Eric Halfbee Sarah Smith, 2020-09-17 Eric Halfbee is a nine year old boy from a little place called Boggle Street He lives with his mum dad and annoying I mean lovely sister Jessica Eric and Jessica love nothing more than trying to get their dad out of his shed and eating their mother's latest questionable attempts at cooking not Despite his family's quirks Eric's life has been pretty normal until now When an elf appears called Loki Eric and Jessica's lives are turned upside down Ellyon a world of laughter jiggery pokery and a bit of mischief is under attack from the formidable Ghillie Dhu The Light Elves and the Dark Elves are finally confronting each other and only Eric can help them achieve peace But Eric as a human must tread carefully Ellyon is a strange place and the dangers are real Join Eric and Jessica on their amazing adventures over four books as they travel through the magical world of Ellyon take on the villainous Ghillie Dhu and make startling discoveries about different worlds and about themselves Expect to learn some astonishing things and lots of laughter along the way      *Forthcoming Books* Rose Arny, 2002      **Kippers for Breakfast** Billie Anderson, 2011-11-30 YORK 1965 Sarah had heard it said that you dated your life from one significant event a life changing happening that defined everything as either before or after its occurrence For some that might be marriage a birth or a death but as she contemplated the many moments such as these in her life Sarah knew her own personal time line started the day she left Ireland and arrived in Liverpool Sitting here now at the end of the bed her life seemed so clear her memory complete and unclouded She felt as if she could dip into it at any time and watch events unfold like watching a re run of a favourite film Re wind watch again the ending would always be the same she knew that but was that so bad She had lived through the best and worst of times and hoped that ultimately she would be judged as a kind and loving woman She sighed shed done her best had it been enough to atone for her moment of madness She looked at the old lady lying in the bed and wondered how much longer she could hold on Shed been like this for days now and Sarah had lost track of time night and day day and night all merged into one The relatives came and went some sobbed quietly some begged the old lady for just one more moment of recognition but she was past that now Sarah sighed again she knew these people knew and loved them all would have embraced them and kissed their tears away but they never looked her way always at the old lady Her breathing was very shallow and Sarah knew that the end must come quite soon should she leave now or wait a while longer She knew she had no choice other than to wait because there was still time for him to come and she wouldn't want to miss that He would come eventually wouldn't he She felt panic beginning to rise he must keep his promise and come and take her out of this room and away from this endless waiting The nurse came in didn't

give Sarah a second glance and went instead to her charge She wiped her face with a warm flannel dripped water into her mouth and wiped it round with a tiny sponge on a stick She smeared Vaseline onto parched cracked lips and smoothed the thin white hair It warmed Sarah's heart to see such tenderness but the old lady breathed on not knowing of the care she was receiving The nurse turned her and as she lay almost lifeless now a small moan escaped her lips Thanks girl the old lady couldn't say it so Sarah said it for her but it went unheeded by the nurse who closed the curtains turned the light down low and looked briefly around the room perhaps she'd heard after all The door closed behind her and Sarah was left alone once again to keep her silent vigil She moved up the bed closer to the old lady so she could look down into her face It bore no resemblance now to the beauty it once had Sarah shrugged what did beauty matter anyway She went back to her spot at the end of the bed There would be no more interruptions tonight for a little while She was free to wander among her memories Pick them up examine them and put them down again even skip through the painful ones if she so wished but that wasn't how to remember one's life Without the pain the joy might be lessened and she didn't want that Dublin 1894 Seagulls circled overhead cawing loudly as huge flakes of snow whirled and chased each other before settling on the ground Sarah held out her hand and caught one marvelling at its intricate pattern before it melted away into her already numb fingers She stuck out her tongue and tasted one as it fell there turned to smile at Father Reilly but her smile like the snow froze on her lips His disapproving glare the straight setline of his thin lips somehow turned her heart into lead and she felt the crush of it in her chest Sarah Ann Reid he said her name as if tasted like vinegar put on your gloves and behave like a properly brought up young lady **Books in Print Supplement** ,2002 **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12
