## German Expressionists:

*German Expressionist Painting* Peter Selz, 1957 1 copy located in CIRCULATION      **German Expressionist Woodcuts** Shane Weller, 1994-08-16 Presents over one hundred woodcuts by nearly thirty German Expressionists primarily from the early twentieth century including works by Edvard Munch and Ernst Barlach      **German Expressionism** Stephanie Barron, Wolf Dieter Dube, 1997 Highlights the visual art films theater and architecture of German Expressionism      **The German Expressionists** Bernard S. Myers, 1957      German Expressionist Sculpture Stephanie Barron, 1983 The volume presents a survey of German expressionist sculpture Expressionism was a modernist movement initially in poetry and painting originating in Germany at the beginning of the 20th century Its typical trait is to present the world solely from a subjective perspective distorting it radically for emotional effect in order to evoke moods or ideas Expressionist artists sought to express meaning or emotional experience rather than physical reality The term is sometimes suggestive of emotional angst The Expressionist emphasis on individual perspective has been characterized as a reaction to positivism and other artistic styles such as naturalism and impressionism This work contains more than one hundred and twenty examples of German Expressionist sculpture by thirty three artists Included are sculptures by artists recognized for their work in this medium Ernst Barlach Wilhelm Lehmbruck Georg Kolbe Renee Sintenis Gerhard Marcks as well as sculpture by such figures as Kathe Kollwitz Ernst Ludwig Kirchner Erich Heckel Karl Schmidt Rottluff Emil Nolde Max Beckmann Egon Schiele and Otto Freundlich whose reputations are based on their painting and graphic oeuvres A significant number of works by lesser known artists who belonged to the second generation of Expressionism in the twenties among them Herbert Garbe Conrad Felixmuller Paul Rudolf Henning William Wauer and Christoph Vollare also examined Included in the catalog are examples of the artists varied writings as well as evaluations by contemporary critics scholars writers and poets Seven essays and excerpts from contemporary texts published in translation for the first time highlight the German Expressionists concern with particular materials and their attraction to African and Oceanic art      **Expressionism** Dietmar Elger, 2002

*Graphics of the German Expressionists* Serge Sabarsky, 1984      **German Expressionist Painting**, 1957      *German Expressionism* Museum of Modern Art (New York, N.Y.), Starr Figura, Peter Jelavich, 2011 Catalog of an exhibition held at the Museum of Modern Art New York Mar 27 July 11 2011      Influence of war on German expressionists. Comparing Ernst Ludwig Kirchner and Georg Baselitz Joséphine Hengstwerth, 2019-10-30 Essay from the year 2019 in the subject Art Visual artists grade 72% Birmingham City University course Fine Art language English abstract German art seldom has been easy It is often reminded with its nation s history sometimes expressing its glory but just as often decrying its tumult and suffering Homburg 2003 In times of war a nation or the whole world is brought into chaos and uncertainty Throughout the past hundred years our world has suffered many conflicts and tensions including the first and second world war 1914 1918 1939 1945 and the cold war 1947 1991 In times of war artists feel a great need to respond in their own way Throughout history

there have been many different ways of making art during war For instance Liberty Leading the People by Eugene Delacroix from 1830 is one example of a war painting from the French Revolution With the female personification of liberty walking over dead bodies and holding up the French flag as the main focus the painting is heroic and triumphant Other artists use art as a form of propaganda protest or as a way of expressing their individual feelings in response to war suffering and destruction Two German artists considered expressionist from two different generations experiencing similar forms of devastation are Ernst Ludwig Kirchner 6 May 1880 15 June 1938 and Georg Baselitz born 23 January 1938 Their role as expressionist artists and the influence of war is the focus of the following discussion German Expressionism and the Messianism of a Generation Lisa Marie Anderson, 2011-01-01 This book reads messianic expectation as the defining characteristic of German culture in the first decades of the twentieth century It has long been accepted that the Expressionist movement in Germany was infused with a thoroughly messianic strain Here with unprecedented detail and focus that strain is traced through the work of four important Expressionist playwrights Ernst Barlach Georg Kaiser Ernst Toller and Franz Werfel Moreover these dramatists are brought into new and sustained dialogues with the theorists and philosophers of messianism who were their contemporaries Walter Benjamin Ernst Bloch Martin Buber Hermann Cohen Gershom Scholem In arguing for example that concepts like Bloch's utopian self encounter Selbstbegegnung and Benjamin's messianic now time Jetztzeit reappear as the framework for Expressionism's staging of collective redemption in a new age Anderson forges a previously underappreciated link in the study of Central European thought in the early twentieth century

**German Expressionism** Rose-Carol Washton Long, Ida Katherine Rigby, Nancy Roth, 1995-12-06 An indispensable anthology that immediately renders its predecessors obsolete With its gathering of public and private documents it carries us through the rise and fall of one of the great upheavals of modern art Robert Rosenblum New York University These essays including many previously unavailable in English are rich with startling new insights into the German Expressionist psyche Elucidating the artists' view of government the role of women in modern society and their own ambivalence about the effectiveness of abstract art this anthology is essential reading for all scholars and students of twentieth century art Joan Marter author of Alexander Calder **German Expressionist Painting** Peter Selz, 2023-04-28 Published in 1957 German Expressionist Painting was the first comprehensive study of one of the most pivotal movements in the art of this century When it was written however German Expressionism seemed like an eccentric manifestation far removed from what was then considered the mainstream of modern art But as historians well know each generation alters the concept of mainstream to encompass those aspects of the past which seem most relevant to the present The impact of German Expressionism on the art and thought of later generations could never have been anticipated at the time of the original writing of this book During the subsequent years an enormous body of scholarly research and an even larger number of popular books on German expressionist art has been printed Numerous monographs and detailed studies on most of the artists exist now and countless

exhibitions with accompanying catalogues have taken place Much of this new research could have been incorporated in a revised edition and the bibliography certainly could have been greatly expanded to include the important writings which have been published in Germany the United States and elsewhere since this book was originally issued The author however was faced with the choice of reprinting the original text with only the most necessary alterations such as updating the captions to indicate present locations of the paintings or the preparation of a revised text and bibliography Desirable as a revision appeared present printing costs would have priced the paperback out of reach for students It is for this reason that I decided to reissue the original text which stands on its own as a primary investigation of German Expressionist Painting **German**

**expressionism** Barry Herbert,1983 *Women in German Expressionism* Anke Finger,Julie Shoults,2023-08-07 This collection for the first time explores women s self conceptions and representations of women s and gender roles in society in their own Expressionist works How did women approach themes commonly considered to be characteristic of the Expressionist movement and did they address other themes or aesthetics and styles not currently represented in the canon *Women in German Expressionism* centers its analysis on gender together with difference ethnicity intersectionality and identity to approach artworks and texts in more nuanced ways engaging solidly established theoretical and sociohistorical approaches that enhance and update our understanding of the material under investigation It moves beyond the masculine New Man viewpoint so firmly associated with German Expressionism and examines alternative critical and divergent interpretations of the changing world at the time This collection seeks to broaden the theorization scholarship and reception of German Expressionism by much belatedly including works by women and by shifting or redefining firmly established concepts and topics carrying only the imprint of male authors and artists to this day German Expressionists ,1983

German Expressionist Theatre David F. Kuhns,1997-08-28 *German Expressionist Theatre The Actor and the Stage* considers the powerfully stylized anti realistic styles of acting on the German Expressionist stage from 1916 to 1921 It relates this striking departure from the dominant European acting tradition of realism to the specific cultural crises that enveloped the German nation during the course of its involvement in World War I This book describes three distinct Expressionist acting styles all of which in their own ways attempted to show how symbolic stage performance could be a powerful rhetorical resource for a culture struggling to come to terms with the crises of historical change The examination of Expressionist script and actor memoirs allows for an unprecedented focus on description and analysis of acting itself

*Prints of the German Expressionists and Their Circle* Barry Walker,Karyn Zieve,Brooklyn Museum,1988 **A Companion to the Literature of German Expressionism** Neil H. Donahue,2005 New essays examining the complex period of rich artistic ferment that was German literary Expressionism *German Expressionist Prints* Stephanie D'Alessandro,2003 The Specks Collection is noted for its high quality breadth and profound graphic power In celebration of the gift to the museum the collection is presented here for the first time in its entirety

## German Expressionists Introduction

In today's digital age, the availability of German Expressionists books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of German Expressionists books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of German Expressionists books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing German Expressionists versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, German Expressionists books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing German Expressionists books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for German Expressionists books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, German Expressionists books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of German Expressionists books and manuals for download and embark on your journey of knowledge?
