This essential textbook is for all students of human development and family science.

*The Family Edge* Gibb Dyer, 2019-07-01 What is the most important asset any entrepreneur or business owner needs to succeed? After more than thirty years consulting for Fortune 100 companies, international organizations, and family businesses around the world, Gibb Dyer confirms that the secret ingredient to business and entrepreneurial success is not an MBA from a great school, a fantastic marketing plan, or even a blue ocean strategy. It is access to three types of capital: financial, social, and human. Dyer's three decades worth of research and data conclude statistically that the most effective and successful entrepreneurs have immediate access to these three all within their family. A groundbreaking book for any business owner, family business, or budding entrepreneur, *The Family Edge* provides clear evidence and powerful tools to help you leverage the asset you need but have probably not paid enough attention to: family capital.

**The Parent Plan** Margaret E. Briem, 2011-01-19 The Parent Plan is the manual that every child should have come with. It answers such questions as: Why am I disciplining this way? When should I choose to discipline? How do I know? The Parent Plan is not a situational parenting book dealing with specific ages, religions, and issues, but is the big book of parenting, guiding all parents in all situations. Whether you have teenagers or are hoping to conceive, this book helps to build skills and gain knowledge in becoming a confident parent who raises successful adults. The Parent Plan guides parents through actions of creating a plan to parent their children. This plan helps the parent in discipline, choosing activities, working with the community with regard to their child, and knowing when they are on or off course. Working their plan gives the parent confidence, knowing they are making the right decisions for their child.
