Living With Diabetes A Comprehensive Guide To Understanding And Controlling Diabetes:

Living with Diabetes Arlan L. Rosenbloom, Diana Tonnessen, 1993 An accessible comprehensive and up to date guide to understanding and controlling diabetes Written with the intent to empower rather than frighten this book discusses possible complications of the disease and how to alleviate or control these problems Line drawings throughout **How to Live Well with Diabetes** Dr Val Wilson, 2019-08-15 The essential guide to living well with diabetes written by an expert who has lived with the condition for more than four decades Whether you are newly diagnosed or have been living with diabetes for some time this book will help you understand your diagnosis so you can manage and live well with your diabetes for as long as possible Every aspect of your life with diabetes is covered from diet sex and exercise to mood changes managing blood glucose levels and physical complications arising from the condition Dr Val Wilson draws on more than four decades of managing the condition and on her professional experience to help readers deal with their diagnosis consider how it will affect their relationships and lifestyle with advice on DAFNE for Type 1 diabetics and ways that Type 2 diabetes can eventually be reversed Real life case studies show other people s experiences of diabetes related issues that you might also be dealing with This is the only book you need to learn how to self manage diabetes *Staring Back* Kenny Fries, 1997 The disability experience has until very recently been marginalized stereotyped and ignored in literature Now through the vehicles of nonfiction poetry fiction and drama *Staring Back* is the first anthology to open the landscape of the disabled experience for exploration and discussion The presence of such well known authors as Lucy Grealy John Hockenberry and Marilyn Hacker in this anthology gives immediate lie to the notion that disability is a limitation to insight and productivity But just as importantly *Staring Back* challenges us to look anew at the disabilities of FDR and Matisse the lives of Helen Keller and Frida Kahlo the work of Stephen Hawking It urges us to redefine what is meant by cure to understand hidden disabilities and even to find humor in ways that defy our expectations If there is one theme that binds this diverse body of work aside from its subject matter it is the theme of human connection a connection with the past with each other with our bodies and with ourselves As Kenny Fries writes in his introduction Throughout history those who live with disabilities have been silenced by those who did not want to hear what we have to say We have also been silenced by our own fear the fear that if we told our stories people would say See it isn t worth it You would be better off dead *Staring Back* emphatically demonstrates the power of these writers stories to overcome that fear and to break that silence **Ultimate Diet Plan for Diabetic Patients** Gregory D. Anderson, 2023-12-19 Unlock optimal health with the Ultimate Diet Plan for Diabetic Patients eBook a comprehensive guide meticulously crafted to empower individuals managing diabetes This groundbreaking resource combines expert nutritional insights delicious recipes and practical lifestyle tips to create a tailored approach for diabetes management From understanding the glycemic index to crafting balanced meals this eBook provides a roadmap to stabilize blood sugar levels and enhance overall well being Whether you re newly diagnosed or seeking to refine your current regimen
