**God's Festivals in Scripture and History** Samuele Bacchiocchi,1995      God's Festivals in Scripture and History Samuele Bacchiocchi,1995-09-01      **God's Sacred Occasions** John R. Oliver MD,2023-06-14 The Feasts of the Lord or God's Appointed Times first appear in the Bible during the Exodus There are three aspects to the Feasts of the Lord 1 Agricultural 2 Memorial and 3 Prophetic They are prophetic about both the First Advent and the Second Advent which means that some events prophesied have not happened yet The Jewish calendar was to be determined by the New Moons and the ripening of barley in Israel and consisted of twelve or thirteen months The first of the Appointed Times was Passover and the Feast of Unleavened Bread Unfortunately the Hebrews rarely observed the Feasts of the Lord and this ultimately led to their division and the Babylonian captivity In Babylon they began to rely upon the Babylonians astronomical calculations as well as observations to try to determine when the Feasts of the Lord would occur Finally in the fourth century they began to rely solely on calculations to determine the dates of the Feasts of the Lord The Feasts of the Lord played an important role during Christ's time on earth There were four Passovers during His ministry culminating in His crucifixion at the time of the fourth Passover After His resurrection the Holy Spirit was poured out upon His followers in Jerusalem on the day of Pentecost The early Christian Church continued observance of the Feasts of the Lord Paul observed Passover and the Feast of Unleavened Bread in Philippi He was arrested at the time of Pentecost The first breaks from the Feasts of the Lord began in the second century CE The Feasts of the Lord are still important today because they were part of an oath from God and He never breaks His oaths Furthermore we will be observing Feasts of the Lord in the New Earth      **God's Festivals in Scripture and History** Samuele Bacchiocchi,2002      **Christian Remnant-African Folk Church** Stefan Höschele,2007-01-01 Tanzanian Adventism exemplifies one of the most fascinating shifts in the history of religions the growth of Christianity in Africa Most striking in this account is the analysis of a minority denomination's transformation to a veritable folk church      *The Message of Love: Understanding Sin and the Law* Oddeth S. Burton,2011-12-14 The book seeks to explore what is sin and the law It explains how the law was broken by Adam and had to be codified in the form of the Ten Commandments It started with sin in the angelic realm and then mankind It also explores man's solution in the person of Jesus Christ and demonstrates God's love for mankind in the codified message of the Gospel of the Kingdom of God      **The 14th Day of the First Month: Unveiling a Unique Perspective: a Layman's Exploration of Dating Jesus' Death Using Only the Bible** Bill Hagedorn,2025-04-10 In *The 14th Day of the First Month* Bill Hagedorn delves into the profound and often debated topic of the date of Jesus' crucifixion This exploration is crafted exclusively from biblical texts offering readers a unique opportunity to engage with the material in an accessible way free from complex theological language The book is thoughtfully organized to guide readers through the historical context and scriptural interpretations that surround the final days of Jesus Hagedorn begins by laying a solid foundation discussing the significance of the Hebrew Bible and clarifying the multiple meanings

*Thy Kingdom Come* Jerry Huerta, Marsue Huerta, 2018-12-28 Contemporary history and progressive revelation regarding the Hebraic festivals are the basis for a renovation of the traditional historicist s house and its perception of recapitulation in the book of Revelation which does not disturb the historicist s view that the papacy is the Antichrist Under this new interpretation John s use of recapitulation was modest as compared with the traditionalist s view The new view correlates the prophecies and illustrations of the seven seals with our modern day market driven society the prophetic era of the Laodicean church the autumnal festivals and the the time of the end in Daniel 8 17 The correspondence of the apocalyptic horsemen of the seven seals with the historical accounts of the Protestant s rise to prominence and their termination of the churches influence in our modern day commerce is incendiary Moreover the correspondence pertaining to autumnal festivals regarding the final judgment and the apocalyptic horsemen of the seven seals is no less provocative As is the case of all such correlations that come to light through progressive revelation they become a blessing for the sons and daughters of God and a reproof for those who walk in darkness Revelation 1 3

**Historical Dictionary of the Seventh-Day Adventists** Gary Land, 2014-10-23 Seventh day Adventism was born as a radical millenarian sect in nineteenth century America It has since spread across the world achieving far more success in Latin America Africa and Asia than in its native land In what seems a paradox Adventist expectation of Christ s imminent return has led the denomination to develop extensive educational

publishing and health systems Increasingly established within a variety of societies Adventism over time has modified its views on many issues and accommodated itself to the delay of the Second Advent In the process it has become a multicultural religion that nonetheless reflects the dominant influence of its American origins This second edition of Historical Dictionary of the Seventh Day Adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of Ellen White This book is an excellent access point for students researchers and anyone wanting to know more about Seventh day Adventism

**A Manual of Scripture History** Louis Barnett Abrahams,1904      **A Manual of Scripture History for Use in Jewish Schools and Families** Louis Barnett Abrahams,1908      Towards an Adventist Version of Communion Ecclesiology Tihomir Lazić,2019-11-13 This book explores how Seventh day Adventists like other Christians can benefit from generating their own version of communion ecclesiology It starts by offering a critical analysis of the status quo of the existing Adventist portrayal of church as remnant and suggests potential ways of moving this tradition forward To articulate a more rounded and comprehensive vision of the church's rich and multifaceted relational nature this book draws on the mainstream Christian koinonia based framework Consequently it provides possible solutions to some of the most divisive ecclesial issues that Christian communities face today regarding church structure ministry mission communal interpretation and reform As it sets on a new footing the conversation between Adventism and other mainstream Christian traditions the methodology of this book serves as a pathway for any Christian community to use when revisiting and enhancing its own current theologies of the church

Passover John D. Garr,2011-12-14 Passover The Festival of Redemption features in depth analysis of the biblical festival that is foundational to both Judaism and Christianity Two of the greatest events in salvation history took place on the very day of Passover Israel was delivered from Egyptian bondage on Passover and fifteen hundred years later Jesus was crucified on Passover delivering believers from the bondage of sin and death Restoring Passover and other biblical festivals is essential for Christians who want to understand the biblical foundations of their faith Recognizing the historical and spiritual truths represented by Passover is a profound means of underscoring the historical and theological truth of Christianity's Jewish connection In Passover The Festival of Redemption

these important subjects are analyzed The Exodus Story Two Miracles Two Faiths Christ Our Passover Sacrifice and Baptism Celebrating Passover with Jesus and the Apostles This book will equip you your family and your congregation with resources that will enable you to share a Christian observance of Passover in remembrance of Jesus death and resurrection until our Lord comes again     **Learning Messiah** Edjan Westerman,2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jewish reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it     **Prophecy Flash!** ,1997     *It Is All About Love* Eric E. Redic,2016-07-18 *It Is All About Love* is the result of years of study much prayer and research into God and His word Many differing opinions exist concerning who God is as well as the significance of His covenant The purpose of this book is to provide clear evidence from scripture that the entire covenant from its earliest expressions to its final fulfillment is nothing less than Gods effort to restore and protect His creation Beginning in Genesis the covenant is examined to reveal its true purpose as well as humanities relationship to it Aspects of the covenant that have been misunderstood by some will become clear as by the light of Gods word they reveal the Promised Seed prophesied from the beginning to crush the serpents head and ultimately restore us back to the image of God and Earth back to the garden God created it to be The covenant reveals God as He is the fullness of true love The covenant unmasked in the light of Gods word reveals Jesus as the fullness of the covenant From that tree in the midst of that first garden to the covenants festivals feasts sacrifices and even the tabernacle erected in the wilderness a clear picture develops of Gods love and desire to save and restore us to Himself Every portion of the covenant is a revelation of Jesus Christ and His love *It Is All About love*     *Old Covenant, New Covenant* Jesse Acuff,2011-07 Who are we then to tell God that he cannot suspend or abolish laws that he has enacted previously Who are we to decide that we can tell God what laws are binding or not binding on us as Christians Who are we to say that law and grace must go hand in hand under the New Covenant and that we cannot commend ourselves to God unless we mix the two What sort of arrogance is it that says to God despite clear evidence to the contrary in scripture You cannot possibly have suspended the Old Covenant Law in order to bring in the New Covenant of grace So you want to be under the Law Do you think that the Law of Moses the Old Covenant should be binding for Christians today Do you believe that Christians should be slaves to the legalism fostered largely by

Sabbatarians and observe the festivals new moons kosher food laws sabbaths and tithing outlined in Leviticus and Deuteronomy If you want to discover the truth read Old Covenant New Covenant The Case Against Legalism Author Jesse Acuff shows that the Old Covenant rules and regulations were only shadows of the good things to come which pointed to Christ and his redeeming grace He further demonstrates that Christ abrogated the Old Covenant by his death on the cross and instituted a new and better covenant Join Jesse as he demonstrates beyond doubt that it makes far more sense to accept the New Covenant teachings originally delivered by Jesus and the Apostles than adhering to the rules and regulations of the Old Covenant which places one in bondage and does nothing toward attaining salvation After reading Old Covenant New Covenant The Case Against Legalism you will never again come down on the side of legalism [A Smaller Scripture History in Three Parts](#) William Smith, 1871 **Scripture's Grand Story through the Old Testament** Bryan Beyer, Bill Jones, 2022-01-13 The Bible contains the greatest story ever told It reveals the God of history who is writing his story through history's events It tells us about life and it itself is life It tells us about Jesus God's Son who secured salvation for a lost world two thousand years ago Maybe you've tried to read the Bible all the way through before and didn't finish Maybe you need a tool to guide you in your journey That's what we hope this book will be for you The Bible is sixty six books yet it is one book with one story It was written over 1 500 years ago but with one theme Jesus The Bible has forty human authors but one divine author and one central story It invites us into that story to embrace the life God designed for us Scripture's Grand Story can help people with little Bible knowledge achieve a basic framework for grasping the Bible's main story Those with a basic understanding of Scripture will benefit by seeing how each story plays a part in the one central story Jesus
