First And Second Peter:

First and Second Peter, James, and Jude PHEME PERKINS, 2012-08-01 First and Second Peter James and Jude have existed on the edges of the canon throughout the centuries In this volume PHEME PERKINS casts light on these often neglected writings ably demonstrating that they have in fact much to offer to today's readers The epistles are more than a compilation of traditional material They are concerned with very specific and concrete issues facing the early Christian communities and offer a counterpoint to the letters of Paul They deal with issues such as how to conduct oneself with others how to live in a non-Christian world and how to shepherd the flock of God as well as with theological issues such as the early Christian understanding of God the relationship between faith and works prayer and suffering Teachers preachers and others will find much intriguing material here as they rediscover the world of the first Christians through these letters **First & Second**

James, First

Peter, Jude, Second Peter Patrick J. Hartin, 2016-12-01 Who would not relish the opportunity to read two thousand year old letters These four of the seven catholic letters are addressed not to any specific church as are Paul s epistles but to the church in general Giving us valuable insights into early Christianity they insist on the need to join good works with faith present Jesus sufferings as the model for enduring persecution and warn against intruders intent on undermining traditional faith and morals Far from being mere exercises in nostalgia for the good ol days the letters offer principles that have not lost their value for the Church of the third millennium Patrick Hartin s clarity and conciseness update the Church s earliest struggles to remain faithful to the spirit of Jesus Christ These are letters for us today too Fr Patrick J Hartin PhD is professor of New Testament at Gonzaga University Spokane Washington and the author of the Sacra Pagina commentary on James and A Spirituality of Perfection Faith in Action in the Letter of James published by Liturgical Press The New Testament Epistles Doremus Almy Hayes, 1921 First and Second Peter George H. Cramer, 1967 First and Second Peter - Complete Bible Commentary Verse by Verse Matthew Henry, 2017-02-02 This is another volume in the series of Bible Commentaries of Matthew Henry In this Volume the entire text of the First and Second Peter is commented with notes of each chapter This Commentary will help you better understand the God s word Churches theological seminaries and Bible schools will find an excellent aid in this biblical commentary on the First and Second Peter **1, 2 Peter, Jude** Thomas R. Schreiner, 2003 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text Commentary on the New Testament: James, 1-2 Peter, 1-3 John, Jude Heinrich August Wilhelm Meyer, 1887 The End of the Scroll Herold Weiss, 2020-06-24 Preachers teachers and self proclaimed prophets frequently claim that the end of the world is near often based on their interpretation of Bible books such as Daniel and Revelation Are these claims justified Is there a valuable message in these books In this masterful book Dr Herold Weiss applies a lifetime of study teaching and writing on the Bible to helping readers understand apocalyptic literature and symbolism Avoiding the common error of simply finding something in recent history that can be tied to the text in some way he seeks the purpose of each of the writers Why when expected events failed to take place as predicted did the readers of these books still hold onto them as valuable What is it that they communicated to those readers and can we make use of it now Dr Weiss examines a number of apocalyptic sources some of which you might not have regarded as apocalyptic He finds however that these writers are thinking and writing in a world of apocalyptic imagery From Ezekiel Zechariah and Daniel in the Old Testament to the synoptic gospels Paul s letters and the general epistles in the new Weiss outlines how understanding the apocalyptic view of the universe can be critical in understanding the message presented As with previous books by Dr Weiss such as Meditations on According to John and Meditations on the Letters of Paul this book provides a practical view of biblical theology in action He looks at both the broad overview of the message giving a framework and then fills in the details on a verse by verse passage by passage basis so the reader can see how individual statements and themes fit into a larger

framework He concludes by pointing out how by understanding the work of the apocalypticists and following the examples of their readers we can find spiritual value and encouragement in these books This book is suitable as an introduction to apocalyptic literature or as a way of organizing one's thinking after reading a number of these books It would also be suitable for reading in an experienced small study group **True Bible Study - First and Second Peter** Maura K. Hill, 2008-08-06

As one of a series of outstanding studies into the truth of the Word of God this book First and Second Peter provides details of two letters that the Apostle Peter wrote to Christians The Study Guide and New Translation from the Critical Greek Texts and Papyri are filled with the details and background of every chapter and verse of Peter's teaching by feeding the flock with God's Word and prophecy regarding the heavens and the earth This book should help anyone wanting to learn the depths of First and Second Peter The layperson can use the Study Guide as reference when reading any popular version of the Bible including the King James Version For the Biblical student and researcher the Study Guide to First and Second Peter should serve very well as a primary source of Biblical research reference and Bible commentary For the teacher and the preacher the material should prove more than adequate in the preparation of accurate and detailed Bible Lessons and Sermons

Reflections on First and Second Peter Ray Ruppert, 2011-01-23 Peter's teachings written to the early Church come alive and become relevant to Christian life in the present world Mr Ruppert doesn't shy away from tough theological issues such as election and assurance of salvation He brings a biblical view of actual persecution and suffering while offering insight into the hope of the Christian faith Salvation and living holy lives in this present age are frequent topics This is only a summary of the first chapter Laced with Scripture Mr Ruppert relates many passages to the topics he explores by examining both First and Second Peter verse by verse He writes primarily in the first person as he examines how the Bible applies to himself His insights will be a blessing to anyone who desires a closer walk with the Lord Study questions are provided in the appendix for those would like to use this book for a small group study Mr Ruppert and his wife Terri lead one of the approximately one hundred LifeGroups home Bible studies at Canyon Hills Community Church in Bothell WA He has authored Revelation A Layperson's Reflections and a novel 999 Years After Armageddon The End of the Millennium For more information see www.rayruppert.com *The First Epistle of St Peter 1.1-II.17* Fenton John Anthony Hort, 1898 **Biennial Report of the**
