The Ashes: It's All About the Urn Graeme Swann, 2017-11-02
Shortlisted for Cricket Book of the Year at the British Sports Book Awards Graeme Swann leads us on a compelling adventure through one of world sport's most engrossing rivalries He knows as much as anybody about the heat of England v Australia battles having played in three series wins and also the whitewash defeat of 2013-14 when its intensity ended his international career However it brought out some of his best displays in Test cricket But he is just one of dozens of colourful characters to have added their chapters to this great tome The mock obituary of English cricket in the Sporting Times of 1882 was the forerunner of summers and winters of heaven and hell depending on which side of the divide you were situated When it comes to on field relations nothing quite compares to the over my dead body feel of the Ashes From Grace to Sir Don the most graceful of them all From the foulest play to the fairest contrast the 1932-33 Bodyline series affair to the image of Andrew Flintoff hunched over a distraught Brett Lee in 2005 From Ray Illingworth's famous walk off in the Seventies when an England team mate was assaulted by a spectator to Steve Waugh's hugely emotional lap of honour when he retired a quarter of a century later Swann's book will reveal the magic of a series that first gripped him in his front room in Northampton as an aspiring spin bowler in the mid 1980s

It's All About Love Fran Wellgood, 2019-04-25 What if we loved ourselves more than we could imagine We are told to love ourselves but we don't know how or even why What if we learned actual techniques that helped us love ourselves and align our energy with our Higher Self and the Universe for a more joyous life It's possible and it just takes willingness and practice When we learn and use real tools we are better able to surf the waves of life and meet life with grace When we learn how we are resisting loving ourselves and learn how to allow the love we are to flow through us we utilize the buoyant loving energy of the Universe to flow more smoothly and joyously through life Everything is energy including us When our energy is in balance and flows smoothly we feel harmonious peaceful and aligned with our true nature our Higher Self part of the Universe This is our natural state Daily life often seems to interrupt our connection with our true state of being By working with our energy and metaphysical principles we can remember who we really are we realign with our true self which is pure Love and experience the ease peace and joy that results Metaphysics is about using the energy we are beyond our body in a practical way while we are in this body By understanding that we are both human and Divine and having compassion for how challenging it is to live in this world we begin to understand Love the most powerful force in the Universe This is not mysterious this is very real and very available to each of us The keys to healing are Love and Willingness The keys are yours for the taking
