God Under Fire Douglas S. Huffman, Eric L. Johnson, 2002 Argues against modern theological schools of thought that reject the classic Christian view of God and replace it with their own images of divinity and discusses the nature of God as presented in the Scriptures

God Under Fire Zondervan, 2009-12-15 God Never Changes Or does he God has been getting a makeover of late a reinvention that has incited debate and troubled scholars and laypeople alike Modern theological sectors as diverse as radical feminism and the new open theism movement are attacking the classical Christian view of God and vigorously promoting their own images of Divinity God Under Fire refutes the claim that major attributes of the God of historic Christianity are false and outdated This book responds to some increasingly popular alternate theologies and the ways in which they cast classical Christian theism in a negative light Featuring an impressive cast of world class biblical scholars philosophers and apologists God Under Fire begins by addressing the question Should the God of Historic Christianity Be Replaced From there it explores issues as old as time and as new as the inquest into the openness of God How for instance does God risk relate emot and change Does he do these things and if so why These and other questions are investigated with clarity bringing serious scholarship into popular reach Above all this collection of essays focuses on the nature of God as presented in the Scriptures and as Christians have believed for centuries God Under Fire builds a solid and appealing case for the God of classical Christian theism who in recent years as through the centuries has been the God under fire

God Is Impassible and Impassioned Rob Lister, 2012-11-30 Modern theologians are focused on the doctrine of divine impassibility exploring the significance of God's emotional experience and most especially the question of divine suffering Professor Rob Lister speaks into the issue outlining the history of the doctrine in the views of influential figures such as Augustine Aquinas and Luther while carefully examining modernity's growing rejection of impassibility and the subsequent evangelical response With an eye toward holistic synthesis this book proposes a theological model based upon fresh insights into the historical biblical and theological dimensions of this important doctrine

Beyond the Bounds John Piper, Justin Taylor, Paul Kjos Helseth, 2003-01-30 Everyone who believes in God at all believes that He knows what you and I are going to do tomorrow C S Lewis This understanding of God's foreknowledge has united the church for twenty centuries But advocates of open theism are presenting a different vision of God and a different view of the future The rise of open theism within evangelicalism has raised a host of questions Was classical theism decisively tainted by Greek philosophy How should we understand passages that tell us that God repents Are essentials of biblical Christianity like the inerrancy of Scripture the trustworthiness of God and the Gospel of Christ at stake in this debate Where when and why should we draw new boundaries and is open theism beyond them Beyond the Bounds brings together a respected team of scholars to examine the latest literature address these questions and give guidance to the church in this time of controversy Contributors include John Piper Wayne Grudem Michael S Horton Bruce A Ware Mark R Talbot A B Caneday Stephen J Wellum Justin Taylor Paul Kjos Helseth Chad Brand William C Davis Russell Fuller We have prepared this book to address the issue of boundaries and we pray bring some remedy to the present and impending pain of embracing open theism as a legitimate Christian vision of God As a pastor who longs to be biblical and God centered and Christ exalting and eternally helpful to my people I see open theism as theologically ruinous dishonoring to God belittling to Christ and pastorally hurtful My prayer is that Christian leaders will come to see it this way and thus love the church by counting open theism beyond the bounds of orthodox Christian teaching From the Foreword by John Piper
