history the history of religions as well as biblical and theological studies the volume summarizes key developments in Biblical scholarship since the Enlightenment while offering an overview of the diverse methods and reading strategies that are currently applied to the reading of Genesis It also explores questions that in some cases have been explored for centuries Written by an international team of scholars whose essays were specially commissioned the Companion provides a multi disciplinary update of all relevant issues related to the interpretation of Genesis Whether the reader is taking the first step on the path or continuing a research journey this volume will illuminate the role of Genesis in world religions theology philosophy and critical biblical scholarship The House of the Mother Cynthia R. Chapman, 2016-01-01 This work reevaluates the biblical house of the father in light of the anthropological critique of the patrilineal model It uncovers and defines the contours of an underappreciated yet socially significant kinship unit in the Bible the house of the mother The Oxford Handbook of **Biblical Narrative** Danna Fewell, 2016-06-01 Comprised of contributions from scholars across the globe The Oxford Handbook of Biblical Narrative is a state of the art anthology offering critical treatments of both the Bible's narratives and topics related to the Bible's narrative constructions The Handbook covers the Bible's narrative literature from Genesis to Revelation providing concise overviews of literary critical scholarship as well as innovative readings of individual narratives informed by a variety of methodological approaches and theoretical frameworks. The volume as a whole combines literary sensitivities with the traditional historical and sociological questions of biblical criticism and puts biblical studies into intentional conversation with other disciplines in the humanities It reframes biblical literature in a way that highlights its aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to various forms of social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames Ex Auditu - Volume 28 Klyne Snodgrass, 2013-04-24 CONTENTS Introduction Klyne Snodgrass and global communities Finding Happiness in Family Life Biblical Reflections Stephen C Barton Response to Barton Luke A Powery Imposter Happiness or the Real Thing Marriage Singleness and the Beatitudes in the Twenty First Century Jana Marguerite Bennett Response to Bennett Jo Ann Deasy Jesus Paul and Family Values Julie Hanlon Rubio Response to Rubio Michelle Clifton Soderstrom Tyranny Authority Service Leadership and Headship in the New Testament Lynn H Cohick Response to Cohick Dennis R Edwards Revenge Forgiveness and Sibling Rivalry A Theological Dialogue Between Scripture and Science Dennis Olson Response to Olson Jack R Lundbom Wives and Daughters Women Sex and Violence in Biblical Tradition Caryn A Reeder Response to Reeder Christopher B Ansberry Generativity Covenant Witness and Jesus Final Discourse Jim Dekker

The Torah Unabridged William A. Tooman, 2022-11-18 The Torah Unabridged is a detailed examination of legal reasoning in the Hebrew Bible Focusing on the exegetical operations by which biblical laws related to intermarriage were applied to circumstances and persons that lie outside the sphere of their explicit content this book reconstructs the ways in which laws regarding intermarriage evolved were interpreted and were applied across time and place William A Tooman argues that the exegetical impulse to expand upon the gaps left by laws relating to marriage in the Torah is expressed in several distinctive ways in later texts in the Hebrew Bible Adopting a diachronic approach Tooman examines the techniques biblical writers used in their appropriation expansion and manipulation of legal ideas within earlier biblical texts in order to apply the laws to more situations circumstances and people Tooman's analysis reveals that from Exodus to Ezra Nehemiah legal reasoning on intermarriage moved in a singular direction toward an ever greater restriction of marriage between Israelites Jews and gentiles The final chapter sums up the ways that this was accomplished summarizing the logical and exegetical operations executed in the process of expanding the relevance of these laws and describing the hermeneutical assumptions that motivated the process Grounded in a detailed philological analysis of the Hebrew texts this tightly argued monograph is an important impetus to further debate in the field It will be welcomed by biblical scholars and by specialists in the history of **Interpreting Beyond Borders** Fernando F. Segovia, 2000-04-01 This book addresses a fundamental reality of our law time the great movement of people for a variety of reasons within and across countries and cultures From this migration has emerged the diasporic intellectual the state of dislocation and displacement has become a vantage point for reflection and interpretation The same is true of theological studies in general and biblical criticism in particular In this masterly treatment Fernando Segovia focuses on the emerging transborder biblical interpreters from the Two Thirds World now residing and working in the West both in the United States and in Europe and examines their multiple identities He also explores how this state of in betweenness and homesickness affects influences and informs biblical interpretation Whispering the Word Jacqueline E. Lapsley, 2005-11-03 Many Christian feminists wonder if they can simultaneously maintain their commitment to principles of gender equality and their faith in the Scriptures particularly the Old Testament Writing in response to feminist biblical scholars who approach the Old Testament with a hermeneutic of suspicion Jacqueline Lapsley offers Christian feminists strategies to hear the subtle ideas and voices of the less powerful within the Old Testament texts Reading and interpreting a number of Old Testament narratives in which women are prominent Lapsley considers how these stories may reflect God's word for us In doing so she demonstrates how the narrative often attempts to shape the moral response of the reader by revealing the intricacy and complexity of the moral world evoked In this gentle shaping of the reader s ethical sensibilities she argues is where God may be whispering a word for us A Brief History of Ancient Israel Victor Harold

Matthews, 2002-01-01 Grounded in the latest archeological developments Victor Matthews s A Brief History of Ancient Israel presents a concise history of Israel covering the ancestral period conquest and settlement the monarchy and both the exilic and postexilic periods Using supplemental figures and insets the author concentrates on providing a cogent and condensed discussion of events He examines historical geography archaeological data and where relevant comparative cultural materials from other ancient Near Eastern civilizations With an accessible yet high quality introduction A Brief History of Ancient Israel will be of immense value to both students of the Old Testament and the scholars who teach them **Bible and Feminism** Yvonne Sherwood, Anna Fisk, 2017 This collection provides readers with a concise high level introduction to the field of feminist and gender biblical criticism It consists of 36 chapters which tackle a wide range of new theoretical and methodological movements Ishmael on the Border Carol Bakhos, 2012-02-01 Ishmael on the Border is an in depth study of the rabbinic treatment of Abraham's firstborn son Ishmael This book examines Ishmael's conflicted portrayal over a thousand year period and traces the shifts and nuances in his representation within the Jewish tradition before and after the emergence of Islam In classical rabbinic texts Ishmael is depicted in a variety of ways By examining the biblical account of Ishmael's life Carol Bakhos points to the tension between his membership in and expulsion from Abraham s household on the one hand he is circumcised with Abraham yet on the other because of divine favor his brother supplants him as primogenitor The rabbis address his liminal status in a variety of ways Like Esau he is often depicted in antipodal terms He is Israel s Other Yet Bakhos notes the emergence of Islam and the changing ethnic religious and political landscape of the Near East in the seventh century affected later medieval rabbinic depictions of Ishmael whereby he becomes the symbol of Islam and the eponymous prototype of Arabs With this inquiry into the rabbinic portrayal of Ishmael the book confronts the interfacing of history and hermeneutics and the ways in which the rabbis inhabited a world of intertwined political social and theological forces Art as Biblical Commentary J. Cheryl Exum, 2019-05-23 Art as Biblical Commentary is not just about biblical art but more importantly about biblical exeges and the contributions visual criticism as an exegetical tool can make to biblical exegesis and commentary Using a range of texts and numerous images J Cheryl Exum asks what works of art can teach us about the biblical text Visual criticism is her term for an approach that addresses this question by focusing on the narrativity of images reading them as if like texts they have a story to tell and asking what light an image's story can shed on the biblical narrator's story In Part I Exum elaborates on her approach and offers a personal testimony to the value of visual criticism Part 2 examines in detail the story of Hagar in Genesis 16 and 21 Part 3 contains chapters on erotic looking and voyeuristic gazing in the stories of Bathsheba Susanna Joseph and Potiphar's wife and the Song of Songs on the distribution of renown among Jael Deborah and Barak on the Bible's notorious women Eve and Delilah and on the sacrificed female body in the stories of the Levite's wife Judges 19 and Mary the mother of Jesus Old Testament Story and Christian Ethics Robin A. Parry, 2005-06-02 Christian use of the Old Testament has tended to focus on

law and wisdom literature and to marginalize narrative materials. This book restores story to its rightful place in Old Testament ethics and aims to set out parameters within which Christian ethical reappropriations of Old Testament narratives can take place The argument begins by examining recent philosophical studies of the role of story in the ethical life Special attention is paid to the work of Paul Ricoer Martha Nussbaum and Robert C Roberts Then the theological foundations are laid by demonstrating the importance of narrative for Old Testament ethics and of the biblical metanarrative for Christian interpretation Genesis 34 is examined as a detailed case study to exemplify the fruits of the method for Christian readers The study considers reception history feminist interpretation discourse analysis and canonical context to shed new light on the terrible story of the rape of Dinah The Birth Report Genre in the Hebrew Bible Timothy D. Finlay, 2005 Timothy D Finlay conducts a comprehensive analysis of all birth reports in the Hebrew Bible These passages include genealogies stories of annunciation to barren women and prophetic narratives The birth reports may be short but they contribute greatly to the plot **BOOK JACKET Her Master's Tools?** Caroline Vander Stichele, Todd C. Penner, 2005 Reimagining Hagar Nyasha Junior, 2019-05-28 Reimagining Hagar illustrates that while interpretations of Hagar as Black are not frequent within the entire history of her interpretation such interpretations are part of strategies to emphasize elements of Hagar's story in order to associate or disassociate her from particular groups It considers how interpreters engage markers of difference including gender ethnicity status and their intersections in their portrayals of Hagar Nyasha Junior offers a reception history that examines interpretations of Hagar with a focus on interpretations of Hagar as a Black woman Reception history within biblical studies considers the use impact and influence of biblical texts and looks at a necessarily small number of points within the long history of the transmission of biblical texts This volume covers a limited selection of interpretations over time that is not intended to be a representative sample of interpretations of Hagar It is beyond the scope of this book to offer a comprehensive collection of interpretations of Hagar throughout the history of biblical interpretation or in popular culture Junior argues for the African presence in biblical texts identifies and responds to White supremacist interpretations offers cultural historical interpretation that attends to the history of biblical interpretation within Black communities and provides ideological criticism that uses the African American context as a reading strategy Reimagining Hagar offers a history of interpretation but also expands beyond interpretation among Black communities to consider how various interpreters have A Theological Introduction to the Old Testament Prof. Walter Brueggemann, Prof. Bruce C. identified Hagar as Black Birch, Prof. Terence E. Fretheim, David L. Petersen, 2011-12-01 This book has become a standard text in seminary and university classrooms. The purpose of this second edition is to help readers come to a critically informed understanding of the Old Testament as the church's scripture This book introduces the Old Testament both as a witness of ancient Israel and as a witness to the church and synagogue through the generations of those who have passed these texts on as scripture The authors of this volume share a commitment to the interpretation of the Old Testament as a central resource for the life of the

church today At the same time they introduce the Old Testament witness in a manner that honors the importance of biblical scholarship in helping students engage the variety of theological voices within the Old Testament This second edition gives special attention to deepening and broadening theological interpretations by including for example issues related to gender Dalit Theology, Boundary Crossings and race and class It also includes more detailed maps and charts for student use Liberation in India Jobymon Skaria, 2022-11-03 Jobymon Skaria an Indian St Thomas Christian Scholar offers a critique of Indian Christian theology and suggests that constructive dialogues between Biblical and dissenting Dalit voices such as Chokhamela Karmamela Ravidas Kabir Nandanar and Narayana Guru could set right the imbalance within Dalit theology and could establish dialogical partnerships between Dalit Theologians non Dalit Christians and Syrian Christians Drawing on Biblical and socio historical resources this book examines a radical yet overlooked aspect of Dalit cultural and religious history which would empower the Dalits in their everyday existences Women in Scripture Carol Meyers, Toni Craven, Ross S. Kraemer, 2000-03-30 This splendid reference describes every woman in Jewish and Christian scripture monumental Library Journal In recent decades many biblical scholars have studied the holy text with a new focus on gender Women in Scripture is a groundbreaking work that provides Jews Christians or anyone fascinated by a body of literature that has exerted a singular influence on Western civilization a thorough look at every woman and group of women mentioned in the Bible whether named or unnamed well known or heretofore not known at all They are remarkably varied from prophets to prostitutes military heroines to musicians deacons to dancers widows to wet nurses rulers to slaves There are familiar faces such as Eve Judith and Mary seen anew with the full benefit of the most up to date results of biblical scholarship But the most innovative aspect of this book is the section devoted to the many females who in the scriptures do not even have names Combining rigorous research with engaging prose these articles on women in the Hebrew Bible the Apocryphal Deuterocanonical Books and the New Testament will inform delight and challenge readers interested in the Bible scholars and laypeople alike Together these collected histories create a volume that takes the study of women in the Bible to a new Legal Friction Gershon Hepner, 2010 Legal Friction Law Narrative and Identity Politics in Biblical Israel tracks the level mystery of narratives in the Hebrew Bible and their allusions to Sinai laws by highlighting intertextual allusions created by verbal resonances While the second and the third parts of the volume illustrate allusions to Sinai narratives made by some narratives occurring in the post Sinaitic era twenty three Genesis narratives are analyzed to show that the protagonists were bound by Sinai Laws before God supposedly gave them to Moses anticipating the Book of Jubilees Legal Friction suggests that most of Genesis was composed during or after the Babylonian exile after the codification of most Sinai laws which Genesis protagonists consistently violate The fact that they are not punished for these violations implies to the exiles that the Sinai Covenant was unconditional In addition the author proposes that Genesis contains a hidden polemic encouraging the Judean exiles to follow the revisions of laws of the Covenant Code by the Holiness Code and Deuteronomy Genesis narratives

like those describing post Sinai events often cannot be understood properly without recognition of their allusions to biblic laws	al

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Kinship And Marriage In Genesis A Household Economics Perspective**

In a global inundated with screens and the cacophony of quick interaction, the profound power and psychological resonance of verbal art often diminish into obscurity, eclipsed by the constant onslaught of noise and distractions. Yet, nestled within the musical pages of **Kinship And Marriage In Genesis A Household Economics Perspective**, a charming perform of fictional elegance that impulses with raw feelings, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, that exciting opus manuals readers on a mental odyssey, delicately revealing the latent potential and profound affect embedded within the intricate web of language. Within the heart-wrenching expanse with this evocative evaluation, we will embark upon an introspective exploration of the book is central styles, dissect their captivating publishing type, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
