God Knowable And Unknowable:

God Knowable and Unknowable Robert J. Roth,1973 **The Concept of God** Ronald H. Nash,1983 This book brings together for the general reader the intense and wide ranging discussions now taking place among philosophers on the attributes of God Because of its clear explanations numerous examples brevity and breadth **The Concept of God** can be an important supplemental text to theology classes and philosophy or religion classes Lightning Print On Demand Title **The Unknowable God** Ignacio L. Götz,2021-03-16 Most contemporary Christians are polytheists They believe in many gods unawares of course There is a Father god depicted old and white haired there is a Son god middle aged identified with Jesus of Nazareth and there is a Spirit god symbolized by a dove Many artists have depicted this trinity like El Greco who painted his **The Trinity** in 1578 These three gods are believed to constitute only one divinity but very few ordinary Christians could explain how this could be the case This plurality of gods is the reason why Christianity is reviled by Jews and Muslims who affirm steadfastly the unicity of God and who ban any pictorial representation of the divinity The very first Christians the family and friends of Jesus who were Jews would not have held such a pagan belief but their writings were destroyed by later adherents so we lack the evidence to prove this Christians claim that the Trinity has been revealed but the fact is that such revelation is disproved by science and philosophy So why not transcend this trinity in a contemplation of the One Unknowable God of all Why not learn to live without knowing what God is being satisfied with the belief that God is neither male nor female neither triad nor monad but simply the Divine Incognito **God Knowable and Unknowable** Robert J. Roth,1979 *Is God Knowable?* James Iverach,1884 The Problem of God in Modern Thought Philip Clayton,2000 It is widely believed that modern philosophers have dismissed the idea of God and opted instead for a secular humanism Challenging these stereotypes through a careful study of major philosophical texts written since the Enlightenment Philip Clayton shows how the main thinkers of the modern period have continued to wrestle with the problem of God and to make proposals for understanding the divine Following up on his award winning book **God and Contemporary Science** Clayton here explores the constructive resources that modern thought offers to those struggling with the notion of God as infinite and perfect He finds in the narrative of modern thought about God strong support for panentheism the new theological movement that maintains the transcendence of God while denying the separation of God and the world **Man the Known and Man the Unknown** Swami Ranganathananda,2020-07-07 This booklet authored by Revered Swami Ranganathananda Maharaj former president of the Ramakrishna Order deals with the study of man as given in the Upanishads and other spiritual classics and correlates with the new researches made in the field of modern medicine and neurology God Without Being Jean-Luc Marion,2012-07 **God Without Being** is a key discussion on the nature of God It offers a controversial contemporary perspective The Unknown God Deirdre Carabine,2015-01-26 This book contains a careful thorough and where necessary skeptical as regards doubtful evidence especially in the case of Plato and the Old Academy of the

beginnings in European thought of the negative or apophatic way of thinking and its relations to more positive or kataphatic ways of thinking about God One of its greatest strengths perhaps the greatest is that the author makes clear that none of the persons concerned Hellenic Jewish or Christian was engaged in the pursuit of a philosophical abstraction or the heaping of rhetorical superlatives on God They were rather concerned to present the origin of the universe as an intimately present living reality which infinitely transcends our thought and speech This combined with careful attention to the varieties of negative theology and its relations with positive and the particular difficulties experienced by the members of the various traditions involved makes the book the best introduction to the negative theology available A H Armstrong Emeritus Professor of Greek University of Liverpool England Emeritus Professor of Classics Dalhousie University Halifax Nova Scotia Canada Senior Fellow of the British Academy Irish academic Deirdre Carabine has lived and taught in Uganda for more than twenty years She has recently been founder Vice Chancellor at the Virtual University of Uganda VUU the first fully online university in Sub Saharan Africa Prior to that she set up International Health Sciences University in Kampala She has taught at Queen s Belfast University College Dublin and Uganda Martyrs University Currently she is Director of Programmes at VUU She attended the Queen s University of Belfast where she graduated with a PhD in philosophy and University College Dublin where as one of the first Newman Scholars she gained a second PhD in Classics She is also author of John Scottus Eriugena in the Great Medieval Thinkers Series 2000

Atheism Is False Richard Dawkins and the Improbability of God Delusion David Reuben Stone, 2007-08-01 David Reuben Stone presents a modern defense of the existence of God Two new arguments are presented The Argument From The Laws Of Physics and the Fine Tuning Argument The atheism of Richard Dawkins is refuted in great detail as well as writings of the following atheistic authors Quentin Smith Michael Martin William Rowe Victor Stenger Theodore Drange J L Schellenberg Nicholas Everitt Michael Ikeda Bill Jefferys Theodore Schick Jr Wesley C Salmon Walter Sinnott Armstrong Victor Cosculluela Thomas Metcalf and Bruce and Frances Martin The defenses of atheism by these leading thinkers now stand thoroughly critiqued and in need of substantial revision A must read for anyone interested in the existence of God The defense of Hugh Ross s fine tuning arguments against objections raised by Ikeda and Jefferys is alone worth the price of this book David Reuben Stone is president and founder of Atheism Is False Ministries www.atheismisfalse.com
