William Kerrigan carefully dissects the oral tradition of the Appleseed myth and draws upon material from archives and local historical societies across New England and the Midwest The character of Johnny Appleseed stands apart from other frontier heroes like Davy Crockett and Daniel Boone who employed violence against Native Americans and nature to remake the West His apple trees nonetheless were a central part of the agro ecological revolution at the heart of that transformation Yet men like Chapman who planted trees from seed rather than grafting ultimately came under assault from agricultural reformers who promoted commercial fruit stock and were determined to extend national markets into the West Over the course of his life John Chapman was transformed from a colporteur of a new ecological world to a curious relic of a pre market one Weaving together the stories of the Old World apple in America and the life and myth of John Chapman Johnny Appleseed and the American Orchard casts new light on both James Gilbert University of Maryland **Sheldon Basic Reading Series** William Denley Sheldon,1957 **Boys' Life** ,1998-11 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Three Times Time** Jack Matthews, A year before he died Jack Matthews author of 10 story collections and over 30 books was asked to suggest his 3 favorite stories from all his books for this story sampler Amos Smith the Gunsmith reaches into the folk tale tradition to produce a nice allegory about human labor A Woman of Properties is a satirical suburban tale reminiscent of Flannery O Connor or Cheever about a real estate agent with a grudge The Girl at the Window is an unsettling and mysterious tale about our relationship to the past Also included is an extended interview the author gave about the craft of writing in 2009 During his career as a writer Mr Matthews was distinguished professor of Fiction Writing at Ohio University in Athens Ohio for over 4 decades Winner of Guggenheim and several arts grants Matthews has been anthologized widely translated into several languages and nominated for a National Book Award His own books have been praised by Eudora Welty Anthony Burgess Shirley Ann Grau Tim O Brien Doris Grumbach Walker Percy and a host of other famous and highly accomplished authors Mr Matthews is a master of prose conversation and deadpan charm He is ironic cool and shrewd and he writes a lucid prose Tom O Brien New York Times Matthews always graceful prose finds that precise telling detail It s easy to fall in love with such writing Perry Glasser North American Review Engaging wit and irony have been characteristic of Matthews s writing from the start and both are strongly present in his latest gatherings of stories His irony is increasingly darker however and his characters obsession with memory and its distortions plays a more dominant role in this later work much of which deals with death For the most part these are stories with deceptively simple and ordinary surfaces but they are driven by powerful and ominous undercurrents which often fuse the local and regional with the archetypal Few can do it better Without question Matthews has established himself as one of America s finest storytellers Stanley Lindberg editor Georgia Review
