Joseph Conrad Zdzisław Najder, 2007 Up to date and extensive revision of Najder's much acclaimed scholarly biography of Conrad employing newly accessible sources Joseph Conrad is not only one of the world's great writers of English and world literature but was a writer who lived a particularly full and interesting life For the biographer this is a double edged sword however there are many periods for which documentation is uncommonly difficult Zdzisław Najder's meticulously documented biography first appeared in English in 1983 garnering high praise as the best most complete biography of Conrad Najder's command of English French Polish and Russian allowed him access to a greater variety of sources than any other biographer and his Polish background and his own experience as an exile have afforded him a unique affinity for Conrad and his milieu All this has come into play once again in the present extensively revised edition much of its extensive new material was unearthed in newly opened former east bloc archives There is new material on Conrad's father's genealogy and his role in Polish politics Conrad's service in the French and British merchant marines his early English reading and correspondence his experiences in the Congo the circumstances of writing his memoirs and much more In addition several aspects of Conrad's life and works are more thoroughly analyzed his problems with the English language his borrowings from French writers his attitude toward socialism his reaction to the reception of his books Zdzisław Najder teaches at the European Academy Cracow [Notes on Life and Letters of Joseph Conrad](#) Joseph Conrad, 2014-03 This Is A New Release Of The Original 1922 Edition **A Personal Record Joseph Conrad** Joseph Conrad, 2017-04-05 As a general rule we do not want much encouragement to talk about ourselves yet this little book is the result of a friendly suggestion and even of a little friendly pressure I defended myself with some spirit but with characteristic tenacity the friendly voice insisted You know you really must It was not an argument but I submitted at once If one must You perceive the force of a word He who wants to persuade should put his trust not in the right argument but in the right word The power of sound has always been greater than the power of sense I don't say this by way of disparagement It is better for mankind to be impressionable than reflective Nothing humanely great great I mean as affecting a whole mass of lives has come from reflection On the other hand you cannot fail to see the power of mere words such words as Glory for instance or Pity I won't mention any more They are not far to seek Shouted with perseverance with ardour with conviction these two by their sound alone have set whole nations in motion and upheaved the dry hard ground on which rests our whole social fabric There's virtue for you if you like Of course the accent must be attended to The right accent That's very important [Joseph Conrad; a Study](#) Richard Curle, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the

original book without typos from the publisher Not indexed Not illustrated 1914 edition Excerpt CHAPTER II Conrad's Biography And Autobiographical BOOKS In this chapter I mean to give first of all in a perfectly concise and colourless form the salient facts of Conrad's life up to the time of his leaving the sea and then I mean to examine in a more literary and romantic sense his two books of recollections Some Reminiscences and The Mirror of the Sea And I hope to throw some light on the autobiographical basis of many of Conrad's stories But I would like to say straight off that this chapter will not be of much value to the critic for like the one that follows it it is informative rather than critical That stands to reason Teodor Jozef Konrad Korzeniowski was born in the Ukraine in the South of Poland on 6th December 1857 In 1861 he removed to Warsaw with his parents and in 1862 his father who had been deeply implicated in the last Polish rebellion was banished to Vologda by the Russian government His wife and son followed him into exile In 1865 Conrad's mother died and his father sent him back to the Ukraine to stay with his maternal uncle who is spoken of with such affectionate regard in Some Reminiscences where he remained for five years That was the happiest period of Conrad's childhood this home life of the country consciously enjoyed and revelled in Conrad's first recollection of public matters was the liberation of the serfs on the is committee of which his uncle was one of the leading spirits In 1869 Conrad's father was freed on the ground that he was too ill to be dangerous any longer He carried off his son to Cracow the old Polish capital and died there in 1870 Conrad was sent to the gymnasium of St Anne the foremost public school of the city There he came under the care of a tutor who Joseph Conrad Martin Ray, 2007 This bibliography the first volume in the new Conrad Studies series published in cooperation with The Joseph Conrad Society UK collects and annotates impressions and memories of Joseph Conrad by his family friends and acquaintances It covers full length memoirs as well as newspaper and magazine articles and in its wide sweep offers abundant details about the novelist's personality and life Of particular value is Martin Ray's emphasis on difficult to trace items and the in depth coverage of Conrad's trip to the United States in the spring of 1923 An essential tool for the scholar this book can also be read with pleasure for the light it throws on Conrad the man **Personal Record** Joseph Conrad, 2008-05-29 Together with The Mirror of the Sea Joseph Conrad's A Personal Record 1911 is one of his two openly autobiographical books A short volume of reminiscences it was written originally for an ambitious literary periodical Conrad was born in Poland moving to live in France in 1874 He subsequently joined the British merchant navy and did not begin writing novels until he was nearly forty In this book he describes his cultural heritage and the central motives in his life as a seaman and a writer separated from the country where he was born Events of his life are shown in sudden flashes of reflection sometimes playful but more often serious and definitive This is a captivating and moving book which gives us illuminating insights into Joseph Conrad's real past his family and national background and his persistent quest to impose on his life a meaning consistent with the exacting demands of the moral principles he had formulated and in which he strongly believed Those who read me know my conviction that the world the temporal world rests on a few very simple ideas so simple
