**Boomers on the Edge** Terry Hargrave, 2009-05-26 Where can you go when you've been pushed to the edge? The baby boomer generation has found itself in a perfect storm of new and difficult challenges. Aging parents need care. Adult children are moving back home. And just when boomers thought they could retire, economic realities such as meager 401(k) plans and crushing medical expenses are forcing boomers by the thousands back into the workplace. As a boomer, you will have to face at least one of these situations and perhaps even juggle all three. *Boomers on the Edge* explores the unique challenges that lie ahead and shows how you can survive and even flourish. This book is filled with practical advice and it is also rich in encouragement. Author Terry Hargrave helps you see the opportunities behind today's changing circumstances. Now is a new chance to build a legacy of wisdom and connection with your parents, learn new responsibility as a parent to older children, and deepen your faith in the face of financial realities. By embracing the emerging landscape of tests and changes, you will discover the rewards of developing a servant's heart, and you will come to see God's faithfulness as never before. Scott Arnold Arminas, 2004-08-11 About the Book This book *Sojourn on Eternity's Edge* is an inspirational trilogy which presents a literary portrait of the author's mind depicting a personal struggle with mental illness and how, by humble faith, the author sets out to conquer the impossible as set by society's unforgiving standards. Through poetry and prose, intelligence beams through its pages, revealing to the reader the power that God has over all things when left in His hands to deal with. Indeed, a lesson to be re-evaluated in this twenty-first century. A time when we, as people and the world as a whole, so desperately need His help. *The Combat Edge*, 1994-05

We all go through times when we feel like we are not living up to our full potential. So many circumstances in life deplete our energy, dull our spiritual sharpness, and cause us to lose our edge. In *Fasting to Regain Your Edge*, Jentezen Franklin shows you how to recharge your spiritual energy through fasting. Full of all new principles gleaned from his twenty years of fasting experience, Franklin shows you how to experience fasting in a whole new way. Regain your spiritual power in six steps. Move from past hurts to joy, mercy, and grace. See God move you into victory. [Discipleship on the Edge](#)

Darrell W. Johnson, 2004 Revelation is probably the most read but least understood book of the Bible. History is replete with examples of how not to interpret it, and books featuring end-of-world prophecy claims based on Revelation consistently top the bestseller lists. But how can the message of such an enigmatic book be applied to our lives today? In *Discipleship on the Edge*, Darrell W. Johnson drives home the challenging and practical message of Revelation in thirty carefully crafted sermons. Paying careful attention to the original context of Revelation and the circumstances surrounding its composition, Johnson shows that the book is not a crystal ball but rather a discipleship manual. Thoroughly researched and yet accessible, this collection of sermons is a helpful resource for pastors and small group leaders who are looking for models to help them preach and teach the message of Revelation in a time when there is much confusion about the end times. Darrell W. Johnson serves as Scholar in Residence at The Way Church and Canadian Church.
