First Partner Hillary Rodham Clinton:

The First Partner Joyce Milton, 2010-11-16 In 1998 Hillary Rodham Clinton became the most admired woman in America while also becoming the most visibly wronged wife in the world Standing by her husband President Bill Clinton as she and the nation learned the truth behind the Monica Lewinsky scandal the First Lady assumed two roles dutiful spouse and passionate defense attorney which she had played on numerous occasions during the course of their tumultuous yet politically unified relationship Now esteemed biographer and journalist Joyce Milton examines this formidable fascinating woman giving probing insight into the First Lady s character her values and her career In *The First Partner* Milton goes behind the scenes at the Clinton White House and explores the First Lady s involvement in Travelgate Filegate the Health Care Task Force fiasco and fund raising for the 1996 presidential campaign showing how these controversies grew out of the tensions in her political partnership with Bill Clinton Milton also describes how Mrs Clinton s defensive reactions to her husband s chronic infidelities have often misfired and have sometimes enabled his bad behavior She examines the differing psychologies of the President and First Lady yet shows that when faced with political accusations they take a similar approach of telling only as much of the truth as is necessary a reaction that has increasingly gotten them into trouble Meticulously reported and researched *The First Partner* offers keen new understanding of this complex woman who has infuriated and confounded as many people as she has inspired

Bill and Hillary William H. Chafe, 2025-06-25 In *Bill and Hillary The Politics of the Personal* the distinguished historian William H Chafe boldly argues that the trajectory of the Clintons political lives can be understood only through the prism of their personal relationship Each experienced a difficult childhood Bill had an abusive stepfather and his mother was in denial about the family s pathology He believed that his success as a public servant would redeem the family Hillary grew up with an autocratic father and a self sacrificing mother whose most important lesson for her daughter was the necessity of family togetherness As an adolescent Hillary s encounter with her youth minister helped set her moral compass on issues of race and social justice From the day they first met at Yale Law School Bill and Hillary were inseparable even though their relationship was inherently volatile The personal dynamic between them would go on to determine their political fates Hillary was instrumental in Bill s triumphs as Arkansas s governor and saved his presidential candidacy in 1992 by standing with him during the Gennifer Flowers sex scandal He responded by delegating to her powers that no other First Lady had ever exercised Always tempestuous their relationship had as many lows as it did highs from near divorce to stunning electoral and political successes Chafe s many insights into subjects such as health care Kenneth Starr welfare reform and the extent to which the Lewinsky scandal finally freed Hillary to become a politician in her own right and return to the consensus reformer she had been in college and law school add texture and depth to our understanding of the Clintons experience together The latest book from one of our

Notable Speeches in Contemporary Presidential Campaigns Robert V. Friedenberg,2002-03-30 Though many studies of contemporary campaigns focus on brief political advertisements and the growing impact of technology on contemporary campaigns the definitive statements of most candidates are still made in public addresses Friedenberg examines the first public address made by an American presidential candidate on his own behalf The circumstances giving rise to William Henry Harrison s 1840 address and the themes that he developed in that address are strikingly contemporary serving as an appropriate prelude to the examinations of contemporary political speaking that follow Those examinations focus on notable campaign speeches by John F Kennedy Barry Goldwater Richard Nixon Ronald Reagan Bill and Hillary Clinton and George W Bush Each study examines a key event that foreshadowed the speech studied Each study presents a rhetorical biography of the speaker including a discussion of the speechwriting team and preparation techniques utilized by

the speaker Each study presents a thorough study of the campaign context in which the speeches were presented Each also presents a close reading and rhetorical analysis of the speech itself and observations on the impact of the speech Cumulatively Friedenbergs studies help to illustrate how even in today's high tech political environment of 30 second ads and candidate Web sites public speeches continue to play a crucial role in political campaigning Of particular interest to scholars and students involved with political communication and political American campaigning [Donkey Cons](#) Lynn Vincent, Robert Stacy McCain, 2006-04-02 There is a double standard for Democrat and Republican criminals An irresistible book that reminds us what the New York Times wants us to forget David Horowitz Publisher FrontPage Magazine Shameless bribery Illicit sex Sweeping corruption The Democratic Party is like the Gambino mob but with matching federal funds In this raucous head spinning look at the follies and felonies of today's most famous and infamous liberals journalists Lynn Vincent and Robert Stacy McCain chronicle for the first time the rampant crime sex and corruption of the Democratic Party Donkey Cons reveals How corrupt Democrats in Congress outnumber corrupt Republicans by as much as three to one How Franklin Roosevelt Harry Truman and John F Kennedy were elected with the help of the Mob What two eyewitnesses said about JFK's obsession with hookers How union operatives take from working families to deliver millions of dollars to Democrats How Democrats in the 1990s covered up a conspiracy one expert called the largest incidence of obstruction of justice in American history Why Democrats ignore crime victims and take the side of rapists robbers and cop killers then stump for the right of felons to vote From bribery kickbacks and sex scandals to espionage terrorism and rape what was once the Party of the People has become a party with an appallingly long rap sheet And this hard hitting sad but funny expos of the crimes of the Democratic Party finally puts all their misdeeds into perspective Thoroughly researched using outrageous anecdotes and intimate details Donkey Cons shows that the serial corruption of the Clinton presidency wasn't an anomaly but a developing unnerving pattern in the modern Democratic ethos These are the stories the Democrats don't want you to read *The Modern American Presidency* Lewis L. Gould, 2009 The Modern American Presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos **Three Women in HERstory** Mary Weiss, 2017-10-04 Back Cover Summary Helen Keller Eleanor Roosevelt and Hillary Clinton are each beloved women and are complex characters So much has already been written about them that another book seems like overkill to be sure however whenever a topic about women about women in politics about hope is considered then one or all three of these historical giants become necessary to consider Their struggles triumphs and shortcomings are out there for everyone to see and everyone does indeed *The Global Hillary* Dinesh Sharma, 2016-06-17 Is there a linkage between smart power and Hillary Clinton's leadership style Can she advance American leadership and women's development worldwide The Global Hillary addresses these questions and many others Bringing

together two key aspects of Clinton's ongoing career: her advocacy for international women's rights and the mission to foster democratic development around the world. *The Global Hillary* critically analyzes Clinton's role as a transformative leader of global influence. Essays in this collection provide insight into Clinton's leadership style, particularly her use of American smart power in foreign policy while examining her impact on the continuing worldwide struggle for women's rights. Using international perspectives on the historical and cultural contexts of Clinton's leadership, this book also looks toward the future of women's political leadership in the 21st century with special attention to the prospect of electing a woman to the United States presidency.

Her Way Don Van Natta Jr., Jeff Gerth, 2007-06-19 The truth about the most important woman in America. In *Her Way*, two Pulitzer Prize-winning New York Times investigative journalists deliver previously undisclosed details about the Clinton's multi-decade plan for power, including 8 years in the White House for Bill and 8 years for Hillary. Never before revealed information about Hillary's involvement in her husband's campaigns, including cover-ups and the truth about Bill's draft record. New details regarding Hillary's rivalry with Al Gore and why it is likely to heat up. Provocative new information about Hillary's vote to authorize the Iraq War and the steps she has taken to distance herself from that vote. Revelations about Bill Clinton's role in Hillary's campaign and his surprising opinion of Barack Obama. New details of Hillary's failure to adhere to Senate ethics rules and what this says about her political empire. She is one of the most influential and recognizable figures in our country and perhaps the single most divisive individual in our political landscape. She has been the subject of both hagiography and vitriolic smear jobs. But although dozens of books have been written about her, none of them have come close to uncovering the real Hillary: personal, political, in all her complications. Now as she makes her historic run for the presidency, Pulitzer Prize-winning New York Times reporters Jeff Gerth and Don Van Natta Jr. bring us the first comprehensive and balanced portrait of the most important woman in American politics. Drawing upon myriad new sources and previously undisclosed documents, *Her Way* shows us how, like many women of her generation, Hillary Rodham Clinton tempered a youthful idealism with the realities of corporate America and big league politics. It takes readers from the dorm rooms at Wellesley to the courthouses of Arkansas and Washington to the White House and role as First Lady, like none other inside the back rooms of the Senate where she expertly navigates the political and legislative shoals to her 4 million mansion in Washington where she presides over an unparalleled fundraising machine and to her war room from which she orchestrates ferocious attacks against her critics. Throughout her career, she has been alternately helped and hindered by her marriage to Bill Clinton. *Her Way* unravels the mysteries of their political partnership, one of the most powerful and enigmatic in American history. It also explains why Hillary is such a polarizing figure. And more than any other book, it reveals what her ultimate hopes and ambitions are for herself and for America.

The Truth About Hillary Edward Klein, 2005-06-21 Hillary Rodham Clinton is the most polarizing figure in American politics. Love her or hate her, everyone has a strong opinion about the former first lady turned senator who is almost certainly going to run for president in 2008. Despite more than a dozen

years in the national spotlight and more than a dozen unauthorized books about her she has managed to keep many secrets from the public especially about her turbulent marriage and its impact on her career There have been plenty of rumors about what Hillary and Bill Clinton did behind closed doors but never a definitive book that exposes the truth Bestselling author Edward Klein draws on rare access to inside sources to reveal what Hillary knew and when she knew it during her years as first lady especially during her husband s impeachment Klein s book embargoed until publication will break news about the choices and calculations she has made over the years It will also prove that she lied to America in her bestselling autobiography *Living History* When she was just a little girl Hillary Rodham dreamed of becoming the first female president and her lifelong dream is almost within reach But just as the swift boat veterans convinced millions of voters that John Kerry lacked the character to be president Klein s book will influence everyone who is sizing up the character of Hillary Clinton
